

Lanny Kenner  
District 7

Chairman Roers and Committee members,  
I am requesting YES votes on HB 1303.

This is a bill that shouldn't even be needed since anyone harboring a criminal from the law can be charged along with that criminal.

Words have meanings and the words "Illegal Immigrant" means a person in this country illegally which makes them a criminal. This should be easy to see even for those of you living close to Minnesota.

Please vote YES on HB 1303 to be compliant with our laws.

Thank you, Lanny Kenner
