

Testimony – HB 1394
Senate Appropriations Committee
Office of The Adjutant General - Department of Emergency Services
March 26, 2021
By Cody Schulz
Director, Division of Homeland Security
Deputy Director, Department of Emergency Services

Factors Contributing to Increased Appropriation Needs:

1. FEMA offers updated guidance on February 2, 2021:
 - Expansion of FEMA reimbursement to States
 - 75% reimbursement increases to 100% reimbursement, retroactively
 - Scope of eligible costs was broadened
2. Extension of Coronavirus Relief Funds (CRF) to December 31, 2021

2019-2021 Biennium:

\$ 11,666,667	Factor 1 - 75% to 100% (All Eligible Applicants Excluding NDDOH)
67,000,000	Factors 1 & 2 - 75% to 100% and CRF Extension (NDDOH)
\$ 78,666,667	Additional Federal (FEMA) Fund Authority

2021-2023 Biennium:

COVID Disaster

\$ 2,500,000	Factor 1 - 75% to 100% (Updating Past Obligations of All Eligible Applicants Excluding NDDOH)
25,000,000	Factors 1 & 2 - 75% to 100% and CRF Extension Beyond 12-31-2020 (NDDOH)
35,000,000	Factor 1 & 2 (Estimated Future costs for All Eligible Applicants Excluding NDDOH)
\$ 62,500,000	Additional Federal (FEMA) Fund Authority

2021-2023 Request

\$ 7,500,000	Exec Budget federal authority removed from HB1016, added to HB1394
62,500,000	Additional 2021-23 need
\$ 70,000,000	Total Federal (FEMA) Fund Authority for 2021-2023

Engrossed HB 1394:

Subdivision 7:

\$ 78,666,667	2019-2021 biennium
70,000,000	2021-2023 biennium
\$ 148,666,667	Total Federal (FEMA) Fund Authority
