All income resulting from increased enrollments in excess of estimated income in the budget appropriated by the legislature to the institutions of higher learning must be deposited in their operating funds in the state treasury and can be expended only by authorization of the emergency commission.

SECTION 2. INTENT, REPEAL, PURPOSE AND CONSTRUCTION.)

All Acts and parts of Acts that may be in conflict herewith are hereby repealed and if for any reason or cause any specific appropriation for any item or set of items should be held by the court or courts to be unconstitutional or illegal or otherwise unavailable for any cause, such holdings shall not affect or be construed to apply to the remaining items of appropriation herein or purposes herein.

SECTION 3.) The board of higher education is hereby authorized to use operating funds in addition to appropriated plant improvement funds for the maintenance, repair, and improvement of buildings and land acquisition at the various institutions, with consent of the emergency commission during the biennium beginning July 1, 1975, and ending June 30, 1977.

SECTION 4. LEGISLATIVE INTENT.) The Forty-fourth Legislative Assembly hereby expresses its intent that residency programs developed and established in North Dakota in support of the 2-1-1 or any other medical education plan implemented by the state board of higher education or the university of North Dakota medical school be financed in conjunction with the private sector. The legislature

considers the private sector as including, but not being limited to, area health education centers, private clinics and hospitals, federal health care facilities, grants, individual physicians and surgeons, and other health care and allied health care institutions.

SECTION 5. LEGISLATIVE INTENT.) It is the intent of the legislative assembly that the colleges and universities pay special assessments from their plant improvement moneys. Notwithstanding the provisions of section 40-23-22, no funds shall be expended to pay special assessments on projects that do not directly serve a state institution and are not located on or contiguous to a state institution, wherever located in the state.

SECTION 6. NORTH DAKOTA STATE UNIVERSITY.) In addition to the appropriations and authorizations provided by this Act, there is hereby appropriated \$308,000.00 for the North Dakota state university from the general fund in the state treasury during the biennium beginning July 1, 1975, and ending June 30, 1977, to be used only in the event of a reduction, and only to the extent of such reduction, in either or both years of the biennium in the receipt of federal funds by the North Dakota state university pursuant to the Bankhead-Jones Act. Such reduction during each year of the biennium shall be determined by subtracting the amounts received under the Bankhead-Jones Act each year from the amounts received during the fiscal year ended June 30, 1974. Funds shall be made available pursuant to this contingency appropriation only upon approval of the state board of higher education and with written notification by such board to the director of accounts and purchases.

SECTION 7. LEGISLATIVE INTENT.) It is the intent of the legislative assembly that the expansion of the Indian studies program from a minor to a major be funded from federal and private funds which may become available for such purpose. No general fund moneys shall be expended for such purpose during the biennium beginning July 1, 1975, and ending June 30, 1977.

SECTION 8. APPROPRIATION.) There is hereby appropriated to the board of higher education out of any unappropriated funds in the general fund in the state treasury the sum of \$640,000.00, or so much thereof as may be necessary, for the biennium beginning July 1, 1975, and ending June 30, 1977, for the purpose of installing power plant emission control systems at the university of North Dakota and North Dakota state university and for conversion to fuel for heating purposes at North Dakota state university-Bottineau branch. The amounts to be allocated to the institutions shall be as follows:

University of North Dakota	\$350,000
North Dakota state university	\$270,000
North Dakota state university- Bottineau branch	\$ 20,000

SECTION 9. UNIVERSITY OF NORTH DAKOTA MEDICAL CENTER.) The line item entitled "contingency accreditation - \$500,000.00" included within the university of North Dakota medical center appropriation in section 1 of this Act may be used upon approval of the board of higher education to comply with unforeseen needs in meeting accreditation requirements.

Approved April 8, 1975

## Subdivision 3.

## LEGISLATIVE COUNCIL

Salaries and wages	\$ 783,823
Fees and services	527,529
Supplies and materials	46,485
Equipment	8,500
Total	<u>\$1,366,337</u>
Total general fund	\$3,847,643

SECTION 4. APPROPRIATION.) There is hereby appropriated out of any moneys in the special fund created pursuant to the provisions of this Act, and out of such trust fund as may be created for the receipt of coal severance taxes, not otherwise appropriated, to the legislative council, the sum of \$2,000,000.00, or so much thereof as may be necessary, and such other federal and private funds as may be available for the purpose of establishing and carrying on research in regard to North Dakota's resources and areas of governmental activity or responsibility for the purpose of assisting in the development of new laws, policies, and governmental actions and providing facts and information to the citizens of the state. It is the intent of the legislative assembly that priority shall be given to the development of necessary data and information systems in regard to the existence of and potential use of North Dakota's natural resources in order that the citizens of this state, officials of the executive branch of government and local government, and the legislative assembly, may know with a high degree of certainty the alternatives available to the state in any use and development of resources, and the results and impacts of any such use or development, in order that there shall not be material detrimental deterioration of the environment or quality of life in North Dakota, but that any such use shall in fact enhance the quality of life of the citizens of this state. The legislative council shall appoint a committee known as the resources research committee consisting of members of the legislative assembly, officials of the executive branch of government as approved by the governor, a representative from each of North Dakota's universities, and if it shall determine it to be beneficial, one or more representatives of the citizens of the state. Such committee in accordance with the laws, rules, and procedures of the legislative council shall be charged with the research and development of the data and information that is necessary to carry out the provisions of this section. The staff of the legislative council shall assist such committee in the same manner as other committees of the council, and it may call upon the state planning division for such aid and assistance as it may deem necessary in carrying out its duties. It may procure such additional staff and technical assistance as may be necessary and all state departments, agencies, institutions, and local governments shall provide such aid, information, and assistance

as it may deem necessary. The committee, through the legislative council, shall make periodic reports to the legislative assembly, the governor, and the citizens of the state. The provisions of section 54-44.1-11 shall not apply to the appropriation provided in this Act.

SECTION 5. TEMPORARY TRANSFER.) Upon the directive of the chairman of the legislative council, the director of the department of accounts and purchases shall transfer up to \$900,000 from the general fund in the state treasury to a special coal research fund which shall be created upon the passage of this Act, with the balance remaining in such fund being transferred, upon the effective date of Senate Bill No. 2031, or such other Act creating a trust fund from a coal severance tax as may be approved by the legislative assembly, to such special trust fund as may be created for coal severance tax moneys. No later than June 30, 1977, the sum of \$900,000, or such lesser amounts as may have been transferred pursuant to the provisions of this Act, shall be returned and transferred to the general fund from any coal severance tax special trust fund approved by the legislative assembly.

All income from charges and fees to private sources for material developed by the North Dakota regional environmental assessment program shall be placed in the trust fund created by Senate Bill No. 2031, or such other Acts as may be approved by the legislative assembly establishing a special trust fund from the coal severance tax, until the sum of \$2,000,000.00 has been placed in such fund from charges and fees.

SECTION 6. TRANSFERS.) The director of accounts and purchases and the state treasurer shall make such transfers of funds between lined items of appropriations for the legislative council as may be requested by the chairman of such council upon a finding by such chairman that the nature of studies and duties assigned to the council requires such transfers in properly carrying on the council's functions and duties. The director of accounts and purchases and the state treasurer shall similarly make transfers of funds between the lined items for the Forty-fourth and Forty-fifth Legislative Assemblies and the legislative organizational session upon request of the chairman of the legislative council upon a finding by him that such transfers are required for the legislative assembly and the legislative organizational session to carry on their functions and duties.

SECTION 7. EMERGENCY.) This measure is hereby declared to be an emergency measure and shall be in full force and effect immediately upon its passage and approval.

Approved April 10, 1975

The moneys herein appropriated shall be made available to the various departments, agencies, institutions, and enterprises only after a determination by the director of the department of accounts and purchases that such amounts will be necessary to pay salaries in accordance with the proposed job classification and salary plan developed by the central personnel division or in accordance with an alternative plan developed by the department of accounts and purchases for unclassified agencies. Salaries of employees employed in programs which are entirely funded from special funds derived from federal funds shall be increased only by the amount of federal funds appropriated for such programs. For those state officers and employees whose salaries are set by line item in appropriation Acts of the forty-third legislative assembly, the director of the department of accounts and purchases shall have authority to approve a monthly salary increase over and above the amount of such line item for such persons in amounts not to exceed eleven and ninetieths percent of such persons' current monthly salaries on the effective date of this Act.

SECTION 3. APPROPRIATION - GENERAL FUND.) There is hereby appropriated to the department of accounts and purchases out of any moneys in the general fund in the state treasury, not otherwise appropriated, the sum of \$756,882.00, or so much thereof as may be necessary, for the period beginning January 1, 1975, and ending June 30, 1975, for the purpose of paying salary increases, except as limited by section 84 of the North Dakota Constitution and the central personnel division proposed job classification and salary plan, to employees of the various state agencies, institutions, and departments of state government not included in section 2 of this Act whose operations are totally or partially funded from the state general fund. However, the general fund moneys appropriated by this section may be distributed to agencies whose operations are partially funded from the state general fund in addition to amounts provided in section 2 of this Act in the event that the amounts estimated in section 2 of this Act are not sufficient to fund salary levels in accordance with the central personnel division proposed job classification and salary plan. The funds herein appropriated shall be disbursed and allocated to the various state agencies, departments, and institutions upon approval by the director of the department of accounts and purchases of an application prepared by the authorized representative of the agency, department, or institution requesting an allocation of such funds setting forth the amounts necessary to pay salaries to employees in accordance with the proposed job classification and salary plan

developed by the central personnel division or in accordance with an alternative plan developed by the department of accounts and purchases for unclassified agencies.

For those state officers and employees whose salaries are set by line item in appropriation Acts of the forty-third legislative assembly, the director of the department of accounts and purchases shall have authority to approve a monthly salary increase for such persons in amounts not to exceed eleven and nine-tenths percent of such persons' salaries on the effective date of this Act.

SECTION 4. APPROPRIATION - GENERAL FUND.) There is hereby appropriated to the state board of higher education out of any moneys in the general fund in the state treasury, not otherwise appropriated, the sum of \$3,103,380.00, or so much thereof as may be necessary, for the period beginning January 1, 1975, and ending June 30, 1975, to be disbursed to the institutions of higher education and auxiliary enterprise operations thereof under the control of the state board of higher education, the extension division and experiment stations of the North Dakota state university of agriculture and applied science, the state forest service, the university of North Dakota medical center, but excepting the medical center rehabilitation hospital, for the purpose of paying salaries in accordance with the salary schedule for nonclassified employees and the average midpoints in the classification and pay plan for classified employees established by the state board of higher education for employees of the institutions of higher education. The moneys herein appropriated shall be allocated and disbursed upon approval by the office of the state board of higher education of an application prepared by the authorized representative of the various institutions or agencies named or included in this section requesting an allocation of such funds setting forth amounts necessary to pay salaries to employees in accordance with the salary schedule for nonclassified employees and the average midpoints of the classification and pay plan for classified employees established by the state board of higher education for employees of the institutions of higher education or agencies responsible to such board. The moneys herein appropriated for the auxiliary enterprise operations of the institutions of higher education shall be disbursed and allocated to such operations only to the extent that other funds are not available to fund the salary levels provided for herein.

SECTION 5. APPROPRIATION - GENERAL FUND.) There is hereby appropriated to the North Dakota geological survey out of any moneys in the general fund in the state treasury, not otherwise appropriated, the sum of \$17,072.00, or so much thereof as may be necessary, for the period beginning January 1, 1975, and ending June 30, 1975, for the purpose of paying salaries in accordance with the salary schedule for nonclassified employees and average midpoint in the classification and pay plan for classified employees established by the state board of

higher education for employees of institutions of higher education. The moneys herein appropriated shall be made available only after a determination by the office of the state board of higher education that all or a portion of the moneys herein appropriated are necessary to pay salaries in accordance with the salary schedule for nonclassified employees and average midpoint of the classification and pay plan for classified employees established by the state board of higher education for employees of the institutions of higher education.

SECTION 6. APPROPRIATION - SPECIAL FUNDS.) There is hereby appropriated to the agronomy seed farm out of any moneys derived from income from the agronomy seed farm the sum of \$3,399.00, or so much thereof as may be necessary, and to the university of North Dakota medical center rehabilitation hospital out of any moneys derived from gifts, grants, contracts, sales, services, and other income from the university of North Dakota medical center rehabilitation hospital the sum of \$179,203.00, or so much thereof as may be necessary, for the period beginning January 1, 1975, and ending June 30, 1975, for the purpose of paying salaries in accordance with the salary schedule for nonclassified employees and average midpoint in the classification and pay plan for classified employees established by the state board of higher education for employees of institutions and agencies of higher education. The moneys herein appropriated shall be made available only after a determination by the office of the state board of higher education of the amount necessary to pay salaries in accordance with the salary schedule for nonclassified employees and the average midpoint of the classification and pay plan for classified employees established by the state board of higher education for employees of the institutions of higher education.

SECTION 7. APPROPRIATION - GENERAL FUND.) There is hereby appropriated to the supreme court out of any moneys in the general fund in the state treasury, not otherwise appropriated, the sum of \$14,214.00, or so much thereof as may be necessary, for the period beginning January 1, 1975, and ending June 30, 1975, for the purpose of paying salary increases to employees of the supreme court, the judicial council, and the supreme court law library in accordance with a salary schedule established by the supreme court. The moneys herein appropriated shall not be available for an increase in compensation to any justice or judge of the supreme court or district court.

SECTION 8. INTENT.) It is the intent of the legislative assembly that those agencies included in the central personnel division proposed classification and pay plan will receive the necessary funds to permit increasing employee salaries to at least the entry level but not exceeding the maximum of salary ranges determined for job classifications as proposed in the salary and classification plan developed by the central personnel division.

## SECTION 9. INTENT, REPEAL, PURPOSE, AND CONSTRUCTION.)

All Acts and parts of Acts that may be in conflict herewith are hereby repealed and if for any reason or cause any specific appropriation for any item or set of items or pay period should be held by the court or courts to be unconstitutional or illegal or otherwise unavailable for any cause, such holding shall not affect or be construed to apply to the remaining items of appropriation herein or other pay periods or purposes provided for herein.

SECTION 10. EMERGENCY.) This Act is hereby declared to be an emergency measure and shall be in full force and effect from and after its passage and approval.

SECTION 2. APPROPRIATION.) The moneys herein appropriated in accordance with budget categories for salaries and wages pertaining to workload change, different services, or added facilities shall be made available only after certification to the executive office of the budget that such changes, services, or facilities have been added, or that newly anticipated employees are actually in the employ of the state.

SECTION 3. INTENT, REPEAL, PURPOSE AND CONSTRUCTION.) All Acts and parts of Acts that may be in conflict herewith are hereby repealed and, if for any reason or cause any specific appropriation for any item or set of items should be held by the court or courts to be unconstitutional or illegal or otherwise unavailable for any cause, such holding shall not affect or be construed to apply to the remaining items of appropriation herein or purposes provided for herein.

SECTION 4.) The state library commission is hereby authorized to accept federal funds which are hereby appropriated for the biennium beginning July 1, 1975, and ending June 30, 1977, and it is the intent of the legislature that if federal funds become available for the operation of the state library commission, the general fund appropriation shall be reduced by the amount of such federal matching funds.

SECTION 5. APPROPRIATION AND TRANSFER.) In addition to other appropriations provided by this Act, there is hereby appropriated the sum of \$1,234,289.00, or so much thereof as may be necessary, from the general fund in the state treasury for transfer to the Grafton state school operating fund during the biennium beginning July 1, 1975, and ending June 30, 1977. Such transfer shall be made only in the event of a reduction, and only to the extent of such reduction, in either or both years of the biennium in the receipt of the estimated federal funds of \$1,234,289.00 by the Grafton state school pursuant to funds anticipated under the Comprehensive Employment and Training Act. Transfers pursuant to this appropriation shall be made only upon approval of the emergency commission.

SECTION 6. LEGISLATIVE INTENT.) It is the intent of the legislative assembly that the \$167,809.00 appropriated for recreational personnel by this Act for the Grafton state school's recreation program be expended only to the extent that federal funds are received for such program during the biennium beginning July 1, 1975, and ending June 30, 1977.

SECTION 7. LEGISLATIVE INTENT.) It is the intent of the legislative assembly that \$78,610.00 of the appropriation for salaries and wages to the Grafton state school be used to hire a full-time medical director, and that, at the time a full-time medical director is hired, the school discontinue obtaining part-time medical director services.

SECTION 8. LEGISLATIVE INTENT.) It is the intent of the legislative assembly that the cost of education for those students attending the Grafton state school, but do not reside there, be absorbed within the funds appropriated in subdivision 9 of this Act.

SECTION 9. EMERGENCY.) This Act is hereby declared to be an emergency measure and shall be in full force and effect from and after its passage and approval on such items as are designated to be made available immediately on passage and approval.

SENATE BILL NO 2111  
(Committee on Appropriations)

### PERSONAL PROPERTY TAX REPLACEMENT

AN ACT to provide an appropriation for the replacement of personal property taxes, and the distribution of such moneys, providing an appropriation, and declaring an emergency.

BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF THE STATE OF NORTH DAKOTA:

SECTION 1. APPROPRIATION.) There is hereby appropriated out of any moneys in the general fund in the state treasury, not otherwise appropriated, the sum of \$21,900,000.00, or so much thereof as may be necessary, for the replacement of personal property taxes, in accordance with the formula for personal property tax replacement payments as provided for in section 57-58-01, during the biennium beginning July 1, 1975, and ending June 30, 1977. During the year ending June 30, 1976, such payment shall not exceed one-half of the total appropriation provided for in this Act.

SECTION 2. CONTINGENT.) Notwithstanding the provisions of section 57-58-01, which contains the formula for personal property tax replacement payments, the payments shall not exceed the amounts as set forth in this Act. If the appropriation provided for in this Act in any fiscal year is less than the amount determined by applying the formula as contained in section 57-58-01, the director of the department of accounts and purchases shall pay only the amount of funds available under this Act. Under such circumstances, a method of proration shall be used that provides each eligible recipient the same proportion of these funds as the percent of total funds it would have received under the application of the formula provided for in section 57-58-01.

SECTION 3. APPROPRIATION.) There is hereby appropriated out of any moneys in the general fund in the state treasury, not otherwise appropriated, the sum of \$250,000.00, or so much thereof as may be necessary, for the replacement of personal property taxes for the fiscal year ending June 30, 1975, which moneys shall be in addition to and supplemental to the appropriation provided in chapter 42 of the 1973 Session Laws of North Dakota.

SECTION 4. EMERGENCY.) Section 3 of this Act is hereby declared to be an emergency measure and shall be in full force and effect from and after its passage and approval.

Approved April 8, 1975

## APPLE CREEK STUDY APPROPRIATION

AN ACT making an appropriation to the North Dakota state water commission for the purpose of conducting a study of the feasibility of providing supplementary water supplies to the Apple Creek unit of the Pick-Sloan Missouri River Basin plan and its tributaries in North Dakota.

BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF THE  
STATE OF NORTH DAKOTA:

SECTION 1. APPROPRIATION.) There is hereby appropriated out of any moneys in the general fund in the state treasury, not otherwise appropriated, the sum of \$186,140.00, or so much thereof as may be necessary, to the state water commission for the biennium beginning July 1, 1975, and ending June 30, 1977. The moneys herein appropriated shall be used by the state water commission for the purpose of conducting a study to determine the feasibility of providing storage facilities and supplementary water supplies through diversion from McClusky Canal, Missouri River, or Lake Oahe, or any combination of those sources, and through development of ground water resources for the Apple Creek unit of the Pick-Sloan Missouri River Basin plan and its tributaries to provide for all uses, including, but not limited to, domestic, rural water districts, municipal, livestock, irrigation, industrial, recreational, fish and wildlife, and pollution abatement uses, which will provide the greatest benefit in the use of such waters and related land resources.

SECTION 2. MATCHING FEDERAL FUNDS.) The state water commission may use all or any part of the moneys herein appropriated to match any federal funds available for such purposes and such federal funds are hereby appropriated for such purposes.

SECTION 3.) The state water commission shall conduct such study in conjunction and coordination with the bureau of reclamation of the United States department of interior. Such project shall not be commenced until the bureau of reclamation begins its work on the project.

Approved April 8, 1975

### HERITAGE CENTER

AN ACT to provide an appropriation to the North Dakota heritage commission for the construction of a heritage center.

BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF THE  
STATE OF NORTH DAKOTA:

SECTION 1. APPROPRIATION.) There is hereby appropriated to the North Dakota heritage commission the sum of \$4,000,000.00, or so much thereof as may be necessary, from the general fund in the state treasury, and \$2,000,000.00, or such greater amounts arising from legislative appropriations and private and other sources as may be on deposit with the heritage commission, toward the construction of a heritage center on the state capitol grounds.

SECTION 2. BICENTENNIAL PROJECT.) It is the intent of this Act that a heritage center in North Dakota be planned and construction started in 1976, the bicentennial anniversary of the United States. The heritage commission shall plan for the construction of the heritage center in such a manner that additions may be added to it in future years that will complement the initial construction.

SECTION 3. AVAILABILITY OF FUNDS.) The heritage commission may invest amounts received pursuant to the appropriation from the general fund in certificates of deposit in the Bank of North Dakota. Such amounts and interest earned on such amounts shall not become available for construction of the heritage center unless the heritage commission has certified that not less than \$1,500,000.00 in contributions, donations, federal grants, or other sources, not received through appropriations from state general or special funds, is available.

Approved April 8, 1975
