Subject: Testimony in Opposition to HB 1531

Dear Chairman Heinert, Representatives Conmy and Hager, and Education Committee Clerks:

It has come to my attention that House Bill 1531 was amended during the hearing this morning. I thank you for your work for higher education, and I write to strongly OPPOSE the proposed amendments and urge DO NOT PASS on the amended HB 1531.

Because the window for submitting testimony to the original bill closed before the morning hearing, I am submitting my testimony via email and requesting that it be added to the list of public testimony.

While I was not in opposition to the original bill, it is the AMENDMENTS that I strongly OPPOSE. Please see my testimony attached.

Thank you so much for your service to the citizens of our state.
