

DHS 2021 - 2025

KEY PRIORITIES:

Strong Stable Families

- Maintain family connections
- Improve stability and prevent crises
- Promote and support recovery and well-being

Early Childhood Experiences

- Support workforce needs with improved access to childcare
- Help kids realize their potential with top quality early experiences
- Align programs for maximum return on investment

Services Closer to Home

- Create pathways that help people access the right service at the right time
- Engage proactively with providers to expand access to services

Efficiency Through Redesign

- Embrace process redesign to find efficiencies in our work
- Leverage technology to support greater efficiency, quality and customer service

High-Performing Team

- Develop a One DHS Team culture
- Engage team with opportunities for learning and development
- Implement fiscal scorecard to drive efficiency and effectiveness

Reinforce the Foundations of Well-being

Economic Health | Behavioral Health | Physical Health

North Dakota Medicaid

OUR VALUES:

We help...

our members receive safe, appropriate, quality care in a timely manner.

We communicate...

by listening, sharing information, and seeking feedback.

We partner...

with stakeholders, other state agencies, and tribes to achieve shared goals.

We oversee...

Medicaid to ensure integrity, efficiency, and stewardship of public resources.

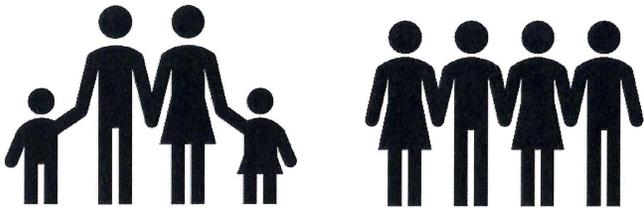

In the United States...

Medicaid covers **45%** of adults with disabilities

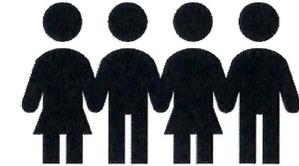

Medicaid covers **6 in 10** nursing home residents

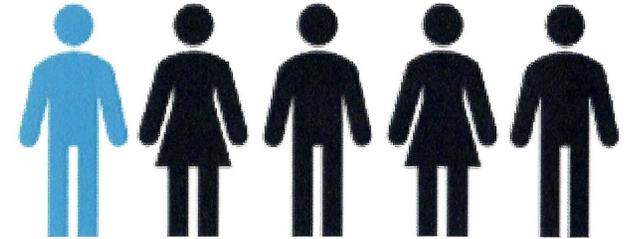

Medicaid and Medicaid Expansion covers low-income families and nonelderly adults with income up to **138% FPL**

Medicaid covers **43%** of all births

4 in 10 Medicaid enrollees are Children

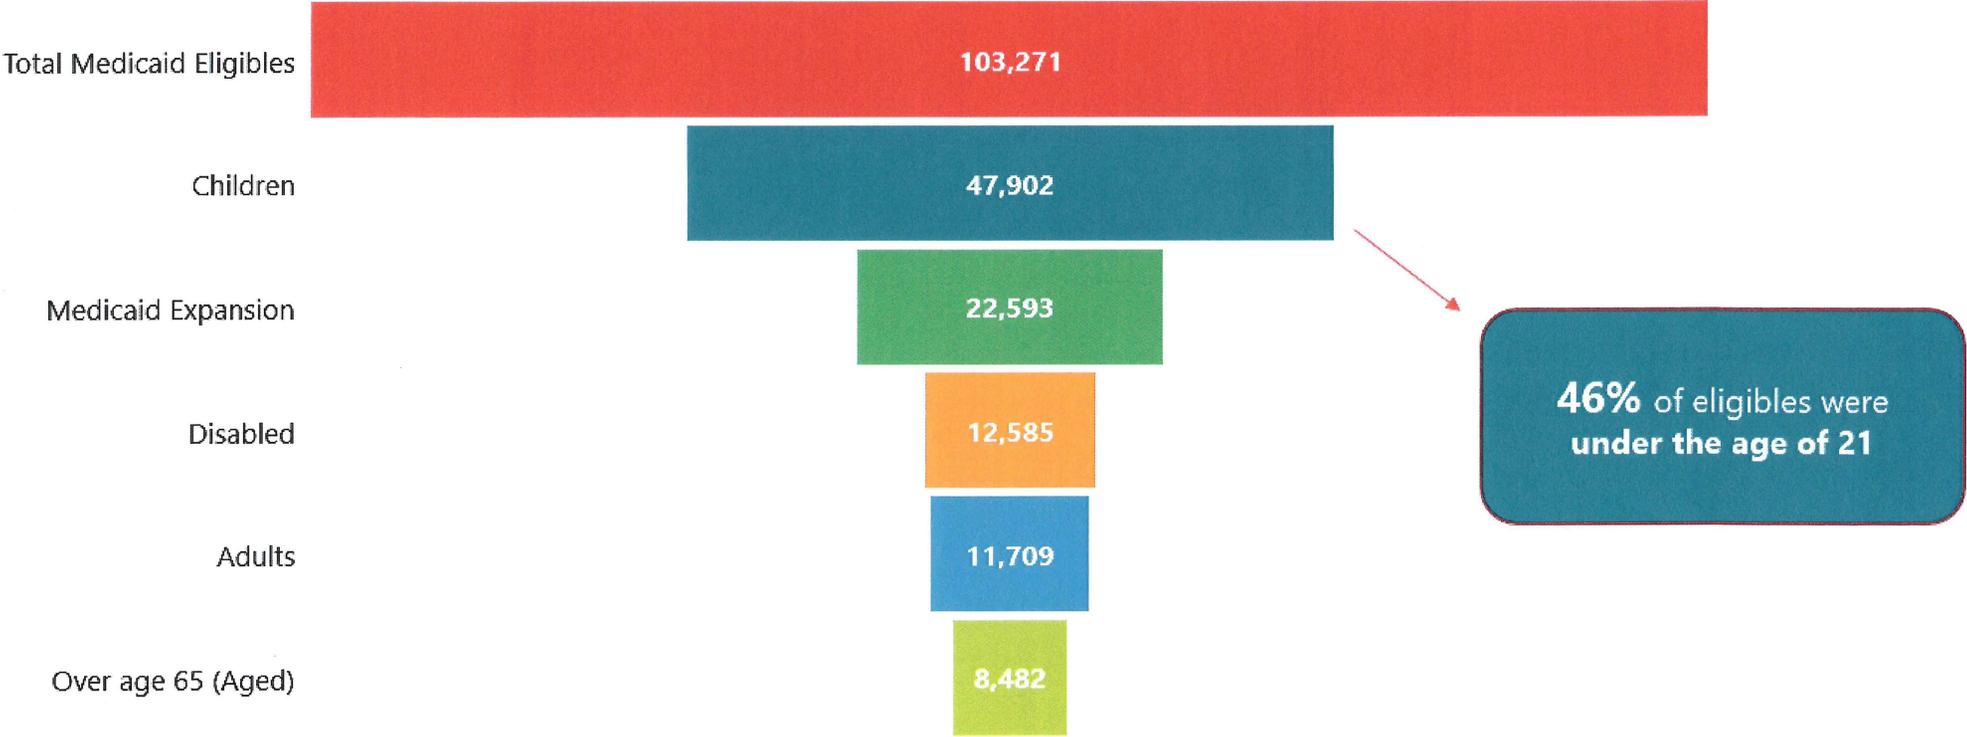

Medicaid covers **1 in 5** Americans

Who does Medicaid cover?

*Medicaid provides health and long-term care for **millions** of America's poorest and most vulnerable people.*

*Data retrieved from Kaiser Family Foundation (2019) 10 Things to Know about Medicaid: Setting the Facts Straight and MACPAC (2020) Factsheet Medicaid's Role in Financing Maternity Care

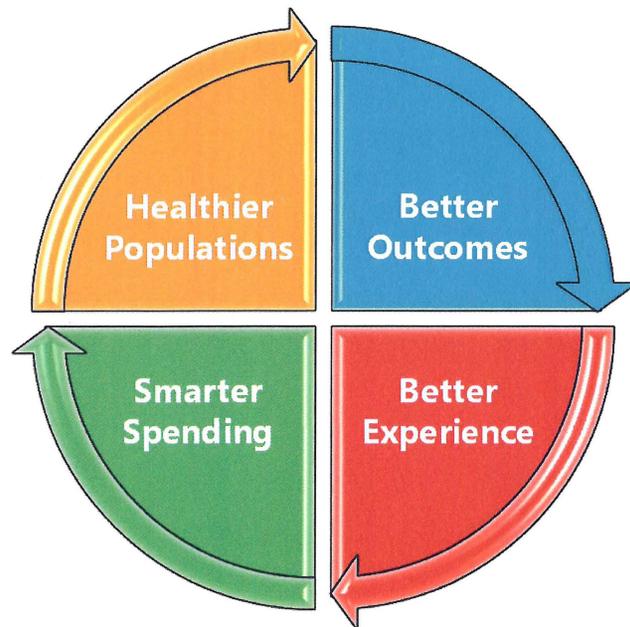

North Dakota Medicaid Eligibles

* Data from September 2020 Quarterly Budget Insight Report

HOW TO DRIVE QUALITY

Quadruple Aim for ND Medicaid

**Institute for Healthcare Improvement Triple Aim*

Value Equation

$$V = \frac{Q + S}{\$}$$

(VALUE) = (QUALITY) + (SERVICE) / (COST)

The equation defines Value (V) as the sum of Quality (Q) and Service (S) divided by Cost (\$). The terms are color-coded: V is purple, Q is orange, S is blue, and \$ is green.

**University of Utah & Harvard Business School's Michael Porter value equation*

HOW TO IMPROVE

Continuous Quality Improvement

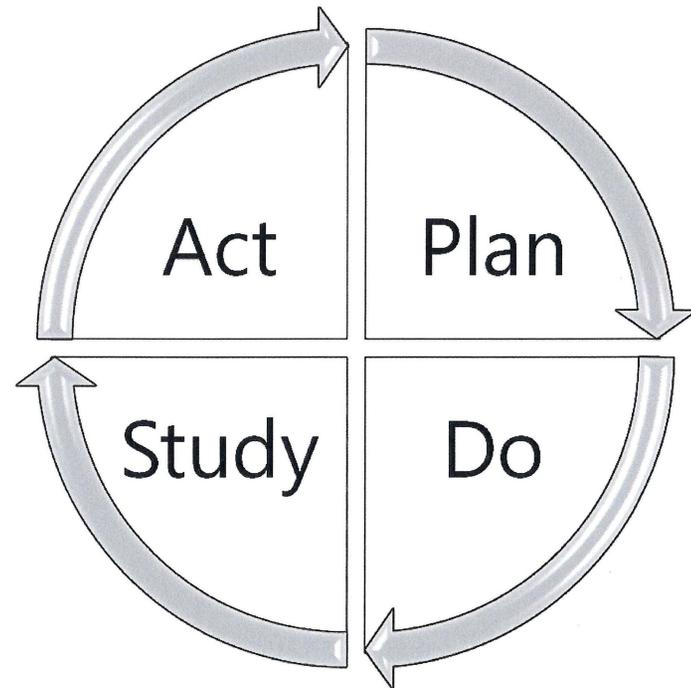

Is a [quality management process](#) that encourages all health care team members to continuously as the questions:

1. **How are we doing?**
2. **Can we do it better?**

The Institute for Healthcare Improvement [Model for Improvement](#) is a simple strategy that use **PDSA cycle** that accelerates improvement by seeking answers to three questions:

1. **What are we trying to accomplish?**
2. **How will we know that a change is an improvement?**
3. **What changes can we make that will result in improvement?**

PDSA Cycle

**National Learning Consortium (2013) Continuous Quality Improvement Strategies to Optimize your Practice*

**The W. Edwards Deming Institute PDSA Cycle*

HOW QUALITY IS MEASURED

Health Care Quality Measures for Medicaid:

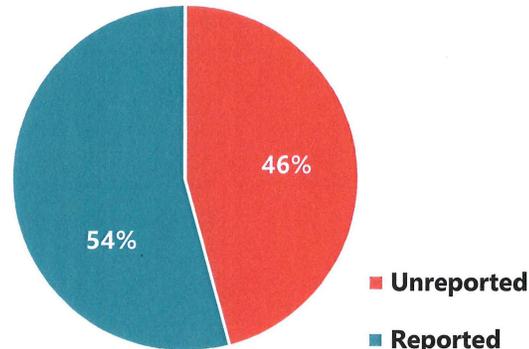

Child Core Set is a set of **24** measures encompassing: preventative health, maternal health, mental health, dental health, and experience of care.

<https://www.medicaid.gov/medicaid/quality-of-care/downloads/performance-measurement/2020-child-core-set.pdf>

Adult Core Set is a set of **33** measures encompassing: preventative health, maternal health, mental health, dental health, and experience of care.

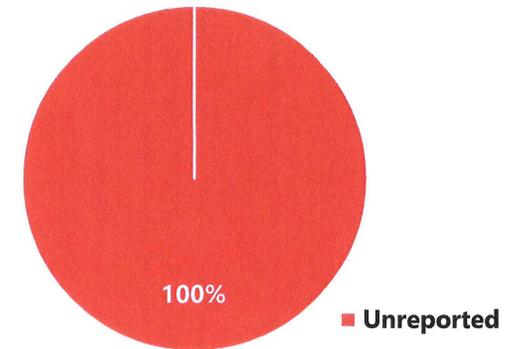

<https://www.medicaid.gov/medicaid/quality-of-care/downloads/performance-measurement/2020-adult-core-set.pdf>

ND **Child** Quality Measures

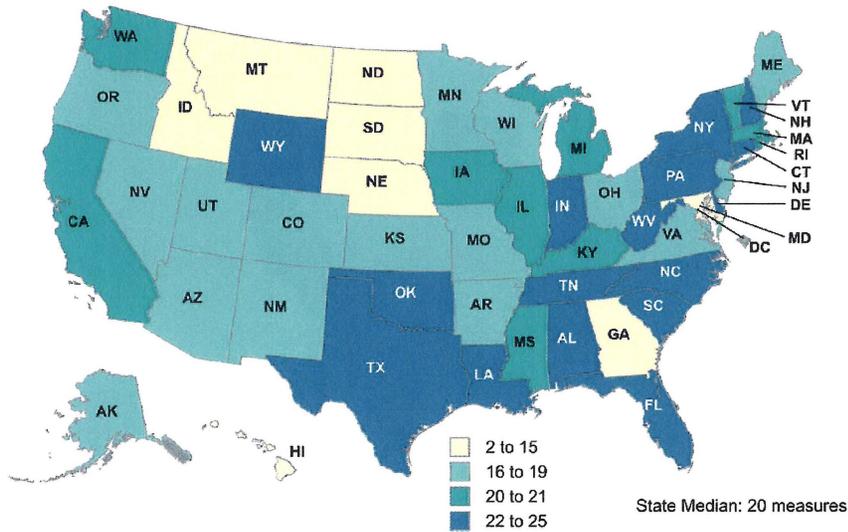

In 2019, ND reported on **13 Child Core Set Measures**
Mandatory State Reporting for all Child Core Set Measures by 2024

ND **Adult** Quality Measures

In 2019, ND reported on **0 Adult Core Set Measures**
Mandatory State Reporting for all Adult Behavioral Health Measures by 2024

Geographic Variation in the Number of Child Core Set Measures Reported by States, FFY 2019

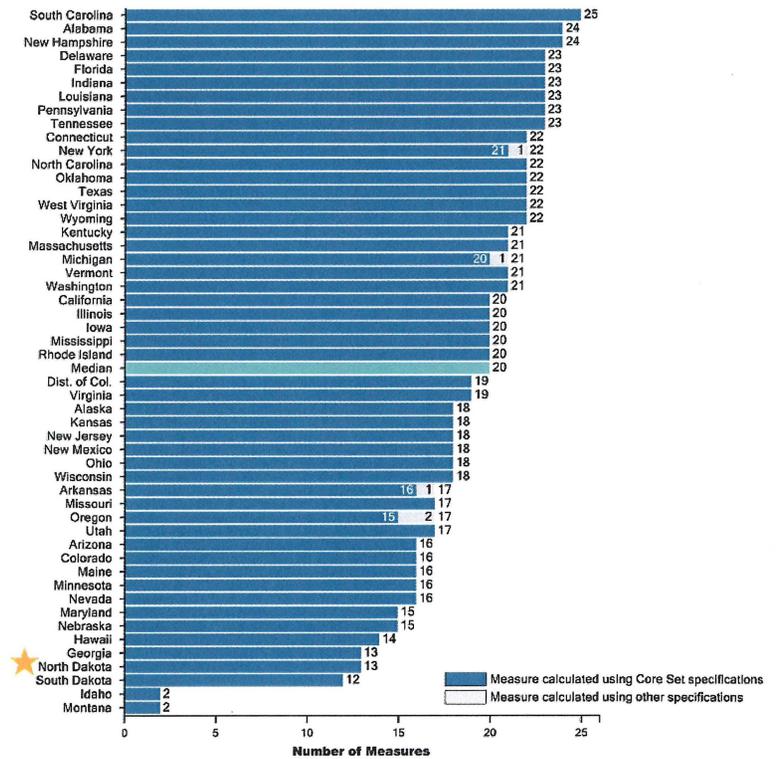

Sources: Mathematica analysis of MACPro reports for the FFY 2019 reporting cycle as of May 31, 2020; Form CMS-416 reports for the FFY 2019 reporting cycle as of July 1, 2020; and Centers for Disease Control and Prevention Wide-ranging ONline Data for Epidemiologic Research (CDC WONDER) for calendar year 2018.

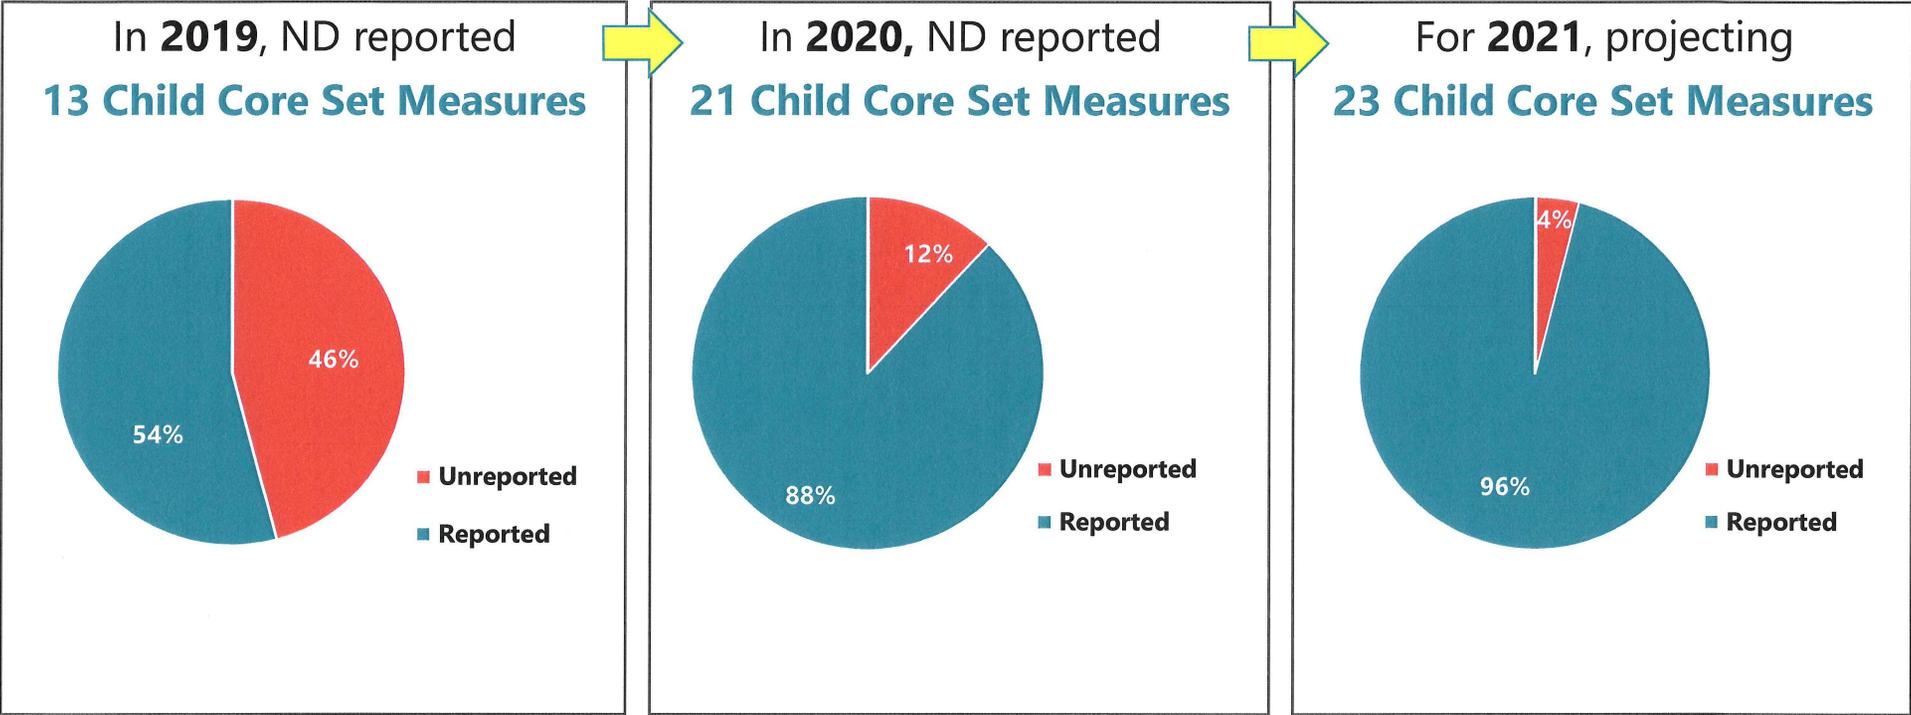

Notes: The term "states" includes the 50 states and the District of Columbia. The 2019 Child Core Set includes 26 measures. This chart excludes the CLABSI measure, which is obtained from CDC's National Healthcare Safety Network.

Scorecard LTSS System Performance

Dimension	Rank	Number of indicators with trend*	Number of indicators showing:		
			Substantial improvement	Little or no change	Substantial decline
OVERALL	28	21	7	13	1
Affordability & Access	30	6	1	4	1
Choice of Setting & Provider	25	6	2	4	0
Quality of Life & Quality of Care	20	2	1	1	0
Support for Family Caregivers**	34	4	2	2	0
Effective Transitions	22	3	1	2	0

The **Scorecard** aims to empower state and federal policy makers and consumers with information they need to effectively assess their state's performance across multiple dimensions and indicators, learn from other states, and improve the lives of older adults, people with physical disabilities, and their families.

*Data used for this Scorecard was analyzed in 2019, **prior to the COVID-19 outbreak**. Therefore, performance on this Scorecard does not include the impact of the pandemic on the LTSS system, which is considerable.

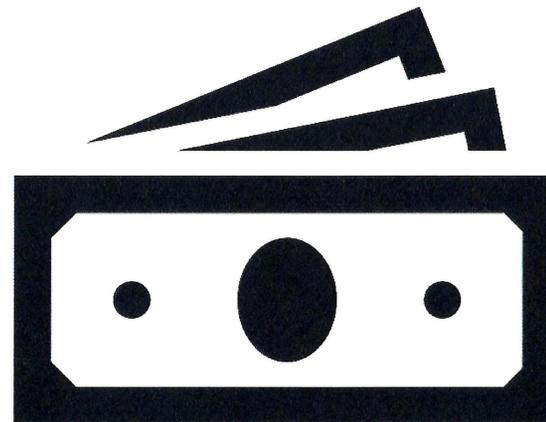

ABOUT FREE THROUGH RECOVERY

Free Through Recovery is a community based behavioral health program designed to increase recovery support services for individuals involved with the criminal justice system who have behavioral health concerns.

**THE MISSION OF FREE THROUGH RECOVERY IS TO
IMPROVE HEALTHCARE OUTCOMES AND REDUCE
RECIDIVISM BY DELIVERING HIGH-QUALITY
COMMUNITY BEHAVIORAL HEALTH SERVICES
LINKED WITH COMMUNITY SUPERVISION.**

Pay for Performance Model

- Providers are paid a monthly base rate for each participant with the opportunity to receive performance pay if the participant meets at least 3 out of 4 monthly outcomes.

Outcome Monitoring

Stable Housing

Is the person living in a residence that is supportive of their recovery?

Stable Employment

Is the person actively seeking or participating in employment?

Recovery

Is the participant demonstrating effort to reduce their substance use or the harm associated with their use and/or improve their mental health functioning.

Criminal Justice

Did the participant avoid law enforcement involvement resulting in arrest, criminal charge, or probation violation resulting in initiation of revocation?

FREE THROUGH *Recovery*
