MAJOR RELATED LEGISLATION AFFECTING THE CENTER FOR DISTANCE EDUCATION AS OF CROSSOVER

This memorandum provides information on major related legislation affecting the Center for Distance Education as of Crossover:

House Bill No. 1105 - Virtual instruction - This bill relates to virtual learning and school district policy regarding access and payment for virtual instruction.

House Bill No. 1269 - State procurement of technology and educational content - This bill removes a requirement that CDE use Office of Management and Budget for procurement of technology and educational content to deliver K-12 education and related services virtually.
