

**Testimony by Sean Fredricks
Counsel for Red River Joint Water Resource District**

**Before the Senate Agriculture Committee
In Opposition to SB 2208**

January 28, 2021

Chairman Luick, Vice-Chair Myrdal, and members of the Committee, I represent the Red River Joint Water Resource District. Our Chairman, Mr. Gary Thompson, plans to testify in opposition to SB 2208. I am familiar with the bill and I am available to assist Chairman Thompson, and to answer any questions the Committee might have of the Red River Joint Water District. Thank you for your consideration of the Red River Joint Water Resource District's concerns regarding this bill.
