3 - Bill and Fiscal Impact Summary

Provide a brief summary of the measure, including description of the provisions having fiscal impact (limited to 300 characters).

The proposed bill would add a nonresident landowner to 20.1-03-04 when a license is not required to hunt, fish, or trap on owned or leased land.

4 - Fiscal Impact Sections Detail

Identify and provide a brief description of the sections of the measure which have fiscal impact. Include any assumptions and comments relevant to the analysis.

We only have an estimate of nonresident landowners who own land based on county parcels. We estimate that half of these landowners participate in hunting, fishing, or trapping and we are unable to account for participating members of the landowner's family. The fiscal impact of the proposed bill would result in change in revenue of (\$2,100,000).

5 - Revenues Detail

For information shown under state fiscal effect in 1 or 2, please explain the revenue amounts. Provide detail, when appropriate, for each revenue type and fund affected and any amounts included in the executive budget.

The removal of the requirement of nonresident landowners to purchase a small game license, nonresident fishing license, trapping license and certificate would result in a change in revenue of (\$2,100,000) and have a fiscal impact to the 1) Game and Fish Fund and the 2) Private Land Habitat Fund.

6 - Expenditures Detail

For information shown under state fiscal effect in 1 or 2, please explain the expenditure amounts. Provide detail, when appropriate, for each agency, line item, and fund affected and the number of FTE positions affected.
