Senate Political Subdivisions

Good Morning Chairman Burckhard and members of the Senate Political Subdivision Committee,

My name is Marie Horning and I have been an Assessor for 17 years in the state of North Dakota. I am currently an Assessor for 19 townships in Burleigh County.

I am here today asking for your support of HB 1445. This bill will also allow for additional time for submitting the assessment roll back to County Auditor. If a township does not approve their assessment rolls at their Equalization Meeting and must continue the meeting at a different time due to quorum or questions about property values this will allow additional time for getting the assessment rolls approved and turned in.

Thank you for your consideration,

Marie Horning
