Legislative Assembly
of North Dakota

**FIRST ENGROSSMENT
with House Amendments**

ENGROSSED SENATE BILL NO. 2323

Introduced by

Senators Bekkedahl, Sorvaag, Hogue

Representatives Lefor, Brandenburg, Richter

1 A BILL for an Act to amend and reenact sections 57-51-15 and 57-51.1-07.5 of the North
2 Dakota Century Code, relating to oil and gas gross production tax allocations and the state
3 share of oil and gas tax allocations; to provide for a legislative management report; to provide
4 an exemption; and to provide an effective date.

5 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

6 **SECTION 1. AMENDMENT.** Section 57-51-15 of the North Dakota Century Code is
7 amended and reenacted as follows:

8 **57-51-15. Gross production tax allocation - Report. (~~Effective through June 30, 2027~~)**

9 ~~The gross production tax must be allocated monthly as follows:~~

10 ~~1. The tax revenue collected under this chapter equal to one percent of the gross value~~
11 ~~at the well of the oil and one-fifth of the tax on gas must be deposited with the state~~
12 ~~treasurer. The state treasurer shall allocate the funding in the following order:~~

13 ~~a. Eight percent of the amount available under this subsection to the North Dakota~~
14 ~~outdoor heritage fund, but not in an amount exceeding twenty million dollars per~~
15 ~~fiscal year.~~

16 ~~b. Four percent of the amount available under this subsection to the abandoned oil~~
17 ~~and gas well plugging and site reclamation fund, but not in an amount exceeding~~
18 ~~seven million five hundred thousand dollars per fiscal year and not in an amount~~
19 ~~that would bring the balance in the fund to more than one hundred million~~
20 ~~dollars.~~

21 ~~c. Any remaining revenues pursuant to subsection 3.~~

d. For purposes of this subsection, "fiscal year" means the period beginning September first and ending August thirty-first of the following calendar year.

2. The tax revenue collected under this chapter equal to four percent of the gross value at the well of the oil and four-fifths of the tax on gas must be deposited with the state treasurer. The state treasurer shall allocate the funding in the following order:

a. The first five million dollars of collections received from a county each fiscal year is allocated to the county.

b. The remaining revenue collections received from a county each fiscal year are allocated thirty percent to the county and seventy percent as follows:

(1) Monthly amounts to the hub city funding pool to provide fifteen million four hundred thousand dollars per fiscal year for the allocations under paragraph 2 of subdivision a of subsection 5.

(2) Monthly amounts to the hub city school district funding pool to provide two million one hundred thousand dollars per fiscal year for the allocations under paragraph 3 of subdivision a of subsection 5.

(3) Monthly amounts to the supplemental school district funding pool to provide seventy percent of the total amount needed for the allocations under paragraph 4 of subdivision a of subsection 5.

(4) Any remaining revenue collections to the state for the state's allocations pursuant to subsection 3.

e. For purposes of this subsection, "fiscal year" means the period beginning September first and ending August thirty-first of the following calendar year.

3. After the allocations under subsections 1 and 2, the amount remaining is allocated first to provide for deposit of thirty percent of all revenue collected under this chapter in the legacy fund as provided in section 26 of article X of the Constitution of North Dakota and the remainder must be allocated to the state general fund. If the amount available for a monthly allocation under this subsection is insufficient to deposit thirty percent of all revenue collected under this chapter in the legacy fund, the state treasurer shall transfer the amount of the shortfall from the state general fund share of oil extraction tax collections and deposit that amount in the legacy fund.

- 1 4. ~~For a county that received less than five million dollars of allocations under~~
2 ~~subsection 2 in the most recently completed even-numbered fiscal year before the~~
3 ~~start of the biennium, revenues allocated to that county must be distributed by the~~
4 ~~state treasurer as follows:~~
- 5 a. ~~Forty-five percent must be distributed to the county treasurer and credited to the~~
6 ~~county general fund.~~
- 7 b. ~~Thirty-five percent must be distributed proportionally to school districts within the~~
8 ~~county on the average daily attendance distribution basis for kindergarten-~~
9 ~~through grade twelve students residing within the county, as certified to the state~~
10 ~~treasurer by the county superintendent of schools. However, a hub city school~~
11 ~~district must be omitted from distributions under this subdivision.~~
- 12 c. ~~Twenty percent must be distributed to the incorporated cities of the county. A hub-~~
13 ~~city must be omitted from distributions under this subdivision. Distributions~~
14 ~~among cities under this subsection must be proportional based upon the~~
15 ~~population of each incorporated city according to the last official decennial federal~~
16 ~~census. In determining the population of any city in which total employment~~
17 ~~increases by more than two hundred percent seasonally due to tourism, the~~
18 ~~population of that city for purposes of this subdivision must be increased by eight~~
19 ~~hundred percent.~~
- 20 d. ~~For purposes of this subsection, "fiscal year" means the period beginning~~
21 ~~September first and ending August thirty-first of the following calendar year.~~
- 22 5. ~~For a county that received five million dollars or more of allocations under subsection 2-~~
23 ~~in the most recently completed even-numbered fiscal year before the start of the~~
24 ~~biennium, revenues allocated to that county must be distributed by the state treasurer~~
25 ~~as follows:~~
- 26 a. ~~A portion of the revenues from each county must be distributed to a hub city~~
27 ~~funding pool, a hub city school district funding pool, and a supplemental school~~
28 ~~district funding pool as follows:~~
- 29 (1) ~~The amount distributed from each county to the funding pools under this~~
30 ~~subdivision must be proportional to each county's monthly oil and gas gross~~
31 ~~production tax revenue collections relative to the combined total monthly oil~~

and gas gross production tax revenue collections from all the counties that receive allocations under this subsection.

(2) The state treasurer shall distribute, to the hub city funding pool, the monthly amount needed from each county to provide six million six hundred thousand dollars per fiscal year for the allocations under this paragraph.

(a) The state treasurer shall allocate monthly amounts from the hub city funding pool to provide a combined total of twenty-two million dollars per fiscal year to all the hub cities, which includes the fifteen million four hundred thousand dollars under paragraph 1 of subdivision b of subsection 2 and the six million six hundred thousand dollars under this paragraph. The monthly allocation to each hub city must be proportional to each hub city's impact percentage score, including fractional percentage points rounded to the nearest tenth of a percent, relative to the combined total of all the hub cities' impact percentage scores.

(b) The state treasurer shall calculate the impact percentage score for each hub city by summing the following:

[1] The percentage of mining, quarrying, and oil and gas extraction employment relative to the total employment of all industries in the county in which the hub city is located, based on the most recent annual data for all ownership types compiled by job service North Dakota in the quarterly census of employment and wages, multiplied by forty-five hundredths;

[2] The average of the percentage of mining, quarrying, and oil and gas extraction employment relative to the total employment of all industries in each county for all the counties in the human service region in which the hub city is located, based on the most recent annual data for all ownership types compiled by job service North Dakota in the quarterly census of employment and wages, multiplied by fifteen hundredths;

- [3] ~~The percentage of establishments engaged in mining, quarrying, and oil and gas extraction relative to the total establishments of all industries in the county in which the hub city is located, based on the most recent annual data for all ownership types compiled by job service North Dakota in the quarterly census of employment and wages, multiplied by one-tenth;~~
- [4] ~~The percentage of oil production in the human service region in which the hub city is located relative to the total oil production in all the human service regions with hub cities, based on the most recently available calendar year data compiled by the industrial commission in a report on the historical barrels of oil produced by county, multiplied by one-tenth;~~
- [5] ~~The percentage change in population from five years prior for the hub city, based on the most recent actual or estimated census data published by the United States census bureau, multiplied by one-tenth; and~~
- [6] ~~The percentage change in population from five years prior for the county in which the hub city is located, based on the most recent actual or estimated census data published by the United States census bureau, multiplied by one-tenth.~~
- (e) ~~For purposes of this paragraph, "human service region" means the areas designated by the governor's executive order 1978-12 dated October 5, 1978.~~
- (3) ~~The state treasurer shall distribute, to the hub city school district funding pool, the monthly amount needed from each county to provide nine hundred thousand dollars per fiscal year for the allocations under this paragraph.~~
- (a) ~~The state treasurer shall allocate monthly amounts from the hub city school district funding pool to provide a combined total of three million dollars per fiscal year to all the hub city school districts, which includes the two million one hundred thousand dollars under paragraph 2 of subdivision b of subsection 2 and the nine hundred~~

thousand dollars under this paragraph. The monthly allocation to each hub city school districts must be proportional to each hub city school district's impact percentage score, including fractional percentage points rounded to the nearest tenth of a percent, relative to the combined total of all the hub cities' impact percentage scores.

(b) For the purpose of determining the impact percentage score for each hub city school district, the state treasurer shall use the same impact percentage score as the corresponding score calculated for each hub city in paragraph 2.

(4) The state treasurer shall distribute, to the supplemental school district funding pool, the monthly amount needed from each county to provide for thirty percent of the total allocations under this paragraph. To each county that received more than five million dollars but less than thirty million dollars of total allocations under subsection 2 in the most recently completed even-numbered fiscal year before the start of the biennium, the state treasurer shall allocate a monthly amount from the supplemental school district funding pool which will be added to the distributions to school districts under paragraph 2 of subdivision b, as follows:

(a) To each county that received more than five million dollars but not exceeding ten million dollars of total allocations under subsection 2 in the most recently completed even-numbered fiscal year before the start of the biennium, the state treasurer shall allocate a monthly amount that will provide a total allocation of one million five hundred thousand dollars per fiscal year. The allocation must be distributed to school districts within the county pursuant to paragraph 2 of subdivision b.

(b) To each county that received more than ten million dollars but not exceeding fifteen million dollars of total allocations under subsection 2 in the most recently completed even-numbered fiscal year before the start of the biennium, the state treasurer shall allocate a monthly amount that will provide a total allocation of one million two hundred

1 fifty thousand dollars per fiscal year. The allocation must be distributed
2 to school districts within the county pursuant to paragraph 2 of
3 subdivision b.

4 (c) To each county that received more than fifteen million dollars but not
5 exceeding twenty million dollars of total allocations under subsection 2
6 in the most recently completed even-numbered fiscal year before the
7 start of the biennium, the state treasurer shall allocate a monthly
8 amount that will provide a total allocation of one million dollars per
9 fiscal year. The allocation must be distributed to school districts within
10 the county pursuant to paragraph 2 of subdivision b.

11 (d) To each county that received more than twenty million dollars but not
12 exceeding twenty-five million dollars of total allocations under
13 subsection 2 in the most recently completed even-numbered fiscal
14 year before the start of the biennium, the state treasurer shall allocate
15 a monthly amount that will provide a total allocation of seven hundred
16 fifty thousand dollars per fiscal year. The allocation must be distributed
17 to school districts within the county pursuant to paragraph 2 of
18 subdivision b.

19 (e) To each county that received more than twenty-five million dollars but
20 not exceeding thirty million dollars of total allocations under
21 subsection 2 in the most recently completed even-numbered fiscal
22 year before the start of the biennium, the state treasurer shall allocate
23 a monthly amount that will provide a total allocation of five hundred
24 thousand dollars per fiscal year. The allocation must be distributed to
25 school districts within the county pursuant to paragraph 2 of
26 subdivision b.

27 b. After the distributions in subdivision a, each county's remaining revenues must be
28 distributed as follows:

29 (1) Sixty percent must be distributed to the county treasurer and credited to the
30 county general fund.

- (2) Five percent must be distributed proportionally to school districts within the county on the average daily attendance distribution basis for kindergarten through grade twelve students residing within the county, as certified to the state treasurer by the county superintendent of schools. However, a hub city school district must be omitted from distributions under this subdivision.
- (3) Twenty percent must be distributed to the incorporated cities of the county. A hub city must be omitted from distributions under this subdivision. Distributions among cities under this subsection must be proportional based upon the population of each incorporated city according to the last official decennial federal census. In determining the population of any city in which total employment increases by more than two hundred percent seasonally due to tourism, the population of that city for purposes of this subdivision must be increased by eight hundred percent.
- (4) Four percent must be allocated among the organized and unorganized townships of the county. The state treasurer shall allocate the funds available under this subdivision among townships in proportion to each township's road miles relative to the total township road miles in the county. The amount allocated to unorganized townships under this subdivision must be distributed to the county treasurer and credited to a special fund for unorganized township roads, which the board of county commissioners shall use for the maintenance and improvement of roads in unorganized townships.
- (5) Nine percent must be distributed among hub cities. The state treasurer shall distribute the funds available under this subdivision in proportion to the amounts the hub cities receive under paragraph 2 of subdivision a.
- (6) Two percent must be distributed among hub city school districts. The state treasurer shall distribute the funds available under this subdivision in proportion to the amounts the hub city school districts receive under paragraph 3 of subdivision a.
- (7) For purposes of this subsection, "fiscal year" means the period beginning September first and ending August thirty-first of the following calendar year.

1 **Gross production tax allocation. (Effective after June 30, 2027)** The gross production
2 tax must be allocated monthly as follows:

3 1. The tax revenue collected under this chapter equal to one percent of the gross value
4 at the well of the oil and one-fifth of the tax on gas must be deposited with the state
5 treasurer. The state treasurer shall allocate the funding in the following order:

6 a. Eight percent of the amount available under this subsection to the North Dakota
7 outdoor heritage fund, but not in an amount exceeding twenty million dollars per
8 fiscal year.

9 b. Four percent of the amount available under this subsection to the abandoned oil
10 and gas well plugging and site reclamation fund, but not in an amount exceeding
11 seven million five hundred thousand dollars per fiscal year and not in an amount
12 that would bring the balance in the fund to more than fifty million one hundred
13 million dollars through June 30, 2027, or to more than fifty million dollars after
14 June 30, 2027.

15 c. Any remaining revenues pursuant to subsection 3.

16 d. For purposes of this subsection, "fiscal year" means the period beginning
17 September first and ending August thirty-first of the following calendar year.

18 2. The tax revenue collected under this chapter equal to four percent of the gross value
19 at the well of the oil and four-fifths of the tax on gas must be deposited with the state
20 treasurer. The state treasurer shall allocate the funding in the following order:

21 a. The first five million dollars of collections received from a county each fiscal year
22 is allocated to the county.

23 b. The remaining revenue collections received from a county each fiscal year are
24 allocated thirty percent to the county and seventy percent as follows:

25 (1) Monthly amounts to the hub city funding pool to provide fifteen million four
26 hundred thousand dollars per fiscal year for the allocations under
27 paragraph 2 of subdivision a of subsection 5.

28 (2) Monthly amounts to the hub city school district funding pool to provide two
29 million one hundred thousand dollars per fiscal year for the allocations
30 under paragraph 3 of subdivision a of subsection 5.

(3) Monthly amounts to the supplemental school district funding pool to provide seventy percent of the total amount needed for the allocations under paragraph 4 of subdivision a of subsection 5.

(4) Monthly amounts to the hub city debt relief funding pool to provide seven million three hundred fifty thousand dollars per fiscal year for the allocations under paragraph 2 of subdivision a of subsection 5.

(5) Any remaining revenue collections to the state for the state's allocations pursuant to subsection 3.

c. For purposes of this subsection, "fiscal year" means the period beginning September first and ending August thirty-first of the following calendar year.

3. After the allocations under subsections 1 and 2, the amount remaining is allocated first to provide for deposit of thirty percent of all revenue collected under this chapter in the legacy fund as provided in section 26 of article X of the Constitution of North Dakota and the remainder must be allocated to the state general fund. If the amount available for a monthly allocation under this subsection is insufficient to deposit thirty percent of all revenue collected under this chapter in the legacy fund, the state treasurer shall transfer the amount of the shortfall from the state general fund share of oil extraction tax collections and deposit that amount in the legacy fund.

4. For a county that received less than five million dollars of allocations under subsection 2 in the most recently completed even-numbered fiscal year before the start of the biennium, revenues allocated to that county must be distributed by the state treasurer as follows:

a. Forty-five percent must be distributed to the county treasurer and credited to the county general fund.

b. Thirty-five percent must be distributed proportionally to school districts within the county on the average daily attendance distribution basis for kindergarten through grade twelve students residing within the county, as certified to the state treasurer by the county superintendent of schools. However, a hub city school district must be omitted from distributions under this subdivision.

c. Twenty percent must be distributed to the incorporated cities of the county. A hub city must be omitted from distributions under this subdivision. Distributions

among cities under this subsection must be proportional based upon the population of each incorporated city according to the last official decennial federal census. In determining the population of any city in which total employment increases by more than two hundred percent seasonally due to tourism, the population of that city for purposes of this subdivision must be increased by eight hundred percent.

d. For purposes of this subsection, "fiscal year" means the period beginning September first and ending August thirty-first of the following calendar year.

5. For a county that received five million dollars or more of allocations under subsection 2 in the most recently completed even-numbered fiscal year before the start of the biennium, revenues allocated to that county must be distributed by the state treasurer as follows:

a. A portion of the revenues from each county must be distributed to a hub city funding pool, a hub city school district funding pool, ~~and~~ a supplemental school district funding pool, and a hub city debt relief funding pool as follows:

(1) The amount distributed from each county to the funding pools under this subdivision must be proportional to each county's monthly oil and gas gross production tax revenue collections relative to the combined total monthly oil and gas gross production tax revenue collections from all the counties that receive allocations under this subsection.

(2) The state treasurer shall distribute, to the hub city funding pool, the monthly amount needed from each county to provide six million six hundred thousand dollars per fiscal year for the allocations under this paragraph.

(a) The state treasurer shall allocate monthly amounts from the hub city funding pool to provide a combined total of twenty-two million dollars per fiscal year to all the hub cities, which includes the fifteen million four hundred thousand dollars under paragraph 1 of subdivision b of subsection 2 and the six million six hundred thousand dollars under this paragraph. The monthly allocation to each hub city must be proportional to each hub city's impact percentage score, including fractional percentage points rounded to the nearest tenth of a percent,

relative to the combined total of all the hub cities' impact percentage scores.

(b) The state treasurer shall calculate the impact percentage score for each hub city by summing the following:

- [1] The percentage of mining, quarrying, and oil and gas extraction employment relative to the total employment of all industries in the county in which the hub city is located, based on the most recent annual data for all ownership types compiled by job service North Dakota in the quarterly census of employment and wages, multiplied by forty-five hundredths;
- [2] The average of the percentage of mining, quarrying, and oil and gas extraction employment relative to the total employment of all industries in each county for all the counties in the human service region in which the hub city is located, based on the most recent annual data for all ownership types compiled by job service North Dakota in the quarterly census of employment and wages, multiplied by fifteen hundredths;
- [3] The percentage of establishments engaged in mining, quarrying, and oil and gas extraction relative to the total establishments of all industries in the county in which the hub city is located, based on the most recent annual data for all ownership types compiled by job service North Dakota in the quarterly census of employment and wages, multiplied by one-tenth;
- [4] The percentage of oil production in the human service region in which the hub city is located relative to the total oil production in all the human service regions with hub cities, based on the most recently available calendar year data compiled by the industrial commission in a report on the historical barrels of oil produced by county, multiplied by one-tenth;
- [5] The percentage change in population from five years prior for the hub city, based on the most recent actual or estimated census

data published by the United States census bureau, multiplied by one-tenth; and

[6] The percentage change in population from five years prior for the county in which the hub city is located, based on the most recent actual or estimated census data published by the United States census bureau, multiplied by one-tenth.

(c) For purposes of this paragraph, "human service region" means the areas designated by the governor's executive order 1978-12 dated October 5, 1978.

(3) The state treasurer shall distribute, to the hub city school district funding pool, the monthly amount needed from each county to provide nine hundred thousand dollars per fiscal year for the allocations under this paragraph.

(a) The state treasurer shall allocate monthly amounts from the hub city school district funding pool to provide a combined total of three million dollars per fiscal year to all the hub city school districts, which includes the two million one hundred thousand dollars under paragraph 2 of subdivision b of subsection 2 and the nine hundred thousand dollars under this paragraph. The monthly allocation to each hub city school districts must be proportional to each hub city school district's impact percentage score, including fractional percentage points rounded to the nearest tenth of a percent, relative to the combined total of all the hub cities' impact percentage scores.

(b) For the purpose of determining the impact percentage score for each hub city school district, the state treasurer shall use the same impact percentage score as the corresponding score calculated for each hub city in paragraph 2.

(4) The state treasurer shall distribute, to the supplemental school district funding pool, the monthly amount needed from each county to provide for thirty percent of the total allocations under this paragraph. To each county that received more than five million dollars but less than thirty million dollars of total allocations under subsection 2 in the most recently completed

1 even-numbered fiscal year before the start of the biennium, the state
2 treasurer shall allocate a monthly amount from the supplemental school
3 district funding pool which will be added to the distributions to school
4 districts under paragraph 2 of subdivision b, as follows:

- 5 (a) To each county that received more than five million dollars but not
6 exceeding ten million dollars of total allocations under subsection 2 in
7 the most recently completed even-numbered fiscal year before the
8 start of the biennium, the state treasurer shall allocate a monthly
9 amount that will provide a total allocation of one million five hundred
10 thousand dollars per fiscal year. The allocation must be distributed to
11 school districts within the county pursuant to paragraph 2 of
12 subdivision b.
- 13 (b) To each county that received more than ten million dollars but not
14 exceeding fifteen million dollars of total allocations under subsection 2
15 in the most recently completed even-numbered fiscal year before the
16 start of the biennium, the state treasurer shall allocate a monthly
17 amount that will provide a total allocation of one million two hundred
18 fifty thousand dollars per fiscal year. The allocation must be distributed
19 to school districts within the county pursuant to paragraph 2 of
20 subdivision b.
- 21 (c) To each county that received more than fifteen million dollars but not
22 exceeding twenty million dollars of total allocations under subsection 2
23 in the most recently completed even-numbered fiscal year before the
24 start of the biennium, the state treasurer shall allocate a monthly
25 amount that will provide a total allocation of one million dollars per
26 fiscal year. The allocation must be distributed to school districts within
27 the county pursuant to paragraph 2 of subdivision b.
- 28 (d) To each county that received more than twenty million dollars but not
29 exceeding twenty-five million dollars of total allocations under
30 subsection 2 in the most recently completed even-numbered fiscal
31 year before the start of the biennium, the state treasurer shall allocate

1 a monthly amount that will provide a total allocation of seven hundred
2 fifty thousand dollars per fiscal year. The allocation must be distributed
3 to school districts within the county pursuant to paragraph 2 of
4 subdivision b.

5 (e) To each county that received more than twenty-five million dollars but
6 not exceeding thirty million dollars of total allocations under
7 subsection 2 in the most recently completed even-numbered fiscal
8 year before the start of the biennium, the state treasurer shall allocate
9 a monthly amount that will provide a total allocation of five hundred
10 thousand dollars per fiscal year. The allocation must be distributed to
11 school districts within the county pursuant to paragraph 2 of
12 subdivision b.

13 (5) The state treasurer shall distribute, to the hub city debt relief funding pool,
14 the monthly amount needed from each county to provide three million one
15 hundred fifty thousand dollars per fiscal year for the allocations under this
16 paragraph. At least once per interim, each hub city shall provide a report to
17 the budget section regarding the use of the funding received under this
18 section and information on the hub city's outstanding debt, including
19 maturity dates, interest rates, and annual repayment amounts.

20 (a) The state treasurer shall allocate monthly amounts from the hub city
21 debt relief funding pool to provide a combined total of ten million five
22 hundred thousand dollars per fiscal year to all the hub cities, which
23 includes the seven million three hundred fifty thousand dollars under
24 paragraph 4 of subdivision b of subsection 2 and the three million one
25 hundred fifty thousand dollars under this paragraph. The monthly
26 allocation to hub cities under this paragraph is:

27 [1] Seventy and thirteen hundredths percent to Williston;

28 [2] Nineteen and ninety-four hundredths to Dickinson; and

29 [3] Nine and ninety-three hundredths to Minot.

30 (b) A hub city shall use the funding allocated under this paragraph for
31 debt repayments related to debt incurred between July 1, 2012, and

December 31, 2025, to address impacts from oil and gas
development.

b. After the distributions in subdivision a, each county's remaining revenues must be distributed as follows:

- (1) Sixty percent must be distributed to the county treasurer and credited to the county general fund.
- (2) Five percent must be distributed proportionally to school districts within the county on the average daily attendance distribution basis for kindergarten through grade twelve students residing within the county, as certified to the state treasurer by the county superintendent of schools. However, a hub city school district must be omitted from distributions under this subdivision.
- (3) Twenty percent must be distributed to the incorporated cities of the county. A hub city must be omitted from distributions under this subdivision. Distributions among cities under this subsection must be proportional based upon the population of each incorporated city according to the last official decennial federal census. In determining the population of any city in which total employment increases by more than two hundred percent seasonally due to tourism, the population of that city for purposes of this subdivision must be increased by eight hundred percent.
- (4) Four percent must be allocated among the organized and unorganized townships of the county. The state treasurer shall allocate the funds available under this subdivision among townships in proportion to each township's road miles relative to the total township road miles in the county. The amount allocated to unorganized townships under this subdivision must be distributed to the county treasurer and credited to a special fund for unorganized township roads, which the board of county commissioners shall use for the maintenance and improvement of roads in unorganized townships.
- (5) Nine percent must be distributed among hub cities. The state treasurer shall distribute the funds available under this subdivision in proportion to the amounts the hub cities receive under paragraph 2 of subdivision a.

1 (6) Two percent must be distributed among hub city school districts. The state
2 treasurer shall distribute the funds available under this subdivision in
3 proportion to the amounts the hub city school districts receive under
4 paragraph 3 of subdivision a.

5 (7) For purposes of this subsection, "fiscal year" means the period beginning
6 September first and ending August thirty-first of the following calendar year.

7 **SECTION 2. AMENDMENT.** Section 57-51.1-07.5 of the North Dakota Century Code is
8 amended and reenacted as follows:

9 **57-51.1-07.5. State share of oil and gas taxes - Deposits.**

10 From the revenues designated for deposit in the state general fund under chapters 57-51
11 and 57-51.1, the state treasurer shall deposit the revenues received each biennium in the
12 following order:

- 13 1. The first ~~two hundred thirty million~~ two hundred fifty million dollars into the state general
14 fund;
- 15 2. The next two hundred fifty million dollars into the social service fund;
- 16 3. The next seventy-five million dollars into the budget stabilization fund, but not in an
17 amount that would bring the balance in the fund to more than the limit in section
18 54-27.2-01;
- 19 4. The next ~~two hundred thirty million~~ two hundred fifty million dollars into the state
20 general fund;
- 21 5. The next ten million dollars into the lignite research fund;
- 22 6. The next twenty million dollars into the state disaster relief fund, but not in an amount
23 that would bring the unobligated balance in the fund to more than twenty million
24 dollars;
- 25 7. The next ~~four hundred million~~ three hundred sixty million dollars into the strategic
26 investment and improvements fund;
- 27 8. The next sixty-five million dollars to the public employees retirement fund for the main
28 system plan;
- 29 9. The next fifty-nine million seven hundred fifty thousand dollars, or the amount
30 necessary to provide for twice the amount of the distributions under subsection 2 of
31 section 57-51.1-07.7, into the funds designated for infrastructure development in

- 1 non-oil-producing counties under sections 57-51.1-07.7 and 57-51.1-07.8 with fifty
2 percent deposited into the municipal infrastructure fund and fifty percent deposited into
3 the county and township infrastructure fund;
- 4 10. The next one hundred seventy million two hundred fifty thousand dollars or the amount
5 necessary to provide a total of two hundred thirty million dollars into the funds
6 designated for infrastructure development in non-oil-producing counties under sections
7 57-51.1-07.7 and 57-51.1-07.8 with fifty percent deposited into the municipal
8 infrastructure fund and fifty percent deposited into the county and township
9 infrastructure fund;
- 10 11. The next twenty million dollars into the airport infrastructure fund; and
- 11 12. Any additional revenues into the strategic investment and improvements fund.

12 **SECTION 3. EXEMPTION - OIL AND GAS TAX REVENUE ALLOCATIONS - NORTH**
13 **DAKOTA OUTDOOR HERITAGE FUND - OIL AND GAS RESEARCH FUND.**

- 14 1. Notwithstanding the provisions of section 57-51-15 relating to the allocations to the
15 North Dakota outdoor heritage fund, for the period beginning September 1, 2025, and
