Section 6 provides that \$1 million appropriated for basinwide plan

implementation is for a pilot project to provide grants for water

Section 7 identifies \$120 million of the amount appropriated in

Section 8 provides for the Bank of North Dakota to extend a

\$100 million line of credit to the Department of Water Resources, of which \$50 million may be used for NAWS and \$50 million may be

conveyance, flood control, and other water projects.

Section 1 is from the water projects stabilization fund.

used for the Southwest Pipeline Project.

Basinwide water plan implementation

Water projects stabilization fund

Economic analyses

Line of credit

The House removed this section.

Section 9 identifies \$123.4 million of the amount appropriated in Section 1 is from the water projects stabilization fund.

Sections 10 and 12 reduce the cost limit at which an economic analyses must be completed for a water project from \$1 million to \$500,000.

Section 11 provides for the Bank of North Dakota to extend a \$100 million line of credit to the Department of Water Resources, of which \$50 million may be used for NAWS and \$50 million may be used for the Southwest Pipeline Project.
