10 compensation basis for all main system defined benefit retirement plan employees and
11 all defined contribution retirement plan employees sufficient under the actuarial
12 valuation to meet both the normal cost plus the actuarially determined amount
13 required to amortize the unfunded accrued liability of the main plan over a closed
14 period of two hundred forty-six months, beginning January 1, 2026, and continuing
15 through June 30, 2046. By November fifteenth of each even-numbered year the board
16 shall publish the contribution rate required under this subsection. The board shall
17 calculate this rate based on the July first actuarial report of that year.

18 ~~b. Each participating political subdivision shall contribute an amount equal to eight~~
19 ~~and twelve-hundredths percent of the monthly salary or wage of a participating~~
20 ~~member.~~

21 ~~c. For a participating member who first enrolls after December 31, 2019, the~~
22 ~~governmental unit a participating political subdivision shall contribute an additional~~
23 ~~amount equal to one and fourteen-hundredths percent of the monthly salary or~~
24 ~~wage of the participating member.~~

25 2. For those members who elect to exercise their rights under section 54-52-17.14, the
26 employing governmental unit, or in the case of a member not presently under
27 covered employment the most recent employing governmental unit, shall pay the
28 associated employer contribution. If the employee's contribution is paid by the
29 governmental unit under subsection 3 of section 54-52-05, the employer unit
30 shall contribute, in addition, an amount equal to the required employee's
31 contribution. Each governmental unit shall pay the contribution monthly, or in the

1 case of an election made pursuant to section 54-52-17.14 a lump sum, into the
2 retirement fund from the governmental unit's funds appropriated for payroll and
3 salary or any other funds available for these purposes. Any governmental unit
4 failing to pay the contributions monthly, or in the case of an election made
5 pursuant to section 54-52-17.14 a lump sum, or failing to otherwise comply with
6 the board's established wage reporting or payroll reporting process requirements,
7 is subject to a civil penalty of fifty dollars and, as interest, one percent of the
8 amount due for each month of delay or fraction of a month after the payment
9 became due. In lieu of assessing a civil penalty or one percent per month, or
10 both, interest at the actuarial rate of return may be assessed for each month the
11 contributions are delinquent. If contributions are paid within ninety days of the
12 date the contributions became due, penalty and interest to be paid on delinquent
13 contributions may be waived.

14 3. An employer is required to submit contributions for any past eligible employee who
15 was employed after July 1, 1977, for which contributions were not made if the
16 employee would have been eligible to become vested had the employee participated
17 and if the employee elects to join the public employees retirement system. Employer
18 contributions may not be assessed for eligible service that an employee has waived
19 pursuant to subsection 1 of section 54-52-05.

20 4. Annually, the board shall report to the employee benefits programs committee the
21 contributions necessary, as determined by the actuarial study, to maintain the fund's
22 actuarial soundness.

27 1. An employee has a contract with the employer for purposes of retirement plan
28 obligations arising out of a public employee retirement system under this chapter. A

29 provision of law relating to the use and investment of public employee retirement funds
30 must be deemed a part of the employment contracts of the employees participating in
31 any public employee retirement system. This subsection does not prevent the state

1 from increasing or decreasing employee or employer contribution rates for a public
2 employee retirement system under this chapter.

3 2. All moneys from any source paid into any public employee retirement system fund
4 created by the laws of this state must be used and invested only for the exclusive
5 benefit of the members, retirees, and beneficiaries of ~~that~~the retirement system,
6 including the payment of system administrative costs.

10 board, an employee who has service credit in the system and in any of the plans
11 described in paragraphs 1 and 2 of subdivision a is entitled to benefits under this
12 chapter. The benefits of a temporary employee employed after July 31, 2015,
13 must be calculated using the benefit formula in section 54-52-17. A permanent
14 employee or a temporary employee employed before August 1, 2015, may elect
15 to have benefits calculated using the benefit formula in section 54-52-17 under
16 either of the following methods:

17 (1) The final average salary as calculated in section 54-52-17. If the
18 participating member has worked for less than thirty-six months at

22 with any of the three eligible employers under this subdivision, with service
23 credit not to exceed one month in any month when combined with the
24 service credit earned in the alternate retirement system.

25 ~~**SECTION 15.** Section 54-52.2-09 of the North Dakota Century Code is created and enacted~~
26 ~~as follows:~~

27 ~~**54-52.2-09. Employer match for members of defined contribution retirement plan.**~~

29 ~~54-52.6 after December 31, 2024, who elects to contribute less than the optional three percent~~
30 ~~of wages or salary under subdivision b of subsection 1 of section 54-52.6-09, who participates~~
31 ~~in the deferred compensation program under this chapter, qualifies for employer matching of~~

~~contributions made under this section. The employee may elect to contribute an amount of wages or salary which does not exceed any remaining balance of the optional three percent contribution and the employer shall match this contribution. This section does not limit the ability of an employee to contribute unmatched wages or salary under this chapter, subject to federal contribution limitations.~~

27 amended and reenacted as follows:

28 **54-52.6-02. Election ~~through December 31, 2024.~~**

- 29 1. The board shall provide an opportunity for each eligible employee who is a member of
30 the public employees retirement system on September 30, 2001, and who has not
31 made a written election under this section to transfer to the defined contribution

1 retirement plan before October 1, 2001, to elect in writing to terminate membership in
2 the public employees retirement system and elect to become a participating member
3 under this chapter. Except as provided in section 54-52.6-03, an election made by an
4 eligible employee under this section is irrevocable. The board shall accept written
5 elections under this section from eligible employees during the period beginning on
6 July 1, 1999, and ending 12:01 a.m. December 14, 2001. An eligible employee who
7 does not make a written election or who does not file the election during the period
8 specified in this section continues to be a member of the public employees retirement
9 system. An eligible employee who makes and files a written election under this section
10 ceases to be a member of the public employees retirement system effective twelve
11 midnight December 31, 2001; becomes a participating member in the defined
12 contribution retirement plan under this chapter effective 12:01 a.m. January 1, 2002;
13 and waives all of that person's rights to a pension, annuity, retirement allowance,
14 insurance benefit, or any other benefit under the public employees retirement system
15 effective December 31, 2001. This section does not affect a person's an individual's
16 right to health benefits or retiree health benefits under chapter 54-52.1. An eligible
17 employee who is first employed and entered upon the payroll of that person's
18 employer after September 30, 2001, and before January 1, 2025, may make an
19 election to participate in the defined contribution retirement plan established under this
20 chapter at any time during the first six months after the date of employment. If the
21 board, in its sole discretion, determines that the employee was not adequately notified
22 of the employee's option to participate in the defined contribution retirement plan, the
23 board may provide the employee a reasonable time within which to make that election,
24 which may extend beyond the original six-month decision window.

- 25 2. If an individual who is a deferred member of the public employees retirement system
26 on September 30, 2001, is re-employed before January 1, 2025, and by virtue of that
27 employment is again eligible for membership in the public employees retirement
28 system under chapter 54-52, the individual may elect in writing to remain a member of
29 the public employees retirement system or if eligible to participate in the defined
30 contribution retirement plan established under this chapter to terminate membership in
31 the public employees retirement system and become a participating member in the

1 defined contribution retirement plan established under this chapter. An election made
2 by a deferred member under this section is irrevocable. The board shall accept written
3 elections under this section from a deferred member during the period beginning on
4 the date of the individual's re-employment and ending upon the expiration of six
5 months after the date of that re-employment. If the board, in its sole discretion,
6 determines that the employee was not adequately notified of the employee's option to
7 participate in the defined contribution retirement plan, the board may provide the
8 employee a reasonable time within which to make that election, which may extend
9 beyond the original six-month decision window. A deferred member who makes and
10 files a written election to remain a member of the public employees retirement system
11 retains all rights and is subject to all conditions as a member of that retirement system.
12 A deferred member who does not make a written election or who does not file the
13 election during the period specified in this section continues to be a member of the
14 public employees retirement system. A deferred member who makes and files a
15 written election to terminate membership in the public employees retirement system
16 ceases to be a member of the public employees retirement system effective on the
17 last day of the payroll period that includes the date of the election; becomes a
18 participating member in the defined contribution retirement plan under this chapter
19 effective the first day of the payroll immediately following the date of the election; and
20 waives all of that person's rights to a pension, an annuity, a retirement allowance,
21 insurance benefit, or any other benefit under the public employees retirement system
22 effective the last day of the payroll that includes the date of the election. This section
23 does not affect any right to health benefits or retiree health benefits to which the
24 deferred member may otherwise be entitled.

- 25 3. An eligible employee who elects under this section to participate in the retirement plan
26 established under this chapter must remain a participant even if that employee returns
27 to the classified service or becomes employed by a political subdivision that
28 participates in the public employees retirement system. The contribution amount must
29 be as provided in this chapter, regardless of the position in which the employee is
30 employed. Notwithstanding the irrevocability provisions of this chapter, if a member
31 who elects to participate in the retirement plan established under this chapter

1 becomes a supreme or district court judge, becomes a member of the highway patrol,
2 becomes employed in a position subject to teachers' fund for retirement membership,
3 or becomes an employee of the board of higher education or state institution under the
4 jurisdiction of the board of higher education who is eligible to participate in an
5 alternative retirement program established under subsection 6 of section 15-10-17, the
6 member's status as a member of the defined contribution retirement plan is
7 suspended, and the member becomes a new member of the retirement plan for which
8 that member's new position is eligible. The member's account balance remains in the
9 defined contribution retirement plan, but no new contributions may be made to that
10 account. The member's service credit and salary history that were forfeited as a result
11 of the member's transfer to the defined contribution retirement plan remain forfeited,
12 and service credit accumulation in the new retirement plan begins from the first day of
13 employment in the new position. If the member later returns to employment that is
14 eligible for the defined contribution retirement plan, the member's suspension must be
15 terminated, the member again becomes a member of the defined contribution
16 retirement plan, and the member's account resumes accepting contributions. At the
17 member's option, and pursuant to rules adopted by the board, the member may
18 transfer any available balance as determined by the provisions of the alternate
19 retirement plan into the member's account under this chapter.

- 20 4. After consultation with its actuary, the board shall determine the method by which a
21 participating member or deferred member may make a written election under this
22 section. If the participating member or deferred member is married at the time of the
23 election, the election is not effective unless the election is signed by the individual's
24 spouse. However, the board may waive this requirement if the spouse's signature
25 cannot be obtained because of extenuating circumstances.
- 26 5. If the board receives notification from the internal revenue service that this section or
27 any portion of this section will cause the public employees retirement system or the
28 retirement plan established under this chapter to be disqualified for tax purposes
29 under the Internal Revenue Code, then the portion that will cause the disqualification
30 does not apply.

- 1 6. A participating member under this section who becomes a temporary employee may
2 still participate in the defined contribution retirement plan upon filing an election with
3 the board within one hundred eighty days of transferring to temporary employee
4 status. The participating member may not become a member of the defined benefit
5 plan as a temporary employee.
- 6 a. The temporary employee electing to participate in the defined contribution
7 retirement plan shall pay ~~monthly to the fund an amount equal to eight and twelve~~
8 ~~hundredths percent times the temporary employee's present monthly salary. The~~
9 ~~amount required to be paid by a temporary employee increases by two percent~~
10 ~~times the temporary employee's present monthly salary beginning with the~~
11 ~~monthly reporting period of January 2012, and with an additional increase of two~~
12 ~~percent, beginning with the monthly reporting period of January 2013, and with~~
13 ~~an additional increase of two percent, beginning with the monthly reporting period~~
14 ~~of January 2014. The temporary employee shall also pay the required monthly~~
15 ~~contribution to the retiree health benefit fund established under section~~
16 ~~54-52.1-03.2. This contribution must be recorded as a member contribution~~
17 ~~pursuant to section 54-52.1-03.2 into the plan as provided under section~~
18 54-52.6-09.6.
- 19 b. An employer may not pay the temporary employee's contributions.
- 20 c. A temporary employee may continue to participate as a temporary employee until
21 termination of employment or reclassification of the temporary employee as a
22 permanent employee.
- 23 7. A former participating member under this section who has accepted a retirement
24 distribution pursuant to section 54-52.6-13 and who subsequently becomes employed
25 by an entity different from the employer with which the member was employed at the
26 time the member retired but which does participate in any state-sponsored retirement
27 plan may, before re-enrolling in the defined contribution retirement plan, elect to
28 permanently waive future participation in the defined contribution retirement plan,
29 whatever plan in which the new employing entity participates, and the retiree health
30 program and maintain that member's retirement status. Neither the member nor the

1 employer are required to make any future retirement contributions on behalf of that
2 employee.

3 8. After December 31, 2024, an eligible employee is no longer allowed to elect
4 participation under this section.

5 **SECTION 15.** Section 54-52.6-02.1 of the North Dakota Century Code is created and
6 enacted as follows:

7 **54-52.6-02.1. Participation in defined contribution retirement plan.**

8 1. Except as otherwise provided under section 54-52-02.5 or 54-52-02.15 or this chapter,
9 effective January 1, 2025, an eligible employee who is first enrolled shall participate in
10 the defined contribution retirement plan under this chapter.

11 2. A temporary employee may elect to participate in the defined contribution retirement
12 plan as provided under section 54-52.6-09.6.

13 3. A county elected official may elect to participate in the defined contribution retirement
14 plan as provided under section 54-52-02.11.

15 4. A nonstate appointed official shall participate in the defined contribution retirement
16 plan as provided under section 54-52-02.12.

17 ~~SECTION 18. Section 54-52.6-02.2 of the North Dakota Century Code is created and~~
18 ~~enacted as follows:~~

19 ~~**54-52.6-02.2. Election after December 31, 2024 – Additional employer contribution.**~~

20 ~~1. As used in this section, "eligible employee" means a permanent state employee who~~
21 ~~on January 1, 2025, is a participating member of the public employees retirement~~
22 ~~system main system plan under chapter 54-42, who has been a participating member~~
23 ~~under chapter 54-52 for no more than five years, and who is at least eighteen years of~~
24 ~~age.~~

25 ~~2. The board shall provide a three-month election period, from January 1, 2025, through~~
26 ~~March 31, 2025, for an eligible employee to transfer to the defined contribution plan~~
27 ~~under this chapter pursuant to the rules and policies adopted by the board.~~

28 ~~a. An election under this section made by a member of the public employees~~
29 ~~retirement system under chapter 54-52 to transfer to the defined contribution~~
30 ~~retirement plan under this chapter is irrevocable.~~

1 ~~b. For an eligible employee who elects to transfer from the public employees-~~
2 ~~retirement system under chapter 54-52 to the defined contribution retirement plan-~~
3 ~~under this chapter, the board shall transfer a lump sum amount from the public-~~
4 ~~employees retirement system fund to the member's account in the defined-~~
5 ~~contribution retirement plan under this chapter. However, if the eligible employee-~~
6 ~~terminates employment before receiving the lump sum transfer under this-~~
7 ~~section, the election made is ineffective and the eligible employee remains a-~~
8 ~~member of the public employees retirement system under chapter 54-52 and-~~
9 ~~retains all the rights and privileges under that chapter.~~

10 ~~c. The board shall calculate the lump sum amount to be transferred based on the-~~
11 ~~actuarial present value of the eligible employee's accumulated benefit obligation-~~
12 ~~under the public employees retirement system based on the assumption the-~~
13 ~~eligible employee will retire under the earlier applicable normal retirement age,-~~
14 ~~plus interest from January 1, 2025, to the date of transfer, at the rate of one-half-~~
15 ~~of one percent less than the actuarial interest assumption at the time of the-~~
16 ~~election.~~

17 ~~d. This section does not affect an eligible individual's right to health benefits under-~~
18 ~~chapter 54-52.1.~~

19 ~~3. The state employer of an eligible employee who elects under this section to participate-~~
20 ~~in the defined contribution retirement plan under this chapter shall pay an additional-~~
21 ~~annual contribution of three thousand three hundred and thirty three dollars for up to-~~
22 ~~three years. Under this subsection, the employer shall pay the additional contribution-~~
23 ~~each year the eligible employee continues permanent employment with the state,-~~
24 ~~beginning January 2026, and extending no further than January 2028.~~

25 ~~4. If the board receives notification from the internal revenue service that this section or-~~
26 ~~any portion of this section will cause the public employees retirement system or the-~~
27 ~~retirement plan established under this chapter to be disqualified for tax purposes-~~
28 ~~under the Internal Revenue Code, that portion that will cause the disqualification does-~~
29 ~~not apply.~~

30 **SECTION 16. AMENDMENT.** Section 54-52.6-03 of the North Dakota Century Code is
31 amended and reenacted as follows:

1 **54-52.6-03. Transfer of accumulated fund balances.**

2 1. For an individual who elects under section 54-52.6-02 to terminate membership in the
3 public employees retirement system under chapter 54-52, the board shall transfer a
4 lump sum amount from the retirement fund to the participating member's account in
5 the defined contribution retirement plan under this chapter. However, if the individual
6 terminates employment ~~prior to~~before receiving the lump sum transfer under this
7 section, the election made under section 54-52.6-02 is ineffective and the individual
8 remains a member of the public employees retirement system under chapter 54-52
9 and retains all the rights and benefits provided under that chapter. The board shall
10 calculate the amount to be transferred for persons employed before October 1, 2001,
11 using the two following formulas, and shall transfer the greater of the two amounts
12 obtained:

13 1.a. The actuarial present value of the individual's accumulated benefit obligation
14 under the public employees retirement system based on the assumption that the
15 individual will retire under the earliest applicable normal retirement age, plus
16 interest from January 1, 2001, to the date of transfer, at the rate of one-half of
17 one percent less than the actuarial interest assumption at the time of the election;
18 or

19 2.b. The actual employer contribution made, less vested employer contributions made
20 pursuant to section 54-52-11.1, plus compound interest at the rate of one-half of
21 one percent less than the actuarial interest assumption at the time of the election
22 plus the employee account balance.

23 2. The board shall calculate the amount to be transferred for persons employed after
24 September 30, 2001, and before January 1, 2025, using only the formula contained in
25 subdivision b of subsection 21.

26 **SECTION 17. AMENDMENT.** Section 54-52.6-05 of the North Dakota Century Code is
27 amended and reenacted as follows:

28 **54-52.6-05. Direction of investments.**

29 1. Each participating member shall direct the investment of the individual's accumulated
30 employer and employee contributions and earnings to one or more investment choices
31 within available categories of investment provided by the board. ~~The board shall follow~~

~~federal guidelines for establishing a qualified default investment alternative for contributions made by a participating member who fails to provide explicit investment direction. The qualified default investment alternative must include an in-plan annuity. If a participating member does not elect an investment option upon enrollment into the defined contribution retirement plan, the board shall automatically enroll the participating member into the qualified default investment alternative option.~~

2. The board shall provide an investment menu of investment options. In establishing the investment options, the board shall:
 - a. Include predetermined investment portfolio options constructed to reflect different risk profiles that automatically reallocate and rebalance contributions as a participating member ages.
 - b. Allow a participating member to construct an investment portfolio using some or all of the investment options.
3. The board shall provide a diversified menu of mutual funds and in-plan lifetime annuity options, either fixed, variable, or a combination of both. In selecting an annuity provider the board shall comply with section 54-52.6-05.1.
