

Testimony in support of: North Dakota House Bill 1538-A Bill for an Act to amend and reenact subsection 20 of section 20.1-02-05 of the North Dakota Century Code

Date: 2/2/2023

Submitted by: Tyler Schlosser, Resident District 37, Dickinson ND

To: Representative Porter and Members of the North Dakota House Energy and Natural Resources Committee:

I am the Chairman of the ND Chapter of Fishin For The Cure 5013C, our organization raises money for local ND families and provide Clinical trials specific to Children cancers. Our founder and hero, Matthew Ross Siegle, founded FFTC in 2008. His goal and mission was to find a cure for childhood cancer, which he had been fighting for 5 years at the time (osteosarcoma). He lost his courageous battle after 7 years. We have bound together to continue his legacy. We ask for your support for HB 1538. It would help to better clarify fishing contests. Our event is our main fundraiser and most if not all participants donate their winnings back, its amazing event. I invite each and every one of you in this room to our event at Beulah Bay on June 17th 2023. ND has been an overwhelming supporter and we look forward to future events.

Thank you

Tyler Schlosser
