3 - Bill and Fiscal Impact Summary

Provide a brief summary of the measure, including description of the provisions having fiscal impact (limited to 300 characters).

HB 1511 creates a sales and use tax exemption for materials used to construct or expand a coal processing facility that utilizes coal as a feedstock, and to provide an effective date.

4 - Fiscal Impact Sections Detail

Identify and provide a brief description of the sections of the measure which have fiscal impact. Include any assumptions and comments relevant to the analysis.

Section 1 of HB 1511 creates a sales and use tax exemption for materials used to construct or expand a coal processing facility that utilizes coal as a feedstock. To be exempt, the tangible personal property must be incorporated in the structure of the facility or used in the construction process to the point of having no residual economic value. The owner of the facility must receive a certificate from the tax commissioner that the tangible personal property which the owner intends to purchase to construct or expand a qualifying facility qualifies for the

exemption.

Section 3 of HB 1511 makes this exemption effective for taxable events occurring after 06/30/2023.

5 - Revenues Detail

For information shown under state fiscal effect in 1 or 2, please explain the revenue amounts. Provide detail, when appropriate, for each revenue type and fund affected and any amounts included in the executive budget.

Section 1 of HB 1511 will create a reduction in revenue to both the general fund and the state aid fund on any eligible exemption claims. This reduction is based on the number of owners certified for the exemption, as well as the cost of the materials used to construct or expand a coal processing facility that utilizes coal as a feedstock. Because these are unknown factors, the Office of State Tax Commissioner is unable to provide a reliable estimate for the revenue reduction amount.

6 - Expenditures Detail

For information shown under state fiscal effect in 1 or 2, please explain the expenditure amounts. Provide detail, when appropriate, for each agency, line item, and fund affected and the number of FTE positions affected.

7 - Appropriations Detail

For information shown under state fiscal effect in 1 or 2, please explain the appropriation amounts. Provide detail, when appropriate, for each agency and fund affected. Explain the relationship between the amounts shown for expenditures and appropriations. Indicate whether the appropriation or a part of the appropriation is included in the executive budget or relates to a continuing appropriation.
