

NORTH DAKOTA WILDLIFE FEDERATION

**Testimony of John Bradley**  
**North Dakota Wildlife Federation**  
**House Bill 1218**  
**Senate Energy & Natural Resources Committee**  
**January 21, 2021**

Chairman Kreun, members of the Senate Energy and Natural Resources Committee,

For the record, I am John Bradley, Executive Director of the North Dakota Wildlife Federation (NDWF). I am here today representing our 1,500 members and 15 affiliated wildlife and sportsmen's club across North Dakota. NDWF supports HB 1218. We believe that this bill will encourage more non-resident landowners to enroll their acres in PLOTS. Knowing that they can come back and hunt during the first week of pheasant season, removes one more barrier for a non-resident to enroll in the program.

Thank you for the opportunity to testify. Please do not hesitate to contact me with any questions that the committee might have.
