As used in these rules, "absent" means not present, and "present" means being physically in the chamber or room where the session or meeting is being held, ~~and for purposes of a committee meeting, includes participation or participating in the session or meeting~~ by means of interactive video or teleconference call. ~~No A member present and participating remotely has the same rights, privileges, and duties as a member physically present, is deemed to be "on the floor" for purposes of floor sessions, and may vote remotely. A member may not participate on the floor remotely unless the Majority Leader has determined circumstances dictate remote participation is necessitated. A member or officer of the Senate, unless unable to attend due to illness or other cause, may not be absent from a session of the Senate, during an entire day, without first having obtained leave from the Senate, and no one is entitled to draw pay while absent more than one day without leave.~~

SECTION 2. AMENDMENT. Senate Rule 303 is amended as follows:

303. Call of the Senate.

1. Eight members of the Senate may cause a call of the Senate to be ordered and absent members to be sent for, but a call may not be ordered while a vote is being taken.
2. The call being requested, the presiding officer shall require those desiring the call to rise or raise their hands, and if eight or more members rise or raise their hands, the call must be ordered.
3. The call being ordered, the Sergeant-at-Arms shall close the door and allow no members to leave the chamber. A member present and participating remotely may not leave the remote proceeding.

4. The Secretary shall then call the roll and furnish the Sergeant-at-Arms with a list of those members absent without leave, and that officer shall proceed to find and bring in those absentees or compel the absentees' remote participation.
5. While the Senate is under call, no business can be transacted except to receive and act on the report of the Sergeant-at-Arms, and no motion is in order except a motion to suspend further proceedings under the call, and the motion may not be adopted unless a majority of all members-elect vote in favor of the motion.
6. Upon a report of the Sergeant-at-Arms showing that all members who were absent without leave, naming them, are present, the call is at an end, the door must be opened, and the Senate shall proceed with the business pending at the time the call was made.

Every member who is present and participating remotely who wishes to speak shall so indicate by the means designated by the presiding officer and shall wait to speak until recognized by the presiding officer. When two or more members rise at the same time to speak, the presiding officer shall designate the member who is to speak first, but in all other cases the member who rises first and addresses the presiding officer must be the first recognized.

SECTION 4. AMENDMENT. Senate Rule 321 is amended as follows:

321. Vote by members. Every member who is present, before the vote is announced from the chair, shall vote for or against the question before the Senate, unless the Senate excuses the member. If the member has not voted before the key is closed, the member shall vote before the vote is announced. A member cannot cast a vote on behalf of another member unless the vote is cast according to verbal instructions announced to the Senate by that other member while ~~in the chamber~~ present. However, any member who has a personal or private interest in any measure or bill shall disclose the fact to the Senate and may not vote thereon without the consent of the Senate. A "personal or private interest" is an interest that affects the member directly, individually, uniquely, and substantially.

SECTION 5. AMENDMENT. Senate Rule 360 is amended as follows:

360. Electrical voting system and remote voting. Unless otherwise ordered, any vote may be taken by means of the electrical voting system, which is under the control of the presiding officer.
