<sup>1</sup> This amendment removes the Governor's recommendation for state employee salary increases and retains the recommended state payment for health insurance premiums. The reduction to salaries and wages is added to operating expenses for operating costs of the Children's Services Coordinating Committee.

<sup>2</sup> The estimate of "refinancing" funds to be generated for the 2003-05 biennium is increased by \$430,837, from \$2,363,163 as recommended in the Governor's budget to \$2,794,000. As a result, the Children's Services Coordinating Committee administrative funding is increased by \$19,065, including increasing the committee's administrative position from a .7 to .8 FTE. The position was 1.0 FTE during the 2001-03 biennium. Funding for grants is increased by \$368,441, of which \$151,711 relates to grants for regional and tribal administration and collaboration and \$216,730 relates to grants to participating entities.

A section is added providing that the Children's Services Coordinating Committee report to a committee of the Legislative Council at least twice during the 2003-04 interim on the amount of "refinancing" funds generated and the uses of the funds during the 2003-05 biennium.

An emergency clause section is added for Section 6, relating to the amount of funds the regional and tribal children's services coordinating committees may carry over at the end of each fiscal year.

The following schedule compares the allocation of "refinancing" funds included the House version to the executive budget:
