

**Testimony**  
**Senate Bill 2080 – State Water Commission**  
**Senate Energy and Natural Resources Committee**  
**Senator Kreun, Chair**  
**January 7, 2021**

Chairman Kreun, and members of the Senate Energy and Natural Resources Committee – I am Karen Goff, Dam Safety Program Manager of the State Water Commission. I am attending to support testimony delivered by Aaron Carranza, Regulatory Division Director, and answer any questions related to the impact on the construction permitting process.
