Dear House Appropriations Committee,

Chairman Delzer and Representatives of the House Appropriations Committee, Family Policy Alliance of North Dakota would like to formally indicate its support of House Bills 1137 and 1281. It is our firm belief that legislation which provides incentives for school choice ultimately benefits all North Dakota families and their children. These bills will continue the positive strides taken in this direction last legislative session and will further expand support for educational opportunities. For these reasons, we respectfully ask for "DO PASS" committee recommendations on HB1137 and HB1281.

Thank you for your consideration,
