

**HB 1312 - Testimony by Dustin Gawrylow, ND Watchdog Network (#266)**

Stance: Support, With Amendment Suggestions

Mr. Chairman and Members of the Committee,

I would like to voice support of HB 1312 seeking to move school board and park district elections to the November General Election - with one amendment suggestion:

Treat cities, schools, and parks the same, with elections in November general elections (counties are already subject to a primary/general process).

If the goal of this bill is to increase the number of voters involved with elections, apply it to all levels of government.

Thank you for your consideration.
