3 - Bill and Fiscal Impact Summary

Provide a brief summary of the measure, including description of the provisions having fiscal impact (limited to 300 characters).

This bill provides for the Legislative Assembly to meet throughout the year.

4 - Fiscal Impact Sections Detail

Identify and provide a brief description of the sections of the measure which have fiscal impact. Include any assumptions and comments relevant to the analysis.

This bill provides for the Legislative Assembly to meet in regular session for three consecutive days each month from January through November of each year plus 7 consecutive other days as needed each year.

5 - Revenues Detail

For information shown under state fiscal effect in 1 or 2, please explain the revenue amounts. Provide detail, when appropriate, for each revenue type and fund affected and any amounts included in the executive budget.

6 - Expenditures Detail

For information shown under state fiscal effect in 1 or 2, please explain the expenditure amounts. Provide detail, when appropriate, for each agency, line item, and fund affected and the number of FTE positions affected.

For the 2025-27 biennium, there would be one-time savings because the Legislative Assembly would meet for fewer days during January through June of 2027. Ongoing expenses beginning in the 2027-29 biennium would increase because, although the Legislative Assembly would meet for the same number of legislative days, legislator pay and mileage and lodging costs would increase because of additional travel days throughout the biennium. The cost of temporary session employees is also anticipated to increase. The amounts shown do not reflect any change to cost of the interim legislative committee process, anticipating it would continue similarly to the current process.

7 - Appropriations Detail

For information shown under state fiscal effect in 1 or 2, please explain the appropriation amounts. Provide detail, when appropriate, for each agency and fund affected. Explain the relationship between the amounts shown for expenditures and appropriations. Indicate whether the appropriation or a part of the appropriation is included in the executive budget or relates to a continuing appropriation.
