1 A BILL for an Act to create and enact a new section to chapter 47-16 of the North Dakota
2 Century Code, relating to move-in and post move-out inspections of leased property.

3 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

4 **SECTION 1.** A new section to chapter 47-16 of the North Dakota Century Code is created
5 and enacted as follows:

6 **Mandatory inspections.**

7 1. Before, at the time of, or shortly after a tenant accepts possession of leased premises,
8 the landlord and the tenant shall inspect the premises and note on a written statement
9 all damages to the premises and a remediation plan to repair any damages, with
10 normal wear and tear excepted. At the conclusion of the inspection, the landlord and
11 tenant shall sign and date the statement acknowledging the inspection under this
12 section has occurred. A copy of the statement must be provided to the tenant within a
13 reasonable time following the inspection.

14 2. The landlord and tenant shall conduct a move-out inspection after the expiration date
15 or earlier termination of the lease. Except as provided in section 47-16-07.3, the
16 landlord may not re-enter the premises until an inspection is conducted. The landlord
17 and tenant shall schedule the inspection at a mutually agreeable time. If the tenant
18 fails to appear at the scheduled inspection, without communicating to the landlord a
19 reason for the absence, the landlord shall conduct the inspection and note any
20 damages to the premises on a written statement. The landlord shall deliver the
21 statement to the tenant by mail or electronic mail. The tenant's absence is deemed
22 acceptance of the statement created by the landlord. The tenant may designate an
23 agent to act on behalf of the tenant for the inspections under this section.
