## 15-10.3-01. Definitions.

# 15-10.3-02. Mandatory fees - Fees for optional purposes or services - Publication for comparison purposes.

The state board of higher education shall publish on its website in a clear and comprehensible form that allows for ease of comparison among all institutions under its control:

- 1. The amount of mandatory fees that each institution has determined it shall assess each full-time and part-time student during the ensuing academic year, together with a breakdown of the fees by purpose or service;
- 2. The amount of any program-specific fees that each institution has determined it shall assess each student in a particular program during the ensuing academic year; and
- 3. The amount of fees for optional purposes or services that each institution has determined it may assess a full-time or a part-time student during the ensuing academic year, together with a breakdown of the fees by purpose or service.

#### 15-10.3-03. Mandatory fees - Limitation on increases - Exemption.

- 1. The total amount of mandatory fees, other than program-specific fees, which an institution under the control of the state board of higher education assesses each full-time and part-time student, may not increase from one academic year to the ensuing academic year by more than one percent of the latest available average full-time, resident, on-campus, undergraduate tuition rate at that institution, unless the state board determines that an exemption from the requirements of this section is necessitated as a result of student demand, as evidenced by a campuswide student election or formal action by an institution's student governing board or committee.
- 2. a. Before mandatory fees on students may be increased to support the construction or renovation of a campus building valued at more than one million dollars, the use must be approved by a majority of the students voting on the question at a campuswide election.
  - b. This subsection does not apply to any construction or renovation for which the use of mandatory fees was authorized before July 1, 2013.
