**Agency Funding**

**FTE Positions**

**Executive Budget Highlights**

**Departmentwide**

- Reflects the additional state matching funds required to maintain existing programs due to changes in the federal medical assistance percentage (FMAP). The FMAP determines the state and federal share of Medicaid, foster care, and other programs. The FMAP is decreasing from 67.49 percent in federal fiscal year 2005, to 65.85 percent in federal fiscal year 2006, to a projected 63.23 percent in federal fiscal year 2007.
