

## 15. 1 Reporting Requirements Summary & Recommendations by NDCEL

Chap	Chapter Name
<a href="#">15.1-02 Sections</a>	Superintendent of Public Instruction
Support	15.1-02-09 Annual Report on the Financial Conditions of School Districts
Support with changes	15.1-02-13. Employee Compensation Report As so long as this data is obtained from official financial documents we would support this data collection. Reporting of salary and other self-reported information by teachers and staff is unreliable.
<a href="#">15.1-06 Sections</a>	Schools
Support with changes	06-06 The Compliance Report Certification that each teacher is licensed and teaching courses in their area or field Certification that schools are part of a school improvement process Certification that schools are inspected by fire marshll Certification that background checks are done Certification that schools will use e-transcript Approval by principal - Superintendent and Board of Education Penalty for non-completion
Remove	06-08 Rules for school accreditation - waiver Part 1 provides for this waiver for innovation to improve educational opportunities. Waivers to improve delivery of educaiton are already allowed under 06-08.1
Why	06-18 School Report - Review This is an annual report for each public school principal that is provided to the Supt and then forwarded to the Governor and his ad-hoc committee. No definition of what is collected. In part 5. the composition of the committee is defined. We are not sure what this committee is at this time.
<a href="#">15.1-07 Sections</a>	School Districts
Remove	07-32. Student Performance Strategist One FTE per every 400 students in ADM in grades K-3. What is the purpose of thise reporting?
