

**Testimony in Support of SB 2195**

Dr. Daniel Scrimshaw, DO, Emergency Medicine Physician

Dr. Lovita Scrimshaw, DO, Emergency Medicine Physician

American Academy of Medical Ethics, North Dakota State Directors

January 26, 2023

Good morning Madam Chair Lee and the honorable members of the Senate Human Services Committee. We are physicians in Minot, ND, and also serve as the North Dakota State Directors of the American Academy of Medical Ethics. We are testifying in regard to SB 2195 and respectfully request that you render a "DO PASS" on this bill to provide pregnancy resource funding. It is important that North Dakota support pregnant women/mothers.
