

Dear Chair Larson and the members of the Senate Judiciary Committee,

My name is Mariah Ralston Deragon and I urge a “Do Not Pass” on HB1249. I think this bill is discriminatory, and is being brought to the legislature as part of a larger anti- LGBTQIA+ agenda. This bill will harm transgender and gender non-conforming students.

This bill is deeply misguided.

It protects no one, and rather will hurt us all.

I strongly urge you to vote “DO NOT PASS.”

Sincerely,

Mariah Ralston Deragon
