The capitol grounds planning commission shall confer with the state council on the arts with respect to the artistic value of monuments, memorials, or works of art to be constructed on the capitol grounds and with qualified consultants retained by it to select sites for buildings, facilities, monuments, memorials, or works of art to be constructed on the capitol grounds. The commission shall develop and modify long-term plans for the development of the capitol grounds. The commission shall approve or disapprove the basic style-and, exterior construction, and physical and aesthetic features of the public interior areas of any building, facility, monument, memorial, or work of art constructed on the capitol grounds. Except as otherwise provided by this section, the commission has exclusive authority to accept or reject gifts of any type or class of property for exterior placement on the capitol grounds or for the improvement of

the exterior construction of any building or facility on the capitol grounds, including landscaping

and improvements to the capitol grounds. Any gifts of money accepted pursuant to this section must be deposited in the capitol building fund and are appropriated on a continuing basis to the commission for purposes consistent with this section. No construction or placement of an item on the capitol grounds may be undertaken without the approval of the commission, unless the construction or placement is authorized by the legislative assembly. If the legislative assembly by law or resolution authorizes the construction or placement of an item on the capitol grounds, the commission shall approve the site, basic style, and exterior construction of the item within a reasonable period of time.

The commission shall advise the director of the office of management and budget and the legislative council on matters relating to the physical and aesthetic features of the <u>nonpublic</u> interior <u>areas</u> of all buildings on the capitol grounds. The commission must be called in and shall meet whenever major interior changes, including new construction, remodeling, or renovation of any kind, are proposed or considered for the buildings or facilities on the capitol grounds. The commission must be consulted before the purchase or installation of furniture or fixtures in public areas of the capitol and other buildings on the capitol grounds. The commission may receive reports on new facility construction and remodeling projects exceeding five million dollars, including owned and leased facilities from which the state operates. The commission may not receive new facility construction and remodeling reports on facilities operated by entities under the control of the state board of higher education or the national guard. The commission shall perform any other duties as may be prescribed by law.

SECTION 2. A new section to chapter 54-35 of the North Dakota Century Code is created and enacted as follows:

## Facility construction committee - Powers and duties.

1. The legislative management, during each biennium, shall appoint a facility construction committee in the same manner as the legislative management appoints other interim committees. The legislative management shall appoint seven members of the house of representatives, at least one of whom must represent the minority faction of the house of representatives, and six members of the senate, at least one of whom must represent the minority faction of the senate, to the committee.

Appointment to the committee is for a term of two years at the discretion of the legislative management. The legislative management shall designate the chairman of

## Sixty-ninth Legislative Assembly

1 8. The committee shall report the findings and recommendations of the committee, along with any necessary legislation, to the legislative management and to the legislative assembly.
