

My name is Lynn Mahr.

Thank you so much for allowing me to share my voice regarding SCR 4003.

I've been a resident of the great state of North Dakota for 15 years.

I have been a volunteer with Convention of States since around 2017.

My duties for five of those years was having the pleasure of reaching out to the people who signed our petition for Convention of States.

I thanked them for signing the petition and asked if they had any questions.

They were, to say the least, enthusiastic patriots who loved our country.

Almost always, the people would ask me what they could do to help save our country.

They were fearful that our government had become too big and over powering.

Having the ear to so many North Dakotans for so many years. Knowing how they feel about our government is the reason that I'm asking you to please vote "no" for SCR 4003.

Thank you so much for your time.
