office of management and budget may not spend funds appropriated in the new and vacant FTE pool line item in section 1 of this Act, but may transfer funds from the new and vacant

FTE pool line item to the salaries and wages line item in accordance with the provisions of this Act.

**SECTION 4. APPROPRIATION - COMMUNITY SERVICES SUPERVISION FUND.** Any moneys in the community service supervision fund under section 29-26-22 are appropriated to the office of management and budget for distribution to community corrections association regions on or before August first of each year, for the biennium beginning July 1, 2025, and ending June 30, 2027.

**SECTION 5. APPROPRIATION- STATE HOSPITAL - STRATEGIC INVESTMENT AND IMPROVEMENTS FUND - ONE-TIME FUNDING.** There is appropriated out of any moneys in the strategic investment and improvements fund in the state treasury, not otherwise appropriated, the sum of \$200,000,000, or so much of the sum as may be necessary, to the office of management and budget for the purpose of planning, design, construction, and other related expenses necessary for construction of a new state hospital, for the biennium beginning July 1, 2025, and ending June 30, 2027. The office of management and budget shall oversee the project consistent with the objectives approved by the state hospital steering committee established in section 7 of this Act. The office of management and budget may seek other federal, state, local, or private funds, and may enter contracts, agreements, or partnerships as necessary to complete the project. The appropriation in this section is a one-time funding item.

**SECTION 6. APPROPRIATION - BANK OF NORTH DAKOTA LINE OF CREDIT - STATE HOSPITAL PROJECT.** The office of management and budget may borrow up to \$100,000,000 through a line of credit from the Bank of North Dakota during the biennium beginning July 1, 2025, and ending June 30, 2027, the proceeds of which are appropriated to the office of management and budget for defraying costs associated with the construction of a new state hospital. The interest rate on the line of credit may not exceed the prevailing interest rate charged to North Dakota governmental entities. If the office of management and budget accesses the line of credit, it shall request a deficiency appropriation from the seventieth legislative assembly to repay the line of credit.

**SECTION 7. NEW STATE HOSPITAL - STEERING COMMITTEE.** The office of management and budget shall establish a new state hospital facility steering committee to oversee the design and construction of a new state hospital facility, for the biennium beginning July 1, 2025, and ending June 30, 2027. The committee must include representation from the

department of health and human services, office of management and budget, the governor's office, and the legislative assembly. The legislative assembly representation must include one member of the senate appointed by the senate majority leader, one member of the house appointed by the house majority leader, and one member of the minority party from either the senate or the house appointed by the minority leaders of the senate and the house.

1. From the student internship line item for student internships.
2. From the deferred maintenance pool line item for deferred maintenance projects.
3. From the rent, moving, and space reconfiguration pool line item for agency lease, relocation, and remodeling costs.

**SECTION 10. TRANSFER - FEDERAL STATE FISCAL RECOVERY FUND**

**APPROPRIATION AUTHORITY TO DEPARTMENT OF CORRECTIONS AND**

**REHABILITATION - EXEMPTION - SPENDING RESTRICTION - REPORT.**

1. Notwithstanding any other provision of law, on or before June 30, 2025, the office of management and budget shall transfer any federal state fiscal recovery fund appropriation authority amounts previously obligated but not anticipated to be expended from the state agency that received the appropriation authority to the department of corrections and rehabilitation for the purpose of defraying the expenses of salaries and wages of the department of corrections and rehabilitation, for the biennium beginning July 1, 2023, and ending June 30, 2025.
2. Notwithstanding any other provision of law, on or before December 31, 2026, the office of management and budget shall transfer any federal state fiscal recovery fund appropriation authority amounts previously obligated but not anticipated to be

expended from the state agency that received the appropriation authority to the department of corrections and rehabilitation for the purpose of defraying the expenses of salaries and wages of the department of corrections and rehabilitation, for the biennium beginning July 1, 2025 and ending June 30, 2027.

3. The office of management and budget shall transfer any uncommitted accumulated interest and earnings of the federal state fiscal recovery fund to the department of corrections and rehabilitation during the biennium beginning July 1, 2025, and ending June 30, 2027. Any interest and earnings received by the department of corrections and rehabilitation under this section are appropriated to the department for the purpose of defraying the expenses of salaries and wages, for the biennium beginning July 1, 2025, and ending June 30, 2027.

4. The department of corrections and rehabilitation may not spend general fund appropriations equal to the amount of any federal state fiscal recovery fund moneys transferred to the department under this section.

5. The office of management and budget shall report to the budget section regarding any appropriation authority and interest and earnings transferred under this section.

8       **SECTION 14. STATE EMPLOYEE COMPENSATION ADJUSTMENTS - GUIDELINES.**

- 9       1. The 2025-27 biennium compensation adjustments for permanent state employees are  
10 to average 3 percent per eligible employee for the first fiscal year of the biennium and  
11 are to average 3 percent per eligible employee for the second year of the biennium.  
12 The increases for the first year of the biennium are to be given beginning with the  
13 month of July 2025, to be paid in August 2025, and for the second year of the  
14 biennium are to be given beginning with the month of July 2026, to be paid in  
15 August 2026. Increases for eligible state employees are to be based on documented  
16 performance and are not to be the same percentage increase for each employee.
- 17       2. The office of management and budget shall develop guidelines for use by state  
18 agencies for providing compensation adjustments for classified state employees. The  
19 guidelines must follow the compensation philosophy statement under section  
20 54-44.3-01.2.
- 21       3. Probationary employees are not entitled to the increases. However, at the discretion of  
22 the appointing authority, probationary employees may be given all or a portion of the  
23 increases effective in July, paid in August, or upon completion of probation. Employees  
24 whose overall documented performance level does not meet standards are not eligible  
25 for any salary increase.

26       **SECTION 15. NEW AND VACANT FTE POOL - GUIDELINES - EXEMPTION -**  
27 **TRANSFERS - REPORTS - APPLICATION.**

- 28       1. Notwithstanding section 54-16-04, the office of management and budget shall transfer  
29 funds from an executive branch state agency's new and vacant FTE pool line item to  
30 the agency's salaries and wages line item or other line items with salaries and wages  
31 funding as requested by the agency in accordance with provisions of this section.

2. An executive branch state agency may request a transfer to provide funding for the salaries and wages necessary for the remainder of the 2025-27 biennium for a new full-time equivalent position authorized by the sixty-ninth legislative assembly from the date of hiring through the end of the biennium, limited to the amount identified for the position in the statement of purpose of amendment.
3. After July 31, 2026, an executive branch state agency may request a transfer if the agency projects actual salaries and wages expenditures will exceed the agency's available salaries and wages funding for the biennium. The transfer amount may not exceed the amount by which the agency's actual salaries and wages savings from vacant positions and employee turnover to date and estimates for the remainder of the biennium adjusted for other identified uses of any savings are less than the vacant position savings estimate used by the sixty-ninth legislative assembly in development of the agency's appropriation. The agency shall provide documentation supporting the need for the transfer to the office of management and budget and legislative council in advance of the transfer request.
4. Each executive branch state agency with a new and vacant FTE pool line item shall report to the office of management and budget and the legislative council on a quarterly basis regarding any transfer of appropriation authority for filling a new full-time equivalent position. The report must include the funding transferred, the title of the position filled, the salary funding removed by the sixty-ninth legislative assembly for the position by funding source as identified in the statement of purpose of amendment, and the date the position was filled.
5. Each executive branch state agency with a new and vacant FTE pool line item shall report quarterly to the office of management and budget and the legislative council on the number of full-time equivalent positions that become vacant and the number of positions filled each month, the number of vacant positions at the end of each month, salaries and wages savings by funding source for each month resulting from vacant positions and employee turnover, and the use of salaries and wages savings by funding source for other purposes, including accrued leave payouts, salary increases in addition to general salary increases provided by the sixty-ninth legislative assembly, bonuses, incentive or location pay adjustments, reclassifications, temporary salaries or

1 overtime in excess of amounts provided by the sixty-ninth legislative assembly, or  
2 other items.

3 6. The office of management and budget shall report to each meeting of the budget  
4 section regarding the status of funding in each executive branch state agency's new  
5 and vacant FTE pool line item; vacant positions, employee turnover, and savings from  
6 vacant positions and employee turnover by agency; and uses of savings from vacant  
7 positions and employee turnover for other purposes by agency.

8 7. The provisions of section 54-27-10 do not apply to the salaries and wages line item of  
9 appropriations approved by the sixty-ninth legislative assembly, for the biennium  
10 beginning July 1, 2025, and ending June 30, 2027.

11 8. An executive branch state agency may request a deficiency appropriation from the  
12 seventieth legislative assembly if the funding in the agency's new and vacant FTE pool  
13 line item is insufficient to provide the necessary salaries and wages funding for the  
14 biennium.

15 **SECTION 16. AMENDMENT.** Section 57-51.1-07.5 of the North Dakota Century Code is
