

What percent of salary is covered by regular Unemployment Insurance (UI) benefits and Federal Pandemic Unemployment Compensation (FPUC)?

Comparison uses average UI amounts, along with ND 'normal' wages:

- Average Weekly Benefit Amount (WBA) claimants receive: \$435/week
- Average annual wage from employment for workers in North Dakota: \$55,000

FPUC Additional Weekly Benefit of \$600/Week	FPUC Additional Weekly Benefit of \$300/Week	Biden Proposal of FPUC Additional Benefit of \$400/Week
