

HB 1473 – Biological bathrooms/locker rooms

Dear Members of the Senate Human Services Committee,

My name is Shawna Grubb and I reside in District 35. I am writing today to urge you to vote yes on HB 1473.

- The Gender Ideology movement is imperialistic in nature, meaning it will continue to spread until it dominates every law and policy in every state. It's time for North Dakota to play offense - not defense - against this destructive cult.
- Finding accommodations for individuals who identify as transgender need not come at the cost of bodily privacy and safety for people across the board, especially that of women and children.

Thank you for your consideration of this important topic and your service to the people of District 35.
