

SB 2314

Senator Joan Heckaman

Chairman and Members of the Committee:

The bill before you today creates a new section of the Century Code to address Tribal-state gaming compacts for online gaming or online sports betting. I would like to say I know everything there is to know about this bill, but I don't. So, I will defer to the fine Senator from District 9 and others present today to help you understand the basis for this bill and what it will codify.

Thank you for your time, Chairman and Committee Members.
