There is hereby appropriated out of any moneys in the general fund in the state treasury, not otherwise appropriated, the sum of \$6,000.00, or so much thereof as may be necessary, to the department of agriculture for predatory animal control for the period beginning at the time of passage and approval of this Act and ending June 30, 1973. Such funds shall be expended for the control and reduction of the state's coyote population through the period ending June 30, 1973.

SECTION 2. INTENT.) It is the intent of the legislative assembly that the funds appropriated by this Act be expended immediately to reduce the coyote population in certain areas of the state where coyotes are committing depredations which are detrimental or a nuisance to the farmers and ranchers in those areas.

SECTION 3. EMERGENCY.) This measure is hereby declared to be an emergency measure and shall be in full force and effect immediately upon its passage and approval.

Approved February 25, 1973

Any additional income not required by law to be deposited in the operating fund in the state treasury and income from increased enrollments is hereby appropriated. All income resulting from increased enrollments in excess of estimated income in the budget appropriated by the legislature to the institutions of higher learning must be deposited in their operating funds in the state treasury and can be expended only by authorization of the emergency commission.

SECTION 2. NEW PROGRAMS.) The new programs requested and approved by the board of higher education for the institutions of higher learning are hereby authorized if institutional funds become available for their implementation.

SECTION 3. INTENT, REPEAL, PURPOSE AND CONSTRUCTION.) All Acts and parts of Acts that may be in conflict herewith are hereby repealed and if for any reason or cause any specific appropriation for any item or set of items should be held by the court or courts to be unconstitutional or illegal or otherwise unavailable for any cause, such holdings shall not affect or be construed to apply to the remaining items of appropriation herein or purposes herein.

SECTION 4.) The board of higher education is hereby authorized to use operating funds in addition to appropriated plant improvement funds for the maintenance, repair, and improvement of buildings and land acquisition at the various institutions, with consent of the emergency commission during the biennium beginning July 1, 1973, and ending June 30, 1975.

SECTION 5. LEGISLATIVE INTENT.) The forty-third legislative assembly hereby expresses its intent that residency programs developed and established in North Dakota in support of the 2-1-1 or any other medical education plan implemented by the state board of higher education or the university of North Dakota medical school be financed in conjunction with the private sector. The legislature considers the private sector as including, but not being limited to, area health education centers, private clinics and hospitals, federal health care facilities, grants, individual physicians and surgeons, and other health care and allied health care institutions.

SECTION 6. LEGISLATIVE INTENT.) It is the intent of

the Legislative Assembly that the colleges and universities pay special assessments from their plant improvement monies. Notwithstanding the provisions of section 40-23-22, no funds shall be expended to pay special assessments on projects that do not directly serve a state institution and are not located on or contiguous to a state institution, wherever located in the state.

SECTION 7. NORTH DAKOTA STATE UNIVERSITY.) In addition to the appropriations and authorizations provided by this Act, there is hereby appropriated \$313,202 for the North Dakota State University from the general fund in the state treasury during the biennium beginning July 1, 1973, and ending June 30, 1975, to be used only in the event of a reduction, and only to the extent of such reduction, in either or both years of the biennium in the receipt of federal funds by the North Dakota State University pursuant to the Bankhead-Jones Act. Such reduction during each year of the biennium shall be determined by subtracting the amounts received under the Bankhead-Jones Act each year from the amounts received during the fiscal year ended June 30, 1972. Funds shall be made available pursuant to this contingency appropriation only upon approval of the state board of higher education and with written notification by such board to the director of accounts and purchases.

Approved March 28, 1973

Any additional income including funds from the federal government and gifts and donations from private sources received by the North Dakota main experiment station, branch stations, and the cooperative extension division, except as otherwise provided by law, are hereby appropriated for the purpose designated in the gift, grant, or donation; however, public moneys from local sources, which shall include receipts from sale of grains, personal services, dairy products, livestock, and other agricultural products at the North Dakota main experiment station, branch experiment stations and the cooperative extension division, may be expended in excess of that specifically appropriated through biennial appropriations bills of the legislative assembly only in the event that an authorization has first been received from the subcommittee on budget of the legislative council. The balances of all existing moneys on deposit in the name of the North Dakota state university

main experiment station, the branch experiment stations, and the cooperative extension division, except grants, gifts, and donations from private sources, along with all subsequent receipts of such moneys, shall be deposited in a special fund in the state treasury. Hereafter, this fund shall be referred to as an operating fund and shall also be the depository for transfers from the general fund, and balances therein shall not revert to any other fund under the terms of section 54-44.1-11. All of the moneys in the operating fund shall remain in such fund until expended pursuant to a specific legislative appropriation or an authorization from the subcommittee on budget of the legislative council, and the balances of such moneys except those received from the federal government or as gifts from private sources, shall be used to reduce the amount of moneys to be expended pursuant to the general fund appropriation only to the extent that the unencumbered balance in the operating fund on June 30, 1973, exceeds the estimated income for the biennium ending June 30, 1975. The state board of higher education is authorized to approve transfer of funds between categories of expenditures, and will notify the director of the department of accounts and purchases of any such transfers within ten days following such authorization.

SECTION 2. INTENT, REPEAL, PURPOSE AND CONSTRUCTION.) All Acts and parts of Acts that may be in conflict herewith are hereby repealed and if for any reason or cause any specific appropriation for any item or set of items should be held by the court or courts to be unconstitutional or illegal or otherwise unavailable for any cause, such holdings shall not affect or be construed to apply to the remaining items of appropriation herein or purposes herein.

SECTION 3. PLANT IMPROVEMENTS.) Minor structures for agricultural research may be authorized for construction by the state board of higher education when such structures do not exceed \$20,000 in cost.

SECTION 4. MAIN EXPERIMENT STATION.) In addition to the appropriations and authorizations provided by this Act, there is hereby appropriated \$150,000 for the Main Experiment Station from the general fund in the state treasury during the biennium beginning July 1, 1973, and ending June 30, 1975, to be used only in the event of a reduction, and only to the extent of such reduction, in either or both years of the biennium in the receipt of federal funds by the Experiment Station pursuant to the Hatch Act. Such reduction during each year of the biennium shall be determined by subtracting the amounts under the Hatch Act each year from the amounts received during the fiscal year ended June 30, 1973. Funds shall be made available pursuant to this contingency appropriation only upon approval of the state board of higher education and with written notification by such board to the director of accounts and purchases.

SECTION 5. LEGISLATIVE INTENT.) It is the intent of the Legislative Assembly that the special programs in the Extension Division, known as Special Program - Nutritional, ABM Impact Area Development, and Man Power Project, which are totally federally funded shall not be continued when federal funds are no longer forthcoming.

Approved March 28, 1973

Total all funds	\$ 87,150,139
Less estimated income	64,364,768
Total general fund transfer and appropriation	\$ 22,785,371

SECTION 2. APPROPRIATION.) The monies herein appropriated in accordance with budget categories for salaries and wages pertaining to workload change, different services, or added facilities shall be made available only after certification to the executive office of the budget that such changes, services, or facilities have been added, or that newly anticipated employees are actually in the employ of the state.

SECTION 3. INTERAGENCY COORDINATION.) The social services department is hereby directed to coordinate the services provided in the social services centers with the services provided in the area mental health centers under the direction of the state health department and to eliminate all unnecessary duplication of programs and staff.

SECTION 4. APPROPRIATION.) There is hereby appropriated to the social service board, out of any moneys in the general fund in the state treasury, the sum of \$69,012.00 and the sum of \$207,065.00 in federal funds or such lesser amounts as may be necessary, not otherwise appropriated, to employ a certified public accountant, establish five screening teams, and develop a fiscal planning and program monitoring system during the biennium beginning July 1, 1973, and ending June 30, 1975. The social service board shall establish during this period of time and implement a system for paying vendors of medical services on a basis related to the level of care and treatment provided eligible recipients, and shall from time to time report the status of its work to the legislative council or such committee of the council as it designates.

SECTION 5. APPROPRIATION.) There is hereby appropriated to the social service board the sum of \$1,000,000.00 in federal funds and \$400,000.00 to be contributed by individuals, organizations, governmental units, or other sources, or such lesser amounts as may be necessary, for purposes determined to be eligible for funding as provided by state and federal law during the biennium beginning July 1, 1973, and ending June 30, 1975. Expenditures pursuant to this appropriation shall be made only for funding such functions or activities that have first been approved by the legislative council committee on budget. The social service board shall present such requests for program approval to the legislative council committee on budget in such form as may be prescribed by the committee.

SECTION 6. LEGISLATIVE INTENT.) It is the intent of the legislative assembly that:

1. The AFDC program be based upon a monthly payment level to provide a family of four \$315 per month, or such lesser amount that the social service board may determine necessary so that total expenditures for the program do not exceed available funds;
2. Since counties will be receiving revenue sharing funds, the appropriation to the social service board does not include funds to assist counties in making payments to the ineligible spouse or supplement payments to those in homes for the aged and infirmed;
3. There are moneys from the general fund included in the budget in the amount of \$50,000.00 for the northwest human resource center, Williston, and \$140,000.00 for the Badlands human service center, Dickinson; and

4. No additional persons be employed in area social service centers during the 1973-75 biennium, except in those instances where vacancies occur or where a position is funded, but vacant at the close of the current biennium.

SECTION 7. APPROPRIATION.) There is hereby appropriated to the social service board from the general fund in the state treasury, from moneys not otherwise appropriated, \$228,000.00, or so much thereof as may be necessary, during the biennium beginning July 1, 1973, and ending June 30, 1975, for providing additional financial assistance for welfare costs in counties with Indian residents. It is the intent of the legislative assembly that, to the extent that the social service board determines that needs exist, amounts not to exceed the following may be made available to the following counties:

Benson	\$ 63,840
Rolette	136,800
Sioux	27,360

SECTION 2. APPROPRIATION.) The monies herein appropriated in accordance with budget categories for salaries and wages pertaining to workload change, different services, or added facilities shall be made available only after certification to the executive office of the budget that such changes, services, or facilities have been added, or that newly anticipated employees are actually in the employ of the state.

SECTION 3. INTENT, REPEAL, PURPOSE AND CONSTRUCTION.) All Acts and parts of Acts that may be in conflict herewith are hereby repealed and if for any reason or cause any specific appropriation for any item or set of items should be held by the court or courts to be unconstitutional or illegal or otherwise unavailable for any cause, such holding shall not affect or be construed to apply to the remaining items of appropriation herein or purposes provided for herein.

SECTION 4. LEGISLATIVE INTENT.) It is the intent of the legislative assembly that the state laboratories department serve the public in the capacity of a consumer affairs office.

SECTION 5. LABORATORIES COMMISSION MAY ISSUE BONDS FOR CONSTRUCTION OF A BUILDING - PAYMENT OF BONDS - APPROPRIATION.)

1. For the purpose of paying the cost of construction of a building to house the state laboratories department, the state laboratories commission may borrow money on the credit of the revenue to be derived from fees collected by the department pursuant to law. In anticipation of such collections, the commission may issue negotiable bonds in a total amount not to exceed \$750,000, and may provide for the payment of those bonds and the rights of holders thereof, provided that bonds issued under this section shall not be an indebtedness of the state of North Dakota. Bonds issued under this section shall be payable serially, and may be issued in one or more series, may bear such date or dates, may mature at such times but not later than ten years from the date of issuance of the first series, may be in such denomination or denominations, may be in such form either coupon or registered, may carry such registration and conversion privileges, may be executed in such manner, may be payable in such medium of payment at such place or places, may be subject to such

terms of redemption with or without premium, and may bear such rate or rates of interest as may be provided by resolution of the commission. Bonds issued under this section shall have all of the qualities and incidents of negotiable paper, and shall not be subject to taxation by the state of North Dakota, or by any county, municipality, or other political subdivision thereof. Bonds issued under this section may be purchased by the Bank of North Dakota, with approval of the industrial commission.

2. There is hereby created a laboratories department sinking fund in the state treasury to which shall be credited the proceeds of fees collected and appropriated by this section. Notwithstanding the provisions of section 19-01-07, so much of the proceeds from fees collected by the state laboratories department as may be necessary for payment of the principal and interest on bonds issued under this section are hereby appropriated to and shall be deposited by the laboratories commission in the laboratories department sinking fund until such time as it is determined by the industrial commission that sufficient funds exist in the sinking fund for the payment of the principal of all outstanding bonds and interest thereon.
3. The proceeds of any bonds issued under the authority of this section are hereby appropriated to the state laboratories commission for construction of a building to house the laboratories department. Construction and furnishing of the building shall be contracted for and supervised by the state laboratories commission or its designee.

SECTION 6. AMENDMENT.) Section 19-10-19 of the North Dakota Century Code is hereby amended and reenacted to read as follows:

19-10-19. INSPECTION FEES.) Every person shipping or transporting kerosene, gasoline, tractor fuel, heating oil, or diesel fuel into this state for sale or consignment or with intent to sell or consign the same, or holding any such product for sale in this state, shall pay to the department an inspection fee of one-fortieth of a cent per gallon for each and every gallon thereof so shipped or transported into the state, or held for sale within the state. An inspection fee shall not be required for a shipment or consignment of gasoline, kerosene, tractor fuel, heating oil, or diesel fuel when the inspection fee has already been paid by another dealer. The fee shall accompany the monthly report required in the following section and shall be due on the first of each calendar month for the preceding month. Such fee shall become delinquent when ten days past due.

SECTION 7. EFFECTIVE DATE.) Section 6 of this Act shall not become effective until such time as the industrial commission certifies to the state laboratories department or its designee that the bonds issued pursuant to this Act have been retired.

Approved March 26, 1973

## CHAPTER 44

SENATE BILL NO. 2357

(Committee on Finance and Taxation)

PERSONAL PROPERTY TAX REPLACEMENT  
DEFICIENCY APPROPRIATION

AN ACT making a deficiency appropriation for personal property tax replacement for the fiscal year ending June 30, 1973, and declaring an emergency.

BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF THE STATE OF NORTH DAKOTA:

SECTION 1. APPROPRIATION.) There is hereby appropriated out of any moneys in the general fund in the state treasury, not otherwise appropriated, the sum of \$500,000.00, or so much thereof as may be necessary, for the replacement of personal property taxes for the fiscal year ending June 30, 1973, which moneys shall be in addition to and supplemental to the appropriation provided in chapter 37 of the 1971 Session Laws of North Dakota.

SECTION 2. CONTINGENT.) If the appropriation provided for in this Act together with the unexpended balance of the appropriation provided in chapter 37 of the 1971 Session Laws of North Dakota are less than the amount due for personal property tax replacement payments for fiscal year ending June 30, 1973, as determined pursuant to the replacement formula provided in section 57-58-01 of the North Dakota Century Code, the director of the department of accounts and purchases shall calculate the amount for payment to the state medical center and to each county as follows: the total amount computed by the tax commissioner by applying the proper formula and certified by him as the total amount of payments in the fiscal year for the state medical center and each county and its political subdivisions shall be reduced proportionately by multiplying that total amount by the ratio that the amount of appropriation available for payment in the fiscal year bears to the total amount certified by the tax commissioner for payment in the fiscal year for the state medical center and the counties and their political subdivisions.

SECTION 3. EMERGENCY.) This Act is hereby declared to be an emergency measure and shall be in full force and effect from and after its passage and approval.
