

HB1469

Thank you for taking the time to read my written testimony. My name is Paula Slow and I am from Arnegard, ND in District 39.

I am writing this today in reference to House Bill 1469, which deals with the Vaccine Education Module. I want you to know that I **OPPOSE** HB1469.

I ask you all as a committee, to give HB1469 a **FAIL**.

Sincerely,
