

Bill 1313 – January 24, 2021

I am in opposition to this bill which would make a woman guilty of murder for having an abortion. This is outrageous! While I myself would not have an abortion (but who knows if I was raped, I may have a different opinion), I believe it is a women's right to have one in the first 3 months of her pregnancy. This bill is extremely narrow minded!

Sincerely, Mary Niehaus, 2438 Lilac Lane, Fargo, ND
