

My name is Lydia Gessele and I reside, on the land, in District 14. I would like to voice my support for HCR 3010. We need to urge public schools and public entities, including agencies or departments that collect vital statistics, to protect women's rights by distinguishing between the sexes according to biological sex at birth for the purpose of providing equal opportunities and ensuring the privacy and safety of women and girls. The Gender Ideology movement is imperialistic in nature, meaning it will continue to spread until it dominates every law and policy in every state. It's time for North Dakota to play offense - not defense - against this destructive cult. This resolution is a step in that direction. I support a DO PASS on HCR 3010. Thank you for your time.
