POINT OF PERSONAL PRIVILEGE

REP. PYLE rose on a point of personal privilege.

REMARKS OF REPRESENTATIVE PYLE

MR. SPEAKER: Donate Life Month

April is dedicated as Donate Life Month in North Dakota and the ND House of Representatives honors the recent passing of Representative Josh Christy, who generously donated his organs to save and improve the lives of others. Representative Christy served in the North Dakota House of Representatives from 2022-2025. He held to the ideal of being kind, respectful, and nice to one another. Known as a "Gentle Giant", he selflessly donated his organs leaving a legacy that will live in others.

During Donate Life Month, we honor the compassion and generosity of registered donors and donor families; and we recognize the commitment of dedicated healthcare teams and all those who work tirelessly to save and heal lives through donation and transplantation.

More than 100,000 Americans - over 2,600 in the Upper Midwest region - are currently on the transplant waiting list.

Another person is added to the waiting list every 7.5 minutes.

One person can save up to eight lives through organ donation and heal over seventy-five lives as a tissue and eye donor.

The most effective way to address this health crisis is to educate and to encourage citizens to commit to the following actions: (1) register your decision to be an organ, eye and tissue donor at Life-Source.org/Register or at your local DMV, and (2) make your decision known with your family and friends.

The Legislative Assembly of North Dakota feels that the mission of saving and healing lives through organ, eye, and tissue donation is of such immediate and worthwhile importance that, we encourage all residents to register their decision to be an organ, eye, and tissue donor in the local registry at your local North Dakota DMV.
