- 3 SECTION 24. PERMANENT SUPPORTIVE HOUSING GRANTS. Section 1 of this Act
- 4 includes the sum of \$4,672,536 from the general fund for permanent supportive housing grants.
- 5 The department of health and human services shall develop a funding methodology to distribute
- 6 the funding to qualified entities that utilize best practices for permanent supportive housing,
- 7 provide recovery-oriented and person-centered services, submit process and outcome
- 8 measures to the department of health and human services, and authorize the department of
- 9 health and human services to conduct onsite visits to review program operations.

SECTION 25. EXPENDITURES MAY NOT EXCEED APPROPRIATION - MEDICAL ASSISTANCE EXPANSION PROGRAM - APPLICATION.

- 1. Section 1 of this Act includes the sum of \$662,099,340, of which \$66,209,934 is from the general fund, for the medical assistance expansion program, for the biennium beginning July 1, 2025, and ending June 30, 2027. The expenditures for individuals eligible for the medical assistance expansion program may not exceed this amount.
- The department of health and human services may exceed appropriations for increases in medical assistance expansion program caseload, for the addition of coverage consistent with the traditional Medicaid 1915(i) state plan, utilization rates, and reduction in federal medical assistance percentage.
- 3. The managed care organization under contract with the department of health and human services to manage the medical assistance expansion program shall reimburse providers within the same provider type and specialty at consistent levels and with consistent methodology and may not provide incentive, quality, or supplemental payments to providers, unless part of a value-based program approved by the department of health and human services. The managed care organization shall reimburse all North Dakota substance use providers of American society of addiction medicine level 2.5 at consistent levels and with consistent methodology. The managed care organization may consider urban and rural providers as different provider types.
- 4. The managed care organization and the department of health and human services shall ensure payments to Indian or Tribal 638 health care providers, federally qualified health centers, and rural health clinics meet the federally required minimum levels of

- reimbursement. Critical access hospitals may not be paid less than one hundred percent of Medicare allowable costs and human service centers may not be paid less than one hundred percent of the current traditional Medicaid rate. Behavioral health services involving partial hospitalization, intensive outpatient, professional services, and residential behavioral health services provided in facilities that are not institutions for mental diseases are not subject to the provisions in subsection 6.
- 5. The department of health and human services shall ensure providers within the same provider type and specialty are reimbursed at consistent levels and with consistent methodology and shall ensure the capitation rates under risk contracts are actuarially sound and are adequate to meet managed care organization contractual requirements regarding availability of services, assurance or adequate capacity and services, and coordination and continuity of care.
- 6. Except for the provisions in subsection 4, managed care organization premium payments must be built using the assumption that rates paid to providers under the medical assistance expansion program may not exceed one hundred forty-five percent of Medicare reimbursement rates paid to providers on January 1, 2025.

SECTION 26. HUMAN SERVICE CENTERS - CERTIFIED COMMUNITY BEHAVIORAL HEALTH CLINICS - FULL-TIME EQUIVALENT POSITIONS - REPORT. The department of health and human services shall continue the process of the human service centers becoming a certified community behavioral health clinic to provide continuous community-based behavioral health services for children and adults. The department of health and human services shall pursue additional federal funding as available. Subject to the availability of generated income, the department of health and human services may add full-time equivalent positions for the clinics to provide direct services for the period beginning with the effective date of this Act and ending June 30, 2027. The department of health and human services shall report to the office of management and budget and legislative council each time a position is added.

SECTION 27. INTERMEDIATE CARE FACILITY MORATORIUM. The department of health and human services may not add any new licensed intermediate care facility for individuals with intellectual disabilities beds to the state's licensed bed capacity between July 1, 2025, and June 30, 2027.

- 1 10. The sum of \$1,000,000 appropriated from the federal state fiscal recovery fund for the implementation of a virtual behavioral health crisis care program for rural law enforcement in chapter 44 of the 2023 Session Laws; and
 - 11. The sum of \$500,000 appropriated from the general fund and the sum of \$500,000 appropriated from federal funds for the purpose of program integrity audits in chapter 44 of the 2023 Session Laws.
 - 12. The sum of \$1,950,000 appropriated from the general fund to the department of health and human services for a northwest human service region behavioral health facility grant in chapter 44 of the 2023 Session Laws.

SECTION 29. LEGISLATIVE INTENT - UTILIZATION RATE ADJUSTMENT. It is the intent of the sixty-ninth legislative assembly that the department of health and human services seek a deficiency appropriation from the seventieth legislative assembly for any expenditures that exceed appropriated amounts as a result of underfunding, utilization rates, value-based purchasing for nursing facilities, reduction in federal medical assistance percentage, and unexpected contract cost increases that exceed ten percent, during the biennium beginning July 1, 2025, and ending June 30, 2027, if funding is not sufficient to pay actual expenses.

SECTION 30. LEGISLATIVE INTENT - PROVIDER RATE INCREASE. Except as otherwise noted, section 1 of this Act includes funding for human service provider inflation increases of two percent for the first year and one and one-half percent the second year of the biennium beginning July 1, 2025, and ending June 30, 2027. The provider inflation increase in this section does not apply to nursing facilities.

SECTION 31. LEGISLATIVE INTENT - MEDICAL ASSISTANCE. It is the intent of the sixty-ninth legislative assembly that the department of health and human services review the amount, duration, coverage, utilization rates, medical necessity, and scope of medical assistance services, and report any findings and recommendations to the seventieth legislative assembly.

SECTION 32. FEDERAL FUNDING APPEAL LIMITATION. Except as otherwise specifically provided by federal law, a person may not appeal a denial, revocation, reduction in services or payment, or the termination of a program or service by the department of health and human services dues to the unavailability of federal coronavirus funding received under federal

- 4 STRUCTURED RESIDENCES PLAN REPORT. During the 2025-26 interim, the department of
- 5 health and human services shall review options and develop a plan to establish long-term
- 6 structured residences. The department shall review necessary changes to statutes, rules,
- 7 policies, and the estimated fiscal impact of establishing the residences. A long-term structured
- 8 residence must be a highly structured therapeutic residential mental health treatment facility
- 9 that is staffed continuously and designed to treat adults under chapters 12.1-04.1 and 25-03.1
- who have severe and persistent mental illness and who have reached the maximum benefit
- 11 from the mental health resources available elsewhere in the community or hospital. The
- department shall present a report to the legislative management by October 1, 2026, regarding
- 13 its plan to establish long-term structured residences.
 - **SECTION 34.** A new section to chapter 6-09 of the North Dakota Century Code is created and enacted as follows:

Extraordinary medical needs housing loan fund - Continuing appropriation.

- 1. The Bank of North Dakota shall administer a loan program to provide loans for new construction projects to provide housing for individuals with disabilities that have extraordinary medical needs. A construction project may include a land purchase and the construction costs of the project. The applicant must comply with project requirements as approved by the department of health and human services and the North Dakota housing finance agency.
 - 2. The extraordinary medical needs housing loan fund is a special fund maintained in the state treasury from which the Bank shall provide loans under this section. The fund consists of revenues transferred under legislative authorization, interest upon moneys in the fund, and collections of interest and principal on loans made from the fund. All moneys in the fund are appropriated on a continuing basis to the Bank for the purpose of providing loans under this section.
 - 3. The developer of the housing facility for individuals with disabilities that have extraordinary medical needs may submit an application to the Bank for a loan. The application must:

 treatment voucher system for incarcerated individuals.
 - 1. The department shall establish and administer, within the limits of legislative appropriations, a voucher system to address underserved areas and gaps in the state's substance abuse treatment system and to assist in the payment of addiction treatment services and medical costs provided by licensed substance abuse treatment programs, excluding regional human service centers and hospital- or medical clinic-based programs for medical management of withdrawal.
 - 1. An out-of-state licensed substance abuse treatment program located within a bordering state may participate in the voucher program to serve an underserved area of this state pursuant to the rules adopted by the department. The department shall develop rules to include processes and requirements for an out-of-state provider to receive reimbursement only for outpatient and community-based services upon a provider completing an assessment of need and receiving approval from the department.
 - 2. Services eligible for the voucher program include only those levels of care recognized by the American society of addiction medicine, with particular emphasis given to underserved areas and programs. The department shall ensure that a licensed substance abuse treatment program, hospital, and medical clinic program accepting vouchers collects and reports process and outcome measures.
 - 3. The department shall develop requirements and provide training and technical assistance to a licensed substance abuse treatment program, hospital, and medical clinic program accepting vouchers. A licensed substance abuse treatment program, hospital, and medical clinic program accepting vouchers shall provide evidence-based services.
 - 4. The department shall allocate funding appropriated for the substance use disorder treatment voucher as follows:
 - a. No

- a. Except as provided in subdivisions c and d, no more than forty-five fifty percent of
 the appropriated amount may be allocated for residential substance use disorder
 services administered by licensed substance abuse treatment programs with
 more than sixteen beds.
 - b. The remaining appropriation must be allocated for residential programs with sixteen or fewer beds, nonresidential outpatient, and ancillary substance use disorder services administered by licensed substance abuse treatment programs.
 - c. The department, during the last quarter of the biennium, may reallocate projected unused funds that were allocated under paragraph 2 to residential facilities outlined in paragraph 1.
 - d. The department may reimburse a licensed substance abuse treatment program with more than sixteen beds the incurred direct medical costs of an eligible individual who does not have resources to cover the medical costs. The department may develop rules and may not exceed the total amount appropriated for medical cost reimbursement.

SECTION 37. AMENDMENT. Section 50-24.5-02.3 of the North Dakota Century Code is amended and reenacted as follows:

50-24.5-02.3. Basic care payment rates.

- 1. The department shall determine limits for the care of residents of basic care facilities that qualify as vendors of an aged, blind, and disabled persons program and for implementing provisions of this chapter based on data demonstrating the most recent costs that must be incurred for the care of residents in efficiently and economically operated basic care facilities. The department shall determine the limits every four years by July first, beginning with July 1, 2023.
- The department shall establish the limits by using the median rates from the most recent data available. The direct care limit must be the median plus eighteen percent.
 The indirect care limit must be the median plus twelve percent.
- 3. For the rate year beginning July 1, 2023, the department shall increase rates and limits three and one-half percent for inflation. For the rate year beginning July 1, 2024, the department shall increase rates and limits three and one-half percent for inflation.
