

Executive Director, Women and Girls Rebuilding Together

Hello, my name is Lydia Zondo. I am a mother and childcare provider. I am in favor of House Bill 1413. In my line of work kids do well when they have quality food at school (breakfast, lunch) irrespective of their economic backgrounds. Families who may not qualify because of high income still struggle to pay for school lunches. For example, it is sad to see kids turn away or sit away from the lunch table because their parents did not pay their lunch fees. Hence, I am in support of free lunch for all kids.

Thank you!
