Testimony in Support of Senate Bill 2230

Mark Jorritsma, Executive Director
North Dakota Family Alliance Legislative Action
March 6, 2023

Good afternoon Chairman Weisz and honorable members of the House Human Services Committee. My name is Mark Jorritsma and I am the Executive Director of North Dakota Family Alliance Legislative Action. We are submitting testimony in support of Senate Bill 2230 and respectfully request that you issue a “DO PASS” on this bill.

With the overturn of *Roe v. Wade* last year and the likely upholding of our state’s Trigger Law on abortions, expectant mothers will be seeking options other than abortion to address their circumstances. That’s where adoption can come in. If as a state, we were the ones to make abortions illegal through our laws, it seems appropriate for us to come alongside these new mothers and help them with alternatives to abortion like adoption.

One way to do this is by helping families looking to adopt. Adoption costs can be substantial, so if there is a way for the State of North Dakota to help facilitate the process, all the better. Also, with the total possible outlay associated with this bill being capped at \$250,000, it mitigates the potential financial impact if adoptions post-*Roe* dramatically increase in North Dakota.

For the aforementioned reasons, North Dakota Family Alliance Legislative Action asks that you issue a “DO PASS” recommendation on SB 2230. With that, I’d be happy to stand for any questions.
