Provide a brief summary of the measure, including description of the provisions having fiscal impact (limited to 300 characters).

This bill will waive the excise tax for a tow lien and decrease the motor vehicle excise tax revenue.

4 - Fiscal Impact Sections Detail

Identify and provide a brief description of the sections of the measure which have fiscal impact. Include any assumptions and comments relevant to the analysis.

5 - Revenues Detail

For information shown under state fiscal effect in 1 or 2, please explain the revenue amounts. Provide detail, when appropriate, for each revenue type and fund affected and any amounts included in the executive budget.

This revenue would decrease the distribution of the motor vehicle excise tax which is currently split 50% to the General Fund and 50% to the Flexible Transportation Fund.

The number of abandoned vehicles not reclaimed under 23.1-15-06, along with the associated excise tax paid is:

2023 - 282 vehicles titled and excise tax paid of \$14,382

2024 - 272 vehicles titled and excise tax paid of \$18,615

Motor Vehicle estimates the counts would be similar for the 25-27 and 27-29 biennium. Therefore, the biennial fiscal impact is estimated to be \$32,997 per biennia.
