

As provided in S.L. 2017, ch. 199, § 75, this section is repealed upon the receipt by the Legislative Council of the certification by the Chief of the Environmental Health Section of the State Department of Health attesting that all necessary federal approvals have been obtained and all necessary federal and other agreements have been amended to ensure the state will continue to meet the primacy requirements it currently satisfies after the transfer of authority, powers, and duties from the State Department of Health to the Department of Environmental Quality.
