5 BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

through June 30, 2025) (Retroactive application - See note)

- SECTION 1. AMENDMENT. Section 15.1-27-04.1 of the North Dakota Century Code is
 amended and reenacted as follows:

 15.1-27-04.1. Baseline funding Establishment Determination of state aid. (Effective
- To determine the amount of state aid payable to each district, the superintendent of
 public instruction shall establish each district's baseline funding. A district's baseline
 funding consists of:
- 13 a. All state aid received by the district in accordance with chapter 15.1-27 during the

 2018-19 school year;
- 45 b. An amount equal to the property tax deducted by the superintendent of public
 16 instruction to determine the 2018-19 state aid payment;
- e. An amount equal to seventy-five percent of the revenue received by the school district during the 2017-18 school year for the following revenue types:

1	(1)	Revenue reported under code 2000 of the North Dakota school district
2		financial accounting and reporting manual, as developed by the
3		superintendent of public instruction in accordance with section 15.1-02-08;
4	(2)	Mineral revenue received by the school district through direct allocation from
5		the state treasurer and not reported under code 2000 of the North Dakota
6		school district financial accounting and reporting manual, as developed by
7		the superintendent of public instruction in accordance with section
8		15.1-02-08;
9	(3)	Tuition reported under code 1300 of the North Dakota school district
10		financial accounting and reporting manual, as developed by the
11		superintendent of public instruction in accordance with section 15.1-02-08,
12		with the exception of revenue received specifically for the operation of an
13		educational program provided at a residential treatment facility, tuition
14		received for the provision of an adult farm management program, and
15		beginning in the 2021-22 school year, seventeen percent of tuition received
16		under an agreement to educate students from a school district on an
17		air force base with funding received through federal impact aid, and an
18		additional seventeen percent of tuition received under an agreement to
19		educate students from a school district on an air force base with funding
20		received through federal impact aid each school year thereafter, until the
21		2024-25 school year when sixty-eight percent of tuition received under an
22		agreement to educate students from a school district on an air force base
23		with funding received through federal impact aid must be excluded from the
24		tuition calculation under this paragraph;
25	(4)	Revenue from payments in lieu of taxes on the distribution and transmission
26		of electric power;
27	(5)	Revenue from payments in lieu of taxes on electricity generated from
28		sources other than coal; and
29	(6)	Revenue from the leasing of land acquired by the United States for which
30		compensation is allocated to the state under 33 U.S.C. 701(c)(3);

1		a.	An i	amount equal to the total revenue received by the sensor district during the
2			201	7-18 school year for the following revenue types:
3			(1)	Mobile home tax revenue;
4			(2)	Telecommunications tax revenue; and
5			(3)	Revenue from payments in lieu of taxes and state reimbursement of the
6				homestead credit and disabled veterans credit; and
7		e.	Beg	ginning with the 2020-21 school year, the superintendent shall reduce the
8			bas	seline funding for any school district that becomes an elementary district
9			pur	suant to section 15.1-07-27 after the 2012-13 school year. The reduction must
10			be	proportional to the number of weighted student units in the grades that are
11			offe	ered through another school district relative to the total number of weighted
12			stu	dent units the school district offered in the year before the school district
13			bec	came an elementary district. The reduced baseline funding applies to the
14			cal	culation of state aid for the first school year in which the school district
15			bec	comes an elementary district and for each year thereafter. For districts that
16			bec	come an elementary district prior to the 2020-21 school year, the
17			sup	perintendent shall use the reduced baseline funding to calculate state aid for
18			the	2020-21 school year and for each year thereafter.
19	2.	a.	The	superintendent shall divide the district's baseline funding determined in
20			sub	esection 1 by the district's 2017-18 weighted student units to determine the
21			dis	trict's baseline funding per weighted student unit.
22		b.	For	r any school district that becomes an elementary district pursuant to section
23			15.	1-07-27 after the 2017-18 school year, the superintendent shall adjust the
24			dis	trict's baseline funding per weighted student unit used to calculate state aid.
25			The	e superintendent shall divide the district's baseline funding determined in
26			suk	esection 1 by the district's weighted student units after the school district
27			bec	comes an elementary district to determine the district's adjusted baseline
28			fun	ding per weighted student unit. The superintendent shall use the district's
29			adj	usted baseline funding per weighted student unit in the calculation of state aid
30			for	the first school year in which the school district becomes an elementary
31			dis	trict and for each year thereafter.

1		C.	Beg	Beginning with the 2021-22 school year and for each school year thereafter, the				
2			sup	superintendent shall reduce the district's baseline funding per weighted student				
3			unit	unit. Each year the superintendent shall calculate the amount by which the				
4			dist	district's baseline funding per weighted student unit exceeds the payment per				
5			wei	weighted student unit provided in subsection 3. For the 2023-24 school year the				
6			sup	superintendent shall reduce the district's baseline funding per weighted student				
7			unit	unit by forty percent of the amount by which the district's baseline funding per				
8			wei	weighted student unit exceeds the payment per weighted student unit for the				
9			202	23-24 school year. For each year thereafter, the reduction percentage is				
10			iner	reased by an additional fifteen percent. However, the district's baseline funding				
11			per	weighted student unit, after the reduction, may not be less than the payment				
12			per	weighted student unit provided in subsection 3.				
13	3.	a.	For	the 2023-24 school year, the superintendent shall calculate state aid as the				
14			gre	ater of:				
15			(1)	The district's weighted student units multiplied by ten thousand six hundred				
16				forty-six dollars;				
17			(2)	One hundred two percent of the district's baseline funding per weighted				
18				student unit, as established in subsection 2, multiplied by the district's				
19				weighted student units, not to exceed the district's 2017-18 baseline				
20				weighted student units, plus any weighted student units in excess of the				
21				2017-18 baseline weighted student units multiplied by ten thousand				
22				six hundred forty-six dollars; or				
23			(3)	The district's baseline funding as established in subsection 1 less the				
24				amount in paragraph 1, with the difference reduced by forty percent and				
25				then the difference added to the amount determined in paragraph 1.				
26		b.	For	the 2024-25 school year and each school year thereafter, the superintendent				
27			sha	Ill calculate state aid as the greater of:				
28			(1)	The district's weighted student units multiplied by eleven thousand				
29				seventy-two dollars;				
30			(2)	One hundred two percent of the district's baseline funding per weighted				
31				student unit, as established in subsection 2, multiplied by the district's				

1				weigl	nted student units, not to exceed the district's 2017-18 baseline
2				weigl	nted student units, plus any weighted student units in excess of the
3				2017	-18 baseline weighted student units multiplied by eleven thousand
4				seve	nty two dollars; or
5			(3)	The	district's baseline funding as established in subsection 1 less the
6				amo	unt in paragraph 1, with the difference reduced by fifty-five percent for
7				the 2	024-25 school year and the reduction percentage increasing by fifteen
8				perc	ent each school year thereafter until the difference is reduced to zero,
9				and t	then the difference added to the amount determined in paragraph 1.
10	4.	Afte	r det	ermini	ng the product in accordance with subsection 3, the superintendent of
11		pub	lic ins	structio	on shall:
12		a.	Sub	tract a	in amount equal to sixty mills multiplied by the taxable valuation of the
13			sch	ool dis	trict, except the amount in dollars subtracted for purposes of this
14			sub	divisio	n may not exceed the previous year's amount in dollars subtracted for
15			pur	oses	of this subdivision by more than twelve percent, adjusted pursuant to
16			sec	tion 15	5.1-27-04.3; and
17		b.	Sub	tract a	an amount equal to seventy-five percent of all revenue types listed in
18			sub	divisie	ns c and d of subsection 1. Before determining the deduction for
19			sev	enty-fi	ve percent of all revenue types, the superintendent of public instruction
20			sha	II adju	st revenues as follows:
21			(1)	Tuiti	on revenue shall be adjusted as follows:
22				(a)	In addition to deducting tuition revenue received specifically for the
23					operation of an educational program provided at a residential
24					treatment facility, tuition revenue received for the provision of an adult
25					farm management program, tuition received for the education of
26					high-cost and special education students, and tuition received under
27					an agreement to educate students from a school district on an
28					air force base with funding received through federal impact aid as
29					directed each school year in paragraph 3 of subdivision c of
30					subsection 1, the superintendent of public instruction also shall reduce
31					the total tuition reported by the school district by the amount of tuition

1					revenue received for the education of students not residing in the
2					state and for which the state has not entered a cross-border education
3					eontract; and
4				(b)	The superintendent of public instruction also shall reduce the total
5					tuition reported by admitting school districts meeting the requirements
6					of subdivision e of subsection 2 of section 15.1-29 12 by the amount
7					of tuition revenue received for the education of students residing in an
8					adjacent school district.
9			(2)	After	adjusting tuition revenue as provided in paragraph 1, the
10				supe	erintendent shall reduce all remaining revenues from all revenue types
11				by th	ne percentage of mills levied in 2022 by the school district for sinking
12				and	interest relative to the total mills levied in 2022 by the school district for
13				all p u	urposes.
14	5.	The	amo	unt re	maining after the computation required under subsection 4 is the
15		amo	ount c	of state	aid to which a school district is entitled, subject to any other statutory
16		requ	uirem	ents e	or limitations.
17	6.	On	or be	f ore J ı	une thirtieth of each year, the school board shall certify to the
18		sup	erinte	ndent	of public instruction the final average daily membership for the current
19		sch	ool ye	oar.	
20	7.	For	purpo	o sos c	of the calculation in subsection 4, each county auditor, in collaboration
21		with	the s	school	districts, shall report the following to the superintendent of public
22		inst	ructio	n on a	an annual basis:
23		a.	The	amou	ant of revenue received by each school district in the county during the
24			prev	rious s	school year for each type of revenue identified in subdivisions e and d of
25			sub	sectio	n 1;
26		b.	The	total i	number of mills levied in the previous calendar year by each school
27			dist	rict for	all purposes; and
28		C.	The	numb	per of mills levied in the previous calendar year by each school district
29			for s	sinking	and interest fund purposes.
30	Bas	eline	func	ding -	Establishment - Determination of state aid. (Effective after
31	June 30) , 20 2	25)		

- 1. To determine the amount of state aid payable to each district, the superintendent of public instruction shall establish each district's baseline funding. A district's baseline funding consists of:

 a. All state aid received by the district in accordance with chapter 15.1-27 during the 2018-19 school year;
 - An amount equal to the property tax deducted by the superintendent of public instruction to determine the 2018-19 state aid payment;
 - c. An amount equal to seventy-five percent of the revenue received by the school district during the 2017-18 school year for the following revenue types:
 - (1) Revenue reported under code 2000 of the North Dakota school district financial accounting and reporting manual, as developed by the superintendent of public instruction in accordance with section 15.1-02-08;
 - (2) Mineral revenue received by the school district through direct allocation from the state treasurer and not reported under code 2000 of the North Dakota school district financial accounting and reporting manual, as developed by the superintendent of public instruction in accordance with section 15.1-02-08;
 - (3) Tuition reported under code 1300 of the North Dakota school district financial accounting and reporting manual, as developed by the superintendent of public instruction in accordance with section 15.1-02-08, with the exception of revenue received specifically for the operation of an educational program provided at a residential treatment facility, tuition received for the provision of an adult farm management program, and beginning in the 2025-26 school year, eighty-five percent of tuition received under an agreement to educate students from a school district on an air force base with funding received through federal impact aid, until the 2026-27 school year, and each school year thereafter, when all tuition received under an agreement to educate students from a school district on an air force base with funding received through federal impact aid must be excluded from the tuition calculation under this paragraph;

1 Revenue from payments in lieu of taxes on the distribution and transmission (4) 2 of electric power; 3 Revenue from payments in lieu of taxes on electricity generated from (5)4 sources other than coal; and 5 Revenue from the leasing of land acquired by the United States for which 6 compensation is allocated to the state under 33 U.S.C. 701(c)(3); and 7 d. An amount equal to the total revenue received by the school district during the 8 2017-18 school year for the following revenue types: 9 (1) Mobile home tax revenue: 10 (2)Telecommunications tax revenue; and 11 (3) Revenue from payments in lieu of taxes and state reimbursement of the 12 homestead credit and disabled veterans credit. 13 Beginning with the 2020-21 school year, the superintendent shall reduce the 14 baseline funding for any school district that becomes an elementary district 15 pursuant to section 15.1-07-27 after the 2012-13 school year. The reduction must 16 be proportional to the number of weighted student units in the grades that are 17 offered through another school district relative to the total number of weighted 18 student units the school district offered in the year before the school district 19 became an elementary district. The reduced baseline funding applies to the 20 calculation of state aid for the first school year in which the school district 21 becomes an elementary district and for each year thereafter. For districts that 22 become an elementary district prior to the 2020-21 school year, the 23 superintendent shall use the reduced baseline funding to calculate state aid for 24 the 2020-21 school year and for each year thereafter. 25 2. The superintendent shall divide the district's baseline funding determined in a. 26 subsection 1 by the district's 2017-18 weighted student units to determine the 27 district's baseline funding per weighted student unit. 28 b. For any school district that becomes an elementary district pursuant to section 29 15.1-07-27 after the 2017-18 school year, the superintendent shall adjust the 30 district's baseline funding per weighted student unit used to calculate state aid. 31

The superintendent shall divide the district's baseline funding determined in

31

subsection 1 by the district's weighted student units after the school district 1 becomes an elementary district to determine the district's adjusted baseline 2 funding per weighted student unit. The superintendent shall use the district's 3 adjusted baseline funding per weighted student unit in the calculation of state aid 4 for the first school year in which the school district becomes an elementary 5 district and for each year thereafter. 6 Beginning with the 2021-22 school year and for each school year thereafter, the 7 C. superintendent shall reduce the district's baseline funding per weighted student 8 unit. Each year the superintendent shall calculate the amount by which the 9 district's baseline funding per weighted student unit exceeds the payment per 10 weighted student unit provided in subsection 3. For the 2023-24 school year the 11 superintendent shall reduce the district's baseline funding per weighted student 12 unit by forty percent of the amount by which the district's baseline funding per 13 weighted student unit exceeds the payment per weighted student unit for the 14 15 2023-24 school year. For each year thereafter, the reduction percentage is increased by an additional fifteen percent. However, the district's baseline funding 16 per weighted student unit, after the reduction, may not be less than the payment 17 per weighted student unit provided in subsection 3. 18 For the 2023-24 school year, the superintendent shall calculate state aid as the 19 3. a. 20 greater of: The district's weighted student units multiplied by ten thousand six hundred 21 22 forty-six dollars; 23 One hundred two percent of the district's baseline funding per weighted (2)24 student unit, as established in subsection 2, multiplied by the district's 25 weighted student units, not to exceed the district's 2017-18 baseline 26 weighted student units, plus any weighted student units in excess of the 27 2017-18 baseline weighted student units multiplied by ten thousand 28 six hundred forty-six dollars; or 29 (3)The district's baseline funding as established in subsection 1 less the 30 amount in paragraph 1, with the difference reduced by forty percent and

then the difference added to the amount determined in paragraph 1.

31

1 For the 2024-25 school year and each school year thereafter, the superintendent b. 2 shall calculate state aid as the greater of: 3 The district's weighted student units multiplied by eleven thousand (1) 4 seventy-two dollars; 5 (2) One hundred two percent of the district's baseline funding per weighted 6 student unit, as established in subsection 2, multiplied by the district's 7 weighted student units, not to exceed the district's 2017-18 baseline 8 weighted student units, plus any weighted student units in excess of the 9 2017-18 baseline weighted student units multiplied by eleven thousand 10 seventy-two dollars; or 11 (3)The district's baseline funding as established in subsection 1 less the 12 amount in paragraph 1, with the difference reduced by fifty-five percent for 13 the 2024-25 school year and the reduction percentage increasing by fifteen 14 percent each school year thereafter until the difference is reduced to zero, 15 and then the difference added to the amount determined in paragraph 1. 16 4. After determining the product in accordance with subsection 3, the superintendent of 17 public instruction shall: 18 a. Subtract an amount equal to sixty mills multiplied by the taxable valuation of the 19 school district; and 20 b. Subtract an amount equal to seventy-five percent of all revenue types listed in 21 subdivisions c and d of subsection 1. Before determining the deduction for 22 seventy-five percent of all revenue types, the superintendent of public instruction 23 shall adjust revenues as follows: 24 Tuition revenue shall be adjusted as follows: 25 In addition to deducting tuition revenue received specifically for the 26 operation of an educational program provided at a residential 27 treatment facility, tuition revenue received for the provision of an adult 28 farm management program, tuition received for the education of 29 high-cost and special education students, and tuition received under an agreement to educate students from a school district on an 30

air force base with funding received through federal impact aid as

1				directed each school year in paragraph 3 of subdivision c of
2				subsection 1, the superintendent of public instruction also shall reduce
3				the total tuition reported by the school district by the amount of tuition
4				revenue received for the education of students not residing in the
5				state and for which the state has not entered a cross-border education
6				contract; and
7			(b)	The superintendent of public instruction also shall reduce the total
8				tuition reported by admitting school districts meeting the requirements
9				of subdivision e of subsection 2 of section 15.1-29-12 by the amount
10				of tuition revenue received for the education of students residing in an
11				adjacent school district.
12		(2)	After	r adjusting tuition revenue as provided in paragraph 1, the
13			supe	erintendent shall reduce all remaining revenues from all revenue types
14			by th	ne <u>subparagraph a or b, if the district elects to use the amount of the</u>
15			redu	etion for capital projects or capital debt repayment and levied sinking
16			and	interest mills in 2024:
17			<u>(a)</u>	The percentage of mills levied in 20222024 by the school district for
18				sinking and interest and building fund relative to the total mills levied
19				in 2022 2024 by the school district for all purposes: or
20			<u>(b)</u>	The percentage of in lieu of revenue in the state school aid formula
21				relative to the sum of in lieu of revenue in the state school aid formula
22				plus the amount deducted under subdivision a. The amount of the
23				reduction must be allocated to the school district's sinking and interest
24				fund and applied specifically to bonded indebtedness and capital debt
25				repayment obligations.
26	5.	The amo	unt re	maining after the computation required under subsection 4 is the
27		amount c	of state	e aid to which a school district is entitled, subject to any other statutory
28		requirem	ents c	or limitations.
29	6.	On or be	fore J	une thirtieth of each year, the school board shall certify to the
30		superinte	ndent	t of public instruction the final average daily membership for the current
31		school ye	ar.	

1 For purposes of the calculation in subsection 4, each county auditor, in collaboration 2 with the school districts, shall report the following to the superintendent of public 3 instruction on an annual basis: 4 The amount of revenue received by each school district in the county during the 5 previous school year for each type of revenue identified in subdivisions c and d of 6 subsection 1; 7 b. The total number of mills levied in the previous calendar year by each school 8 district for all purposes; and 9 The number of mills levied in the previous calendar year by each school district 10 for sinking and interest fund purposes: and 11 Which deduction the school district elects under paragraph 2 of subdivision b of 12 subsection 4.
