The insurer of a delivery network company providing coverage under subsections 1 and 2 shall assume primary liability for a claim when a dispute exists as to when the delivery available period and the delivery service period began or ended and the delivery network company does not have available, did not retain, or fails to provide the information required by subsection 6.

26.1-40.2-04. Exclusions in motor vehicle liability insurance policies.

1. An authorized insurer that writes motor vehicle liability insurance in the state may exclude any and all coverage and the duty to defend or indemnify for any injury or loss occurring during the delivery available period and the delivery service period, including:
 - a. Liability coverage for bodily injury and property damage;
 - b. Personal injury protection coverage under chapter 26.1-41;
 - c. Uninsured and underinsured motorist coverage;
 - d. Medical payments coverage;
 - e. Comprehensive physical damage coverage; and
 - f. Collision physical damage coverage.
2. This chapter does not:
 - a. Invalidate or limit an exclusion contained in a motor vehicle liability insurance policy, including any insurance policy in use or approved for use which excludes coverage for motor vehicles used for delivery or for any business use.
 - b. Invalidate, limit, or restrict an insurer's ability to underwrite any insurance policy.
 - c. Invalidate, limit, or restrict an insurer's ability to cancel and nonrenew policies.

3. A motor vehicle liability insurer that defends or indemnifies a claim against a delivery network driver who is excluded under the terms of the insurer's policy may seek recovery against the insurer providing coverage under subsections 1 and 2 of section 26.1-40.2-03 if the claim:
 - a. Occurs during the delivery available period or the delivery service period; and
 - b. Is excluded under the terms of its policy.

26.1-40.2-05. Proof of insurance.

1. A delivery network driver shall carry proof of insurance required at all times while using a personal vehicle in connection with a digital network. If an accident occurs, a delivery network driver shall, upon request, provide insurance coverage information to a directly interested party, automobile insurer, and investigating law enforcement officer.
2. The insurance coverage information may be displayed or provided in either paper or electronic form. A delivery network driver shall, upon request, disclose to a directly interested party, automobile insurer, and investigating law enforcement officer whether the driver was operating during the delivery available period or the delivery service period at the time of the accident.

26.1-40.2-06. Authorized or eligible carrier.

Insurance coverage required by this chapter may be obtained from an insurance company licensed to transact business under title 26.1.

26.1-40.2-07. Interaction with other law.

This chapter does not limit the scope of federal or state law regarding delivery or transport of goods. A delivery made under this chapter which is subject to such other law also must comply with the requirements of that law. If there is a conflict between this chapter and another law dealing with the delivery or transport of goods, the other law prevails."
