4 BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

- 5 **SECTION 1.** A new section to chapter 14-10 of the North Dakota Century Code is created and enacted as follows:
- 7 Parent or guardian access to the medical examination room of a minor.
- 1. A parent or guardian of a minor has full and complete access to an examination room
 in which the minor is receiving medical care.
 - a. A provider or health care facility shall provide notice of this right in a clear and conspicuous manner before the minor is taken into the examination room.
 - b. If an examination involves a private area of the body and a parent or guardian remains in the room, a health care facility shall make available upon request a privacy screen or other mechanism to protect the privacy of the minor.
 - 2. A provider or health care facility shall provide a parent or guardian of a minor written notice before any standardized oral or written questions may be asked of the minor, regardless of whether the parent or guardian chooses to be in the examination room with the minor. The notice must include:
 - a. Information stating the right of the parent, guardian, or minor to opt-out of answering questions unrelated to the purpose of the visit;

Sixty-ninth Legislative Assembly

1		<u>b.</u>	Information on whether the minor's answers to standardized questions will be
