There is appropriated out of any moneys in the general fund in the state treasury, not otherwise appropriated, the sum of $62,460, or so much of the sum as may be necessary, to the department of mineral resources for the purpose of employing full-time equivalent carbon capture positions for the period beginning with the effective date of this Act and ending June 30, 2023. The department is authorized three full-time equivalent positions pursuant to this subsection.

2. There is appropriated out of any moneys in the general fund in the state treasury, not otherwise appropriated, the sum of $15,000, which the office of management and budget shall transfer to the fossil excavation and restoration fund during the period beginning with the effective date of this Act and ending June 30, 2023.

SECTION 6. APPROPRIATION - TRANSFER - FOSSIL RESTORATION FUND - HOUSING INCENTIVE FUND - ONE-TIME FUNDING.

1. There is appropriated out of any moneys in the general fund in the state treasury, not otherwise appropriated, the sum of $250,000, which the office of management and budget shall transfer to the fossil excavation

and restoration fund during the biennium beginning July 1, 2023, and ending June 30, 2025.

2. There is appropriated out of any moneys in the general fund in the state treasury, not otherwise appropriated, the sum of $12,500,000, which the office of management and budget shall transfer to the housing incentive fund during the biennium beginning July 1, 2023, and ending June 30, 2025.

3. The funding provided in this section is considered a one-time funding item.

SECTION 7. CONTINGENT FUNDING - HOUSING FINANCE AGENCY. The sum of $82,068 from other funds and one full-time equivalent position included in subdivision 4 of section 1 of this Act are available only in accordance with the provisions of this section. If mortgage loan production for the fiscal year ended June 30, 2024, exceeds $435,000,000, the housing finance agency may spend $82,068 from the salaries and wages line item and may hire one full-time equivalent position. The housing finance agency shall notify the office of management and budget and the legislative council if the contingency is met."

1. $39,000,000 to the partnership in assisting community expansion fund;

2. $5,000,000 to the agriculture partnership in assisting community expansion fund;

3. $1,000,000 to the biofuels partnership in assisting community expansion fund;

4. $15,000,000 to the beginning farmer revolving loan fund; and

5. $3,000,000 to the agricultural products utilization fund.

SECTION 12. TRANSFER - LEGACY EARNINGS FUND - PIPELINE LEAK DETECTION AND PREVENTION PROGRAM - CLEAN SUSTAINABLE ENERGY GRANTS AND LOANS. During the biennium beginning July 1, 2023, and ending June 30, 2025, and pursuant to the designation of funding for other legislative purposes under subdivision c of subsection 4 of section 21-10-13, the state treasurer shall transfer the following amounts from the legacy earnings fund:

1. $5,000,000 to the oil and gas research fund for a pipeline leak detection and prevention program;

2. $50,000,000 to the clean sustainable energy fund for grants; and

3. $250,000,000 to the clean sustainable energy fund to repay a line of credit and to provide funding for loans.

SECTION 13. TRANSFER - STRATEGIC INVESTMENT AND IMPROVEMENTS FUND TO STATE ENERGY RESEARCH CENTER FUND - RARE EARTH MINERALS STUDY - REPORT TO LEGISLATIVE MANAGEMENT.

1. The office of management and budget shall transfer the sum of $3,000,000 from the strategic investment and improvements fund to the state energy research center fund during the biennium beginning July 1, 2023, and ending June 30, 2025.

2. Pursuant to the continuing appropriation under section 57-51.1-07.9, the industrial commission shall distribute up to $3,000,000 from the state energy research center fund to the state energy research center for a study related to prospective in-state resources of economically feasible accumulations of critical minerals, including rare earth elements and other high-value minerals or materials that may be suitable for extraction and enrichment.

3. The study must include a review of in-state mineral accumulations, including coal deposits, ore bodies, oil and gas reservoirs, produced water from oil and gas development activities, saltwater zones, and shale formations. While conducting the study, the state energy research center shall collaborate with the North Dakota geological survey and active mineral lessors and developers.

4. During the 2023-24 interim, the state energy research center shall provide at least one report to the legislative management regarding the study.

SECTION 14. TRANSFER - STRATEGIC INVESTMENT AND IMPROVEMENTS FUND TO STATE ENERGY RESEARCH CENTER FUND - UNDERGROUND ENERGY STORAGE RESEARCH PROJECT - REPORT TO LEGISLATIVE MANAGEMENT.

1. The office of management and budget shall transfer the sum of $22,000,000 from the strategic investment and improvements fund to the state energy research center fund.

2. Pursuant to the continuing appropriation authority under section 57-51.1-07.9, the industrial commission shall distribute up to $22,000,000 from the state energy research center fund to the state energy research center for a salt cavern underground energy storage research project.

3. The research project must include construction of up to two salt caverns in geological formations in North Dakota for the development of underground storage of energy resources, including natural gas, liquified natural gas, natural gas liquids, and hydrogen. The state energy research center may collaborate with other entities as needed on the research project. Prior to distributing the funding, the industrial commission must receive, from at least one nonstate entity, assurance of financial or other types of support that demonstrate a commitment to the research project.

4. During the 2023-24 interim, the state energy research center shall provide quarterly reports to the industrial commission and at least one report to the legislative management regarding the status and results of the research project.

SECTION 15. ESTIMATED INCOME - STRATEGIC INVESTMENT AND IMPROVEMENTS FUND - TRANSMISSION LINE GRANT. The sum of $25,000,000 included in the grants line item and the estimated income line item in subdivision 1 of section 1 of this Act and identified as one-time funding in section 2 of this Act is from the strategic investment and improvements fund. The industrial commission shall use the funding to provide a grant, based on the recommendation of the North Dakota transmission authority, to an entity for a project to upgrade a high-voltage direct current transmission line. A grant may be awarded only if the project to upgrade a transmission line has been approved by the public service commission."

"**SECTION 17.** A new section to chapter 6-09 of the North Dakota Century Code is created and enacted as follows:

Employee recruitment and retention incentive program - Report to legislative management.

The Bank of North Dakota may develop an employee recruitment and retention incentive program that promotes profitability and productivity. The provisions of the program must be approved annually by the Bank of North Dakota advisory board of directors and the industrial commission. The provisions must ensure that the amount available for program funding does not exceed one percent of the Bank's annual profits and that program may receive funding only if the Bank's profits exceed one hundred million dollars for the year. Each interim, the Bank shall provide at least one report to the legislative management regarding the status of the program, including the provisions of the program; the total amount of the Bank's profits used to fund the program; the total amount of incentives paid out to employees each year; and the minimum, maximum, and average payout per eligible full-time equivalent position.

SECTION 18. AMENDMENT. Section 6-09.7-05 of the North Dakota Century Code is amended and reenacted as follows:

6-09.7-05. Establishment and maintenance of adequate guarantee funds - Use of strategic investment and improvements fund.

The Bank of North Dakota shall establish and at all times maintain an adequate guarantee reserve fund in a special account in the Bank. The Bank may request the director of the office of management and budget to transfer funds from the strategic investment and improvements fund created by section 15-08.1-08 to maintain one hundred percent of the guarantee reserve fund balance. Transfers from the strategic investment and improvements fund may not exceed a total of ~~eighty~~one hundred forty million dollars. Moneys in the guarantee reserve fund are available to reimburse lenders, including the Bank, for guaranteed loans in default. The securities in which the moneys in the reserve fund may be invested must meet the same requirements as those authorized for investment under the state investment board. The income from such investments must be made available for the costs of administering the state guarantee loan program and income in excess of that required to pay the cost of administering the program must be deposited in the reserve fund. The amount of reserves for all guaranteed loans must be determined by a formula that will assure, as determined by the Bank, an adequate amount of reserve.

SECTION 19. AMENDMENT. Section 54-17.7-01 of the North Dakota Century Code is amended and reenacted as follows:

54-17.7-01. North Dakota pipeline authority - Legislative intent.

There is created the North Dakota pipeline authority, which shall be governed by the industrial commission. It is the intent of the legislative assembly that the pipeline authority consider the operations, finances, and market positions of private entities engaged in pipeline activities while carrying out the purposes of this chapter to avoid competing with private entities to the extent possible.

SECTION 20. AMENDMENT. Subsection 3 of section 54-17.7-04 of the North Dakota Century Code is amended and reenacted as follows:

3. Acquire, purchase, hold, use, lease, license, sell, transfer, and dispose of an undivided or other interest in or the right to capacity in any pipeline system or systems, including interconnection of pipeline systems, within or without the state of North Dakota in order to facilitate the production, transportation, distribution, or delivery of energy-related commodities produced in North Dakota ~~as a purchaser of last resort. The obligation of the state may not exceed ten percent of the pipeline authority's acquisition or purchase of a right to capacity in any pipeline system or systems, or interconnection of pipeline systems, and the state's obligation is limited to the funding available from the oil and gas research fund~~. If the authority acquires, purchases, holds, uses, or leases capacity positions, the authority shall sell, transfer, release, or dispose of the

capacity positions at intervals that are no more frequent than monthly and in an amount that is equal to or greater than the market rate, but only if the sale, transfer, release, or disposal of the capacity positions is sufficient to cover the expenses and obligations incurred. The authority's contract obligations for the capacity positions are limited to the capacity rates, charges, and terms.

SECTION 21. AMENDMENT. Subsection 4 of section 54-17.7-04 of the North Dakota Century Code is amended and reenacted as follows:

4. Borrow money and issue evidences of indebtedness as provided in this chapter, including borrowing from the Bank of North Dakota.

   a. The authority may borrow up to sixty million dollars through a line of credit from the Bank. The interest rate on the line of credit must be the prevailing interest rate charged to North Dakota governmental entities.

   b. The line of credit must be guaranteed by reserves under section 6-09.7-05.

   c. The line of credit may be used to support activities under subsection 3.

   d. The authority shall repay the line of credit from amounts available. If the amounts available on June 30, 2025, are not sufficient to repay the line of credit, the authority shall notify the director of the office of management and budget, and the director of the office of management and budget shall transfer funds from the strategic investment and improvements fund to the Bank for the repayment pursuant to section 6-09.7-05 based on the amount certified by the Bank.

SECTION 22. AMENDMENT. Section 54-63.1-01 of the North Dakota Century Code is amended and reenacted as follows:

54-63.1-01. Definitions.

As used in this chapter:

1. "Authority" means the clean sustainable energy authority.

2. "Clean" means a technology or concept that reduces emissions to the air, water, or land and meets or exceeds state and federal environmental regulations.

3. "Commission" means the industrial commission.

4. "Fund" means the clean sustainable energy fund.

5. "Program" means the clean sustainable energy program.

6. "Sustainable" means a technology or concept that allows the use of a natural resource, including hydrogen and other energy sources, to be maintained or enhanced through increased efficiency and life cycle benefits while either increasing or not adversely impacting energy security, affordability, reliability, resilience, or national security.

SECTION 23. AMENDMENT. Section 8 of chapter 42 of the 2021 Session Laws is amended and reenacted as follows:

SECTION 8. TRANSFER - BANK OF NORTH DAKOTA PROFITS TO GENERAL FUND. The industrial commission shall transfer to the general fund ~~$140,000,000~~$70,000,000 from the current earnings and the accumulated profits of the Bank of North Dakota during the biennium

beginning July 1, 2021, and ending June 30, 2023. The moneys must be transferred in the amounts and at the times requested by the director of the office of management and budget after consultation with the Bank of North Dakota president. For legislative council budget status reporting purposes, the transfer under this section is considered an ongoing revenue source.

SECTION 24. EXEMPTION - MILL AND ELEVATOR ASSOCIATION PROFITS ANNUAL TRANSFER. Notwithstanding the provisions of section 54-18-19 relating to the annual transfer of mill and elevator association profits to the general fund, for the biennium beginning July 1, 2023, and June 30, 2025, the industrial commission shall transfer ten percent of the mill and elevator association profits to the general fund.

SECTION 25. EXEMPTION - OIL AND GAS TAX REVENUE ALLOCATIONS - NORTH DAKOTA OUTDOOR HERITAGE FUND - OIL AND GAS RESEARCH FUND.

1. Notwithstanding the provisions of section 57-51-15 relating to the allocations to the North Dakota outdoor heritage fund, for the period beginning September 1, 2023, and ending August 31, 2025, the state treasurer shall allocate eight percent of the oil and gas gross production tax revenue available under subsection 1 of section 57-51-15 to the North Dakota outdoor heritage fund, but not in an amount exceeding $7,500,000 per fiscal year.

2. Notwithstanding the provisions of section 57-51.1-07.3 relating to the allocations to the oil and gas research fund, for the period beginning August 1, 2023, and ending July 31, 2025, the state treasurer shall allocate two percent of the oil and gas gross production tax and oil extraction tax revenues, up to $14,500,000, into the oil and gas research fund before allocating oil and gas tax revenues under sections 57-51.1-07.5, 57-51.1-07.9, and 57-51.1-07.10.

SECTION 26. EXEMPTION - UNEXPENDED APPROPRIATIONS. The following appropriations are not subject to the provisions of section 54-44.1-11 and may be continued into the biennium beginning July 1, 2023, and ending June 30, 2025:

1. The sum of $3,200,000 appropriated from the federal state fiscal recovery fund for an abandoned oil well conversion to water supply grant program in subsection 2 of section 1 of chapter 550 of the 2021 Special Session Session Laws;

2. The sum of $20,000,000 appropriated from the federal state fiscal recovery fund for hydrogen development grants in subsection 36 of section 1 of chapter 550 of the 2021 Special Session Session Laws; and

3. The sum of $800,000 appropriated from the strategic investment and improvements fund in section 2 of chapter 426 of the 2017 Session Laws and continued into the 2019-21 biennium pursuant to section 27 of chapter 14 of the 2019 Session Laws and into the 2021-23 biennium pursuant to section 33 of chapter 42 of the 2021 Session Laws.

SECTION 27. EMERGENCY. The following are declared to be an emergency measure:

1. The sum of $3,000,000 from the general fund in the operating expenses line item included in subdivision 1 of section 1 of this Act and identified as one-time funding in section 2 of this Act for lignite litigation expenses.

2. The sum of $3,000,000 from the general fund in the operating expenses line item included in subdivision 2 of section 2 of this Act and identified as one-time funding in section 2 of this Act for oil and gas litigation expenses.

3. The sum of $230,000 from the general fund in the operating expenses line item included in subdivision 2 of section 1 of this Act for computer server transition.

4. The sum of $80,000 from the general fund in the operating expenses line item included in subdivision 2 of section 1 of this Act and identified as one-time funding in section 2 of this Act for computer server transition.

5. Section 5 of this Act.

6. Section 23 of this Act."

Renumber accordingly

"**SECTION 1. AMENDMENT.** Section 4.1-01.1-07 of the North Dakota Century Code is amended and reenacted as follows:

4.1-01.1-07. Agriculture diversification and development fund - Continuing appropriation.

1. There is created in the state treasury the agriculture diversification and development fund. The fund consists of all moneys transferred to the fund by the legislative assembly, interest upon moneys in the fund, and payments of interest and principal on loans made from the fund. Moneys in the fund are appropriated to the Bank of North Dakota on a continuing basis for loan disbursements~~, grants,~~ and administrative costs pursuant to this section~~. No more than twenty-five percent of the fund may be utilized for grants in a biennium~~, and moneys in the fund are appropriated to the agriculture commissioner on a continuing basis for grants pursuant to this section. The agricultural diversification and development committee shall designate the amount available from the fund for loans and grants.

2. Loans, interest rate buydowns, or grants under subsections 3 and 4 may be issued from the fund to support new or expanding value-added agriculture businesses that demonstrate financial feasibility, enhance profitability for farmers and ranchers, create jobs, and grow the state's economy. Grants under subsection 5 may be issued from the fund for infrastructure improvements necessary for the development or expansion of new or existing value-added agriculture businesses. Value-added agriculture businesses include food production or processing facilities; feed or pet food processing facilities; commodity processing facilities; agriculture product manufacturers; and animal agriculture production facilities, including swine, poultry, dairy, and feed lot production facilities.

3. The Bank of North Dakota shall develop policies for loans from the fund in consultation with the agricultural diversification and development committee. The Bank shall review loan applications. To be eligible for a loan under this section, an entity shall agree to provide the Bank with information as requested. The Bank may develop policies for loan participation with local financial institutions. The Bank shall deposit in the fund all principal and interest paid on the outstanding loans. The Bank may use a portion of the interest paid as a servicing fee to pay for administrative costs, which may not exceed one-half of one percent of the amount of the outstanding loans. ~~The Bank shall contract with a certified public accounting firm to audit the fund if the fund has any loans.~~ The fund must be audited annually pursuant to section 6-09-29, and the cost of the audit must be paid from the fund.

4. The agricultural diversification and development committee shall develop policies for grants from the fund to support new or expanding value-added agriculture businesses, including eligibility criteria, maximum grant amounts, and reporting requirements. Based on recommendations from the agricultural diversification and development committee, the agriculture commissioner shall distribute the grant funding.

5. The agricultural diversification and development committee shall develop policies for grants from the fund to political subdivisions, individuals, or organizations for infrastructure improvements necessary for the development or expansion of new or existing value-added agriculture businesses, including eligibility criteria and reporting requirements. Grants to political subdivisions are limited to one million two hundred fifty thousand dollars per project and may not exceed eighty percent of the infrastructure improvement costs. Grants to individuals or organizations are limited to three hundred fifty thousand dollars and may not exceed eighty percent of the infrastructure improvement costs. Eligible uses of grant funding include water and sewer line improvements and electrical and gas supply improvements. Grant funding may not be used for routine maintenance or operating costs. Based on recommendations from the agricultural diversification and development committee, the agriculture commissioner shall distribute the grant funding."

"**SECTION 1.** A new section to chapter 4.1-01 of the North Dakota Century Code is created and enacted as follows:

Regional livestock development and planning program - Grants.

1. The commissioner shall administer a grant program to assist counties and regional planning councils, as defined in chapter 54-40.1, for livestock development planning. A county or a regional planning council may submit an application for assistance under this section to the commissioner.

2. The commissioner shall award grants to counties and regional planning councils for purposes of coordinating strategic planning and accommodating and encouraging investment in livestock production. Grants shall be awarded for the following activities:

   a. Identification of suitable locations for rural economic development, including confined animal feeding operations, agricultural processing and storage facilities, and other agricultural-related development. The following factors must be considered when identifying suitable locations for rural economic development:

      (1) Local zoning and land use regulations;

      (2) State permitting requirements; and

      (3) Availability of infrastructure and natural resources necessary to accommodate rural economic development projects.

   b. Review and updating of township zoning and land use regulations.

3. Grants awarded under this section may not exceed:

a. Up to eight thousand dollars for every county included in an application for activities described in subdivision a of subsection 2.

b. Up to five hundred dollars for every township included in an application for activities described in subdivision b of subsection 2.

4. Any information created, collected, or maintained by the commissioner which identifies individual parcels of land for rural economic development is confidential and not subject to the open records requirements of section 44-04-18."
