

HCR 3003 Testimony  
House Government and Veterans Affairs  
Recommending a **Do Not Pass on HCR 3003**

Dear Chairman Schauer and Committee Members,

I urge our House Government and Veterans Affairs Committee to give HCR 3003 a do not pass recommendation.

Last year we, the people of North Dakota, voted against a ballot measure that would have done what HRC 3003 is proposing. This was already decided! HCR 3003 increases the percentage of votes that would be required to pass a constitutional ballot measure, and for what reason? HCR 3003 goes against the vote and the will of the voters. This is not appropriate, and it is in someone's interest(?) that has no business removing the will of the people from this decision. In a fair and free election, the decision was made by the people and therefore, I ask you for a Do Not Pass on HCR 3003.

Thank you for your dedicated work on our behalf,
