**Major Legislation Affecting the State Water Commission**

Section 2 of House Bill No. 1023 authorizes \$21,718,031, or so much of the funds as may be necessary, in the total special funds line item from the resources trust fund.

Section 3 of House Bill No. 1023 authorizes \$47,365,504 or so much of the funds as may be necessary, in the total special funds line item from the water development trust fund.

Section 6 of House Bill No. 1023 authorizes revenues in excess of \$21,718,031 in the resources trust fund to the State Water Commission, subject to Emergency Commission approval.

Section 7 of House Bill No. 1023 authorizes the State Water Commission to sell one or more parcels of land and the shop building located at 2603 East Broadway Avenue, Bismarck. The proceeds of the sale, or so much of the sale proceeds as may be necessary, are appropriated for the purchase of land and construction of a new maintenance facility.

Section 8 of House Bill No. 1023 authorizes the State Water Commission to use other appropriated funds to purchase land and construct a new maintenance shop building if the proceeds from the sale of the existing land is less than \$977,100, provided that not more than \$977,100 may be spent on the new land and building. The State Water Commission is also authorized to use other appropriated funds if the proceeds from the land sale are not available to purchase land and begin construction of a new building, provided that upon receipt of the proceeds, the State Water Commission shall transfer an amount equal to any funds utilized for the purchase of land and construction of the building.

Section 9 of House Bill No. 1023 authorizes the State Water Commission to use funds from the water development trust fund to defray the expenses of the State Water Commission.

Section 10 of House Bill No. 1023 authorizes the State Water Commission to use funds from either the resources trust fund, the water development trust fund, or by issuing bonds for new water projects. The total authorization for the new projects is not to exceed \$30.8 million.

Section 11 of House Bill No. 1023 provides the order of funding sources for payment of principal and interest on bonds for authorized water projects pursuant to Section 10.

Section 12 of House Bill No. 1023 provides legislative intent that no more than \$62.3 million may be spent on water development projects for the 2001-03 biennium.

Sections 13 and 14 of House Bill No. 1023 authorize a line of credit from the Bank of North Dakota of up to \$25 million for interim financing prior to the issuance of bonds.

House Bill No. 1151 directs interest earned in the water development trust fund to remain in the fund rather than be transferred to the general fund.

House Bill No. 1158 increases the bonding limit for the Southwest Pipeline Project from \$15 million to \$25 million. The bonds sold are repaid by revenue generated from water users' fees, collected by the Southwest Water Authority, and sent directly to the bond trustee.

House Bill No. 1171 establishes water to eastern North Dakota as a critical priority and directs the State Water Commission, in cooperation with the Garrison Diversion Conservancy District and existing water users, to develop a plan and cost estimate.

Senate Bill No. 2024 directs interest earned in the water development trust fund and the community health trust fund be transferred to the community health trust fund rather than be transferred to the general fund.

Senate Bill No. 2029 directs interest earned in the water development trust fund be transferred to the community health trust fund rather than be transferred to the general fund.
