**"SECTION 10. LEGISLATIVE MANAGEMENT STUDY - COMPOSITION OF  
THE STATE BOARD OF PUBLIC SCHOOL EDUCATION.**

1. During the 2023-24 interim, the legislative management shall consider studying the composition of the state board of public school education. The study must include:
  - a. An analysis of school district boundaries, including a comparison of the implications of creating school districts based on the population of each county as counted every ten years with creating school districts based on legislative districts;
  - b. An analysis of the inclusion of representatives from small and large schools on the board;
  - c. An evaluation of term limits for board members, including staggering terms to ensure continuity of knowledge;
  - d. An evaluation of the benefits and consequences of requiring the composition of the board to include two school district superintendents, two members of a board of a school district, and two citizens at large;
  - e. An evaluation of the benefits and consequences of requiring a minimum or maximum number of candidates to be submitted to the governor and permitting the governor to request a new list of potential candidates once; and
  - f. An analysis of the role and practices of the county superintendent of schools.
2. The legislative management shall report its findings and recommendations, together with any legislation required to implement the recommendations, to the sixty-ninth legislative assembly."
